

At a meeting of the Board of Regents of the Morehead State Teachers College held at the Administration Building, Morehead, Kentucky, September 15, 1932, pursuant to call, Dr. J. M. Rose, Hon. W. A. Stanfill, Judge Allie W. Young and Secretary Earl W. Senff were present, and the following business was transacted:

On motion, duly carried, Dr. J. M. Rose was selected as chairman pro tempore.

On motion, duly carried, the minutes of the last meeting, after being read, were duly approved.

The committee heretofore appointed, composed of Messrs. Rose and Senff, reported that they had conferred with Judge H. R. Dysard, attorney for the bonding company, and at his suggestion, he, (said Dysard) had been invited to attend this meeting, and being present, he and the members of the Board discussed at length the situation regarding the deposit in the Citizens Bank of Morehead, without reaching a conclusion thereon. ✓

Mr. Stanfill moved that certain cold checks held by the institution and now carried as cash be hereafter carried on the books under the heading of cold checks, and that the same diligence be pursued in an effort to collect same, which motion was seconded by Secretary Senff and all members of the Board present voting aye, said motion was declared duly adopted. You will note that checks have accumulated over a period of four and one half years (since March 1928) which is about an average of \$150.00 per year.

We respectfully request that we be given permission to charge these checks off so that we will not have to carry them in our cash drawer as cash. We will be able to collect some of these checks from time to time, as we are holding up credits of some of the persons (the persons who have credits here), and will use the same diligence in trying to collect them if you allow us to charge them off.

Respectfully,

Harlan Blair
C. B. Lane

On motion of Judge Young, seconded by Secretary Senff and all members of the Board present voting Aye, it shall hereafter be the policy and practice of the institution not to accept checks, except during the periods of enrollment and in payment of fees at said times.

The incidental and health fees having heretofore been fixed at \$10.00 per semester, on motion of Judge Young, seconded by Mr. Stanfill and all members of the Board present voting Aye, it is ordered that said sum apply to the college departments only, and that the sum of \$5.00 theretofore fixed continue to apply to the high school departments.

On motion of Judge Young, seconded by Secretary Senff, and all members of the Board present, on a roll call, voting Aye, the committee on sound equipment, heretofore appointed, composed of Messrs. Black, Hollis and Graves, are directed to purchase and install the same, at a cost not exceeding \$4,400.00.

Judge Young then moved that the chair appoint a committee of three to have a swimming pool built, which motion was seconded by Mr. Stanfill, and on roll call, all members of the Board present voting Aye, the chair designated on said committee Messrs. Payne, Stanfill and Senff.

W. H. Rice, engineer, then submitted to the Board a report on the water situation, and on motion, duly carried, the secretary was ordered and directed to forward copy of same to the Mayor of Morehead and to the County Health officer of Rowan County. Said report is as follows: X

September 13, 1932

Board of Regents,
Morehead State Teachers College,
Morehead, Kentucky

Due to the fact that each year several thousand students come to our campus from various parts of the state and depend upon us for healthy surroundings, the writer feels that too much stress cannot be placed in our having a pure and adequate water supply.

At present, we obtain our water from the local Municipal Water Works, which in turn obtains it from a source known as Triplett Creek. The water is taken in through a pump house located on the banks of Triplett Creek from whence it is pumped into reservoirs located on the school's property, and from there into the city and school water mains. At the pump house this water is treated

Rice's report continued-

with Chlorine Gas which is a positive germ killer when emitted into the water in sufficient quantities, and destroys all Bacilli of a dangerous nature. However, this Chlorine is put into the water without a mechanical gauge of any description to ascertain when a sufficient amount has been entered, the usual procedure being to taste the water, and if it tastes of Chlorine the quantity is sufficient. A few hundred feet above the hole where the drinking water is pumped, a community swimming hole flourishes during the summer and fall months.

Several houses on the direct water shed of Triplett Creek are in no way connected to sanitary sewers and drainage from their out-houses must eventually find its way into Triplett Creek.

My recommendation on the above would be:

- (1) An automatic Chlorinator, which measures exactly the amount of Chlorine put into each batch of water.
- (2) Strict enforcement of "no swimming and other forms of pollution above the water hole within limits prescribed by the State Board of Health."
- (3) Building of Sanitary out-houses where it is deemed necessary.
- (4) A Filtration plant to strain sediment and other particles that now goes into the mains.

While the situation has not been dangerous, and is not so now, due to the fact that the present water Commissioner is careful to inject plenty of Chlorine into the water, the writer does not feel that the above mentioned items tend to make a modern and safe water supply.

Feeling that the Board of Regents should have this information, I very respectfully submit the above.

W. H. Rice

On motion of Mr. Stanfill, seconded by Judge Young and all members of the Board present voting Aye, the reports of the Certificate Committee are approved. Said report being as follows:

After a general discussion of the matter, no action was taken upon the request of Dr. Hoke regarding salary to be paid him and same is to remain as heretofore fixed.

On motion of Secretary Senff, seconded by Judge Young, and all members of the Board present voting Aye, on roll call, the sum of \$150.00 net is added to the yearly salary of Professor Lappin as reduced, beginning with the semester of September 19th, 1932, in view of the extra administrative duties assigned to him.

Judge Young then moved that when students leave the grounds at night from Fields Hall or Allie Young Hall, that they shall first obtain from the Dean of Women a dated card of permission, showing the time such student is to return, which card such student shall have in her possession and subject to inspection by school officials, during her said absence and a duplicate of such card shall be made and retained by the said Dean of Women in her office, which motion was seconded by Mr. Stanfill and all members of the Board voting Aye, said motion was declared duly adopted.

Judge Young then moved that no person, not a student or connected with the institution, be permitted to enjoy the benefits of the cafeteria, until he shall have received from the president, a card of permission so to do, which motion was seconded by Mr. Stanfill and all members of the Board present voting Aye, said motion was declared duly adopted.

Judge Young then moved that Secretary Senff and Mr. Stanfill be authorized and directed to employ a first class auditor to audit all books and accounts of the college for the period of five years, last past and to make full report to the Board as soon as completed, with such suggestions, recommendations and comments as he may deem for the best interests of the institution, which motion was seconded by Dr. Rose, and upon a roll call all members of the Board present voting Aye, said motion was declared duly adopted.

It appearing that the average daily balance in the Exchange Bank of Kentucky to the credit of the college has been materially reduced, the sum heretofore fixed at \$25,000.00 in liquid assets to be deposited by it in escrow to guarantee such deposit, is on motion of Judge Young, seconded by Mr. Stanfill, and all members of the Board present voting Aye, now reduced to the sum of \$10,000.00.

There being no further business to be transacted at this time, on motion, duly seconded and carried, the meeting adjourned.
