The meeting was called to order by Chair Weathers at 1:05 p.m. A quorum was present. Chair Weathers asked Vice-Chair Moore to call Human Resources to see if a representative from the office would be attending the meeting since Mr. Barker had a prior engagement. Vice-Chair Moore reported that HR was not sending a representative to the meeting and did not plan to present any other information regarding health insurance to Staff Congress, but information would be presented at the next Employee's Benefits Committee meeting which would be held within ten days. Chair Weathers reminded everyone that SC representatives to the Employee's Benefits Committee were Representatives Pace, Stewart, and Moore. She asked that representatives communicate with her and she would pass information from the EBC on to other SC members. Rep. Moore encouraged anyone with concerns or questions to contact her. Minutes of the meetings for August 7<sup>th</sup>, August 28<sup>th</sup>, and September 6<sup>th</sup> were reviewed. Corrections were made as follows:

**CHAIR'S REPORT** - Chair Weathers announced that a group from the Civil Rights Committee will be on campus for a routine visit on October 10<sup>th</sup>. They will be meeting with Faculty/Staff. Chair Weathers will represent the Staff Congress.

**VICE-CHAIR'S REPORT** - Vice- Chair Moore is still collecting data on guidelines for Staff Regent elections. She will call a meeting at a later date.

**SECRETARY'S REPORT** - Secretary D.Sammons reminded representatives to be more aware of the microphones as they are very sensitive in picking up voices and background noises.

### **Committee Reports**

**Credentials and Elections Committee** - Committee Chair Rep. Wetherholt reported that Rep. Betty Hurley had left employment of the University and needed to be replaced on the Congress. CEC is recommending Darlene Ramey of the Service Maintenance EEO category replace to Betty Hurley for this year. This will be voted on in new business.

**Standing Appointments Sub-Committee** - Committee Chair Hinton has contacted staff to be considered for filling vacancies on the University's Affirmative Action Committee and Student Media Board. Contacts and recommendations were made based on interest surveys staff had completed in May of 1999. The President will select two persons from the four

that are being recommended to fill the two vacancies on the Affirmative Action Committee. The four staff persons being recommended for the University's Affirmative Action Committee are:

*Kathleen Dowling - Professional Non-Faculty*  
*Pamela Jaisingh - Professional Non-Faculty*

*Taunya Jones - Professional Non-Faculty*  
*Beverly McCormick - Executive Managerial*

Rep. Caudill questioned why all the persons recommended for the Affirmative Action Committee were female. Chair Weathers had expressed the same concern and in checking the policy, found that the policy states 50% of the committee is to be female. It does not state that 50% has to be male.

The President will select one of the three persons that are being recommend to fill the one vacancy on the Student Media Board. The three staff persons being recommended for the Student Media Board are:

*Alvin Madden-Grider*

*Kathy C. Smalley*

*Jeff A. Spradling*

### **Fiscal Affairs Committee - No Report**

**Personnel Policies and Benefits Committee** - PPB Chair Pace presented another change to PG-44. PG-44 currently states that when an employee takes a demotion they will retain their current salary for a period of 6 months, or until the end of the fiscal year, which ever comes first. The recommended change will state that employees who take a demotion will go to the salary level for that position immediately. This change will take place ASAP. Several representatives expressed concern that the PG-44 approved by Staff Congress in the August special called meeting was not the PG-44 that was being presented at the Board of Regents meeting. Chair Weathers asked Staff Regent Caudill to express to the Board that PG-44 had been changed AFTER Staff Congress had approved it. Several other items of PG-44 being presented to the Board of Regents were different as to what the Staff Congress approved. Chair Weathers shared with the Congress her frustrations and apologizes with the way PG-44 has been handled. She has been very frustrated in working with the HR office regarding PG-44. The PPB Committee is not recommending any action be taken on this change. The information is only being shared as a point of interest. Rep. Thacker requested the minutes to reflect that SC could not take action on this change due to the information not being presented to the Congress in a timely manner. The section of PG-44 regarding when the new salary would go into effect was actually stated in the old PG-44 but has not been followed by HR. Rep. Caudill in his role as Staff Regent is to express to the Board of Regents that the policy has not been followed and needs to either be followed or taken out of the policy.

**REGENT'S REPORT** - There will be a Board of Regents meeting Friday, September 15, 2000. The agenda includes all of the policy changes that Staff Congress has worked on, changing the names of the university off-campus centers to include "Morehead State University" in the name, a recommendation to join the Pioneer League Conference in football, and personnel policy changes. There will be a change in the way the Board of Regents committees will meet. All committees will meet together. The Board is also looking at changing the meeting days to a Saturday.

In regard to our new insurance policy Rep. Morella suggested that the Employees' Benefits Committee confirm that generic drugs are the same or equal to brand name drugs before they approve the drug policy of the insurance plan. Rep. Pace felt that the three-tiered drug plan would address many of the questions representative had. Chair Weathers reminded the Congress we gave our approval only to change TPA's from Anthem to CA. Staff Congress was not approving a drug policy or any part of the specific insurance policy.

**NEW BUSINESS** - Rep. Caudill asked Rep. Moore's committee to again research the possibilities of working out a plan where MSU retirees can remain in the University's group term life insurance plan.
