## THE ROOTS OF LENT

February 1989

Lent has its origin in an old English word for spring -- lengthen -- so named because of the lengthening of days. What an appropriate season, then, to lengthen the time each day we ponder God's purpose for our lives.

If Christmas is 'the season to be jolly,' then Easter is the season to be joyful because it explains Christmas.

Warren W. Wiersbe in a book published just the other day and entitled "The Integrity Crisis", suggests that these are critical times for a free people. "We've had Watergate, Koreagate, and Irangate; and now the latest scandal is Pearlygate." Even "Time Magazine" has raised the question of "the ethics void" that touches both church and state making them one, instead of two separate entities.

In this season of Lent, we need to attack "The Integrity Crisis" with new commitment and a new look at "Ethics". As the Hebrew People began their 40 year journey towards the promised land, Moses brought them early in their journey to Mt. Sinai and while they waited, he went to the top of the mountain to receive from God, the Ten Commandments. These laws are the base of morality (Exodus 20:1-17) Five of them have to do with man's relationship to God and five have to do with a man's relationship to his fellowman. These Ten Commandments are a base for "ethics" and need to be the reference points for all our decisions and actions.

Persons have always had difficulty with law. In the midst of His ministry, Jesus was approached by one of the religious leaders of His day and asked, "Which commandment is the first of all?" His answer is classic, for in it he summarized the whole law, saying, "The first is, 'Hear, O Israel: The Lord our God, the Lord is one; and you shall love the Lord your God with all your heart, and with all your soul, and with all your mind and all your strength.' The second is this, 'You shall love your neighbor as yourself.' There is no commandment greater than these." (Mark 12:29-31)

Lent is a time to commit...to recommit to these principles of morality that are essential to the maintenance of a free society "with liberty and justice for all".

Maundy Thursday observes the final supper Jesus shared with his disciples and the institution of the Church's remembrance celebration: The Lord's Supper (or Holy Communion, or Eucharist).

Maundy comes from an Old French word for the Latin *mandatum novum*, "a new commandment," which Jesus announced at that final supper.

"A new commandment I give to you," Jesus said to his disciples, "that you love one another; even as I have loved you." (John 13:34)

RECONCILIATION: GIVING AND RECEIVING

RECONCILIATION received a \$2.00 cash gift with this note: "Wish this could be more---it surely can't pay my two month electric bill - \$544, or a three month water/sewer/trash - \$390. Energy Assistance and County Public Assistance don't help much with my health/life threatening illness...." Reconciliation responded to her needs.

On the same day a \$400 check was received from another Disciples congregation member. RECONCILIATION is an open hand to receive from those who care, and a sharing hand to those in need.

# Pastor's PEN

At our last Board meeting, our treasurer shared these facts with us about our Building Program.

\* \* \* \* \*

"The construction project is going to cost approximately \$190,000. To date, the contractor has been paid \$173,938. Of this amount \$86,000 has been borrowed and \$87,438 has been contributed by members and friends. Probably another \$15,000 will be borrowed to contribute towards the final payment to the contractor.

Total pledges at this time amount to \$139,425. Of this amount, \$88,919.40 has been paid and this leaves a balance of pledges to be paid of \$50,505.60. This is to be applied towards the \$101,500 debt. A balance of \$50,000 will be needed to pay for the project. If this debt takes some time to retire, we will have to raise an additional amount of money to cover interest, although the Living Memorial Fund will supply some of that money."

\* \* \* \* \*

The above is a report given to the Official Board of the Church at our monthly board meeting, January 23, 1989. Our building program is nearing completion. Everyone thinks its a grand addition to the total church facility. We have raised a goodly amount of money, but there is more to be raised. Persons who have pledged need to keep their pledges current, or pay them ahead so that interest on borrowed money can be kept to a minimum.

I've heard it said that "first time home buyers" go through three phases. . . and churches who enter building programs do also. Phase #1...."Could we buy that?" Phase #2..."Sure we can...let's do it!"...Phase #3...."What have we done?"

We have done something good for our church and for it's members for years to come. Now, lets not shy away from the responsibility of our part and of encouraging others to do the same so that of the debt will be quickly retired. Income from the Living Memorial Fund is being used to off set some of the interst.

