GIVEN THE PATRONS OF

Blum, Hechinger & Co.

We will, in a few words, state the advantages we have in our business
over all competitors:

1. We buy ALL OUR GOODS FROM FIRST HANDS.
2. We manufacture them ourselves, and consequently make the manufacturer's profit.
3. We can sell goods at the SAME PRICE that dealers who buy them ready-made WILL HAVE TO PAY FOR THEM.
4. WE BUY ALL OUR GOODS FOR CASH, and the discounts gained thereby are part of our profits--the part that our patrons don't pay.
5. We warrant all the Goods we sell.

We flatter ourselves that our reputation for fair dealing is not altogether
unknown to the readers of this paper, and our goods are acknowledged to be
the best ever sold in this market.

We respectfully and cordially invite everybody to call and look through
our stock. We will cheerfully show them through, whether they wish to
buy or not.
