Mr. F. C. Button, President,
Morehead State Normal School,
Morehead, Kentucky.

Dear Sir:

We beg to acknowledge your letter of
June 10th.

We note that you will present our
recommendations regarding the purchase of
additional land to your Board of Regents on
June 19th and we hope that it will be possible
for your Board to take some favorable action.

Mr. Whiting regrets very much that
he cannot be present at your meeting in Lexington
as he is pretty thoroughly engaged with work
in the north just at present.

We are working on the studies for your
building locations but should rather not present
anything until we get a definite report from
you or your Board regarding additional property.

Very truly yours,

ECW:GB