Remember, attitude is the substance of success and failure alike. To help us with our attitude, let me share this poem from the pen of Edgar Guest, and let it speak to each of us as we take of the chore of debt retirement.

## IT COULDN'T BE DONE

SOMEBODY SAID that it couldn't be done,  
But he with a chuckle replied  
That "maybe it couldn't," but he would be one  
Who wouldn't say so till he'd tried.  
So he buckled right in with the trace of a grin  
On his face. If he worried he hid it.  
He started to sing as he tackled the thing  
That couldn't be done, and he did it.

Somebody scoffed: "Oh, you'll never do that;  
At least no one ever has done it";  
But he took off his coat and he took off his hat,  
And the first thing we knew he'd begun it.  
With a lift of his chin and a bit of a grin,  
Without any doubting or quiddit,  
He started to sing as he tackled the thing  
That couldn't be done, and he did it.

There are thousands to tell you it cannot be done,  
There are thousands to prophesy failure;  
There are thousands to point out to you, one by one,  
The dangers that wait to assail you.  
But just buckle in with a bit of a grin,  
Just take off your coat and go to it;  
Just start to sing as you tackle the thing  
That "cannot be done," and you'll do it.

### THE THORN & THE ROSE

It's a lovely old legend that tells of the priest who found a branch of a thorn tree twisted around so that it resembled a crown of thorns. Thinking it a symbol of the crucifixion, he placed it on the altar in his chapel on Good Friday. Early on Easter morning he remembered what he had done. Feeling it was not appropriate for Easter Sunday, he hurried into the church to clear it away before the congregation came. But when he went into the church, he found the thorn branches blossoming with beautiful roses. He was confronted with life.

Dear Harold,

The visit of your handbell choir brought nothing but delight to the congregation of First Christian, Fort Thomas last Sunday. Your young people presented an excellent selection of hymns which were played with a great deal of skill. The children were excellent ambassadors for their congregation and for the faith which we share together.

Please convey to Mrs. Chaney and her fellow leaders and to all of the handbell choir members our heartiest appreciation in making this visit possible.

You have a group of young people of whom you can feel very proud and we are delighted that they have shared their time and talents with us. We wish them well and invite them to return here again just as soon as possible.

Yours sincerely,  
*Jolly good visit.*

## ANNUAL MEN'S PRAYER BREAKFAST

The Annual Morehead/Rowan County Men's Prayer Breakfast will be held on Saturday, April 15, at the First Christian Church at 8:00 A.M. The speaker for the day will be the Rev. Franklin R. McGuire. His subject will be "A Man's Spiritual Life in 1989."

Mr. McGuire is presently serving as "Curator of the Cane Ridge Meeting House", site of the 19th revival that marked "The Great Awakening" of religion on the American Frontier. He has been a pastor in Kentucky, serving at West Liberty, Georgetown, Lexington, and Louisville. He has also served pastorates in Illinois and Indiana.

Mr. McGuire has a spiritual message that should both inform and inspire the men of our church. Tickets for this breakfast are \$3.50 and may be purchased by calling the First Christian Church - 784-4836.

Another Easter has come and gone. It was an exciting season, with the choir presenting a beautiful Cantata on Palm Sunday Evening, most worshipful community services on Wednesday and Friday and the Maundy Thursday Service led by our young people that was also most moving. In the midst of our Easter Morning Festivities, I suddenly experienced a surge of depression. I wondered why? As I have thought about the why of that surge of depression, I have come to the conclusion it was the result of seeing for just a moment what the Church could be. A full house or maybe two services are within the realm of possibility for every Sunday. If it's important to eat three square meals a day and to sleep eight hours out of every twenty four, is it not also important to worship every week?

First Christian Church in Morehead is an exciting place to be. We are a church with great ability...with a vast store of time, talent and possession, to serve a Risen Lord. These next few months will be months of opportunity. Our facility has been upgraded to enable us to serve better, the broader community. We must take our responsibility of serving seriously, and our responsibility of paying for the improvements must be taken seriously also. Our construction indebtedness at the time of our dedication will be approximate \$104,000....not a large debt for a congregation of our size. Current interest on this debt is \$900 per month, or \$10,800 per year. We need to make a strong, immediate effort to repay what we have borrowed so as to reduce interest and have more funds for program. The tentative date for dedication is Sunday, June 11.

