Report  
Fraternal Relations Committee  
Kentucky Convention of Christian Churches  
JUNE 25, 1954

We, the Committee on Fraternal Relations, call attention to the fact that Christian Union was a basic principle at the beginning of our Movement. As we celebrate our Sesqui-Centennial our people should be reminded of the close harmony between the Last Will and Testament and the basic principles of the World Council of Churches.

We urge a greater utilization of the Evanston Assembly of the World Council of Churches as a strategic time to lead our people to an even greater appreciation of the Ecumenical Movement and of the place of the Disciples of Christ within it.

We urge a greater participation in the National Council of Churches, The Kentucky Temperance League, The United Church Women of Kentucky and the Kentucky Council of Churches. We, especially, call attention to a Resolution on Page 56 of the Convention Program Booklet, entitle, "Kentucky Council of Churches".

We believe that Community Christian Cooperation bears importance in the Ecumenical Movement equal to the functioning of the World Council of Churches. We, therefore, urge our people to express their Spirit of Unity through agencies of cooperation in their local communities.

The observance of Special Days and Occasions in the Church Calendar is commended to our churches as affording the opportunity for Inter-Church Fellowship and Cooperation. They include

- |                             |                                     |

| Reformation Sunday          | Good Friday Service                 |
| Union Thanksgiving Service  | Go-to-Sunday-School Day             |

|                             | <del>XMAS</del> World Community Day |

We, furthermore, urge that Disciples of Kentucky become more sensitive to the divisive factors within our Brotherhood and that we seek by any possible means to achieve Christian Unity among our own people.
