Historical Information: The Chief Photographer of Morehead State University is a staff member of the Office of Communications & Marketing. George Burgess and Martin Huffman were the official photographers for the University from the 1960s to the early 1990s. Student photographers also contributed numerous photos to the collection.

Scope and Content: Collection consists of color photographic slides retained by the Chief Photographer of Morehead State University from the late 1970s to the early 1990s. The collection contains images of campus buildings and grounds, construction, campus scenes, student life, commencements, local events, homecomings, and reproductions of historic photographs. Included with the collection are photographic slides of the campus dating back to the 1950s and 1960s.

Subject Headings / Descriptors:

Burgess, George, 1917-
Huffman, K. Martin.

Morehead State University – History.

Morehead State University – History – Photographs.

Morehead State Teachers College – History – Photographs.

Notes: The collection was transported to the University Archives from the underground storage facility (Kentucky Underground Storage, Inc.) at Wilmore, Kentucky on June 24, 2017. Added to the collection were loose slides located in unidentified boxes stored in the archives.