I would like to challenge us as a congregation to new dedication, lest we lose the Easter Enthusiasm... I would like to challenge us, one and all, to a fuller stewardship of our possessions that the work of the Kingdom might not suffer from the want of funds. He who is risen from the dead...who is our Lord and Savior...invites us to come to Him, to be yoked with Him as Stewards of His Kingdom, and to be joined with Him in His Kingdom in the NOW! Will you hear his call; heed his call; join with Him and with this entire congregation in a relationship that will enable the work of the Kingdom to be done in our time?

RELIGIOUS?

Americans are very religious.  
Some play golf religiously.  
Some follow baseball religiously.  
Some wash their cars religiously,  
Or care for their lawns religiously,  
Or keep up with the stock market religiously,  
Or watch television religiously.

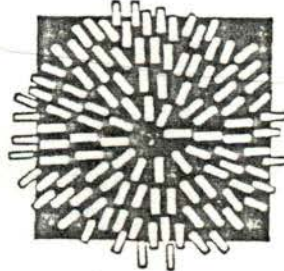

Americans are most religious.  
Some are religious about house cleaning.  
Some are religious about family activities.  
Some are religious about their jobs,  
Or about how they brush their teeth,  
Or about getting enough rest and relaxation,  
Or about being in church and doing God's work.

I guess it depends  
On what your religion is --  
On what your god is --  
On what your priority is.

A person's religion or god is whatever he or she has time for when time is short and running out.

About what are you religious?

### SUMMER THANKSGIVING PRAYER

Thank God for his multi-colored, many splendored creation -- for scarlet roses, purple cabbage, yellow daisies, red tomatoes.

Thank God for the excitement in variety -- for sunrise and sunset; for rains, some gentle, some pouring; for mushrooms and for mountains; for clothes right for fun and for clothes to dress up in; for soft, pillowy clouds; for dramatic, towering clouds; and for rainbows.

Thank God for beautifully different people -- for short ones and tall ones, for thin and not so thin, for young and not so young, for listeners and talkers, for dark skin and light.

Thank God for gifts and givers, and for his gift -- love in Jesus Christ.

"For all that has been, thanks! For all that will be, yes."

NOTES FROM THE PASTOR'S DESK.....

July 11 was a great day in the life of First Christian Church of Morehead. It was the culmination of months of planning and hard work. "Faith Annex", formerly the "Hogge Property" has been transformed into a fine facility. New wall coverings....gorgeous oak floors refinished to a shine....new furnishings...all together make this a fine addition to our facilities. I hope that we will be able to use this facility for class rooms on Sunday Morning, for a ministry to College Youth during the week, and for a fellowship meeting place on other occassions. The potential of this facility is beyond measure at this time.

Isn't it great to have parking spaces behind the church? How about a building that is totally accessible without steps. Ramps into "Faith Annex" and into the church plus an eleveator inside the building, make the total facility accessiable. Four new bathrooms ....two on the ground floor and two on the first floor are also fine additions to this facility.

Our crowd was inspiring and fun. It was good to have Roy Roberson preach in the morning and Charles Dietze in the afernoon and good to visit with Tom Phelps, Margaret Ryle and Mary Lake, and other friends from near and far.

Two memorials were replaced. The Grote Room was moved from one of the buildings torn down for the parking lot and the Ann Young Penix play ground was moved inside to the "Community Meeting Room" adjacent to the elevator. Family members of both were in attendance.

Thank you's need to go out to many. To all who labored in the construction, refinishing, landscaping, cleaning, planning and letter writing. A special thanks to Yvonne Baldwin who designed our invitations and our bulletin cover and whose beautiful painting of the Church hangs in the foyer and a special thanks to Gail Tingle's father who refinished the old green buffet that held linens for many years...it is truly a beautiful piece of furniture that graces the Ann Young Penix Room.

I could go on and on but there is only so much space for this column. It I have missed anything or anyone who had a part in this grand occassion in the life of our church, please forgive me and know that we all appreciate you and your contribution.

Now it's time for us to get serious about the remaining debt. Your gifts will enable us to pay off the debt and to program the facility to its capacity for the cause of Christ in this community. God bless you all.

