Approval of Faculty Senate Minutes

Motion: To approve 12/03/2015 Faculty Senate Meeting Minutes

Vote: Passed

Announcements

Chair Adams made announcements on the following topics:

- Chair Adams welcomed new and returning Senators:
 - Tim Conner (Foundational & Grad Studies) – Returning from taking off Fall 2015
 - Janelle Hare (Bio & Chem) – Proxy for Sean O’Keefe Spring 2016
- The administration has responded to PAc-22, it has been approved with stipulations. The major stipulation was the rejection of the proposed time frames (20 and 30 days) involving “Notice of Intent.” That language has been replaced with the original time frames (10 and 15 days) that were agreed upon by the reconciliation committee. Please refer to the communications report for more details on this topic. The President plans to take revised PAc-22 along with revised PAc-26 forward to the next Board of Regents meeting.
- Faculty Senate now has a Blackboard shell that is available to all faculty. Some important uses of the blackboard shell are noted:
 - Surveys – There is currently a survey titled Paths Forward that will be open until February 4, 2016. All faculty are urged to take the anonymous survey. Responses cannot be linked to particular participants, and the names of people who participate will not be recorded or tracked.
 - Document dissemination – All senate work; PAcS, sub-committee reports, and any other pertinent documents will be shared on the blackboard shell.
 - Discussion board as “forum” or “suggestion box” – This has not been set up yet, but the capability is there.

The report notes that the faculty members directly affected by the recent scheduling change are the ones best suited to generate and implement solutions. A series of “paths forward” is offered at the end of the report, which is itself available on the Faculty Senate blackboard account.

Academic Issues

Chair-elect Dobranski gave an update on the impending meeting with a representative in the budget office, Beth Patrick. It is the committee’s mission to steer the 2-3 hour meeting toward getting specific budget questions answered. Chair-elect Dobranski does not intend to see this meeting devolve into the sort of general budget presentation that has been given in the past. Once an exact date and time is scheduled for this meeting, Chair-elect Dobranski will invite senators to attend or to send any questions that they may have.