YOU ARE IMPORTANT

When you are tempted to take a Sunday off, and you think that the absence of one person doesn't make a difference at church, you place your congregation in the same position as a person trying to type with one key missing. The results are never quite the same as when all the members of the congregation are present.

Summer often reminds us that people are a pretty necessary ingredient in the life of any church.

### COUNTING CALORIES?

A recent report by the Southern California Medical Association pointed out that proper weight control and physical fitness cannot be attained by dieting alone. Persons engaged in sedentary occupations often do not realize that calories by the hundreds can be burned off by a variety of strenuous "exercises." Here are the per-hour calorie consumption rates of some common activities:

Beating around the bush, 75; jumping to conclusions, 100; climbing the walls, 150; swallowing your pride, 50; passing the buck, 25; throwing your weight around, 50-300; dragging your heels, 100; bending over backwards, 75; pushing your luck, 250; running around in circles, 350; making mountains out of molehills, 500; climbing the ladder of success, 750.

# Salvation statement brings about harmony

The 1989 General Assembly reaffirmed both the church's faith in Jesus Christ and its tolerance for different theological viewpoints.

At the outset, the assembly found itself with a report on Christ and salvation that was intended to calm a two-year-old controversy, but failed to do so.

The issue arose in 1987 when several church congregations asked that year's assembly to adopt a resolution declaring Jesus Christ to be the only route to salvation.

The 1987 assembly, concerned about establishing doctrine that Disciples historically have avoided, as well as the negative impact such a statement would have on interfaith dialogue, declined to do.

Instead, the 1987 body asked the Disciples' commission on theology to review the

matter. The commission returned to the 1989 Assembly with a 5,000-word report which proclaimed Jesus Christ as savior, but also cautioned Christians about making 'self-righteous' salvation judgments that belong to God.

The commission's report maintains there are two themes in the New Testament, one stressing Jesus as the only path to salvation, the other that salvation is God's grace to all and cannot be earned by people's response.

"No human being is ultimately rejected and nullified by God," the commission found. "Confessing that Jesus Christ is savior is not a test which one must pass before God will show merciful love, but a means which God has provided so that the experience of that love can be shown and enjoyed by all," the report stated.

According to the commission: "The church is called to witness to the Gospel without shame or hesitation. But it cannot and must not make its witness in such a way that it turns God's gift into a prerequisite for the receipt of the gift."

Disciples historically have been reluctant to accept doctrinal formulations beyond the expression of belief in Jesus as Lord and Savior, asked of believers before baptism.

The report failed to satisfy sponsors of the original 1987 resolution, but a simple, three-paragraph statement drafted by the 1989 assembly's Committee on Reference and Council was adopted with few dissenting votes.

The final resolution reaffirmed the Disciples' belief "that Jesus is the Christ, the Son of the Living God, and proclaims him Lord and Savior of the world."

# Reconciliation News

## RECONCILIATION AND HOPE

Life in some south and Appalachian areas is much like life in many Third World countries:

- strong extended family ties
- strong community feelings
- sense of personal pride

The problems of poverty persist due to:

- isolation of being left behind when industry suddenly shuts down
- young people who can't farm the family's land because equipment costs too much money (don't have collateral to get a loan)
- old people sit on the family farm, collect their tiny pensions and waste away

The Good News: Reconciliation responds to needs of persons in the south and Appalachian areas!

I cannot say OUR if my religion has no room for others and their needs.

I cannot say WHO ART IN HEAVEN if all my interests and pursuits are in earthly things.

I cannot say HALLOWED BE THY NAME if I, who am called to bear his name, am not holy.

I cannot say THY KINGDOM COME if I am unwilling to give up my own sovereignty and accept the righteous reign of God.

I cannot say THY WILL BE DONE if I am unwilling or resentful of having it in my life.

I cannot say ON EARTH AS IT IS IN HEAVEN unless I am truly ready to give myself to his service here and now.

I cannot say GIVE US THIS DAY OUR DAILY BREAD without expending honest effort for it, or by ignoring the genuine needs of others.

I cannot say LEAD US NOT INTO TEMPTATION if I deliberately choose to remain in a situation where I am likely to be tempted.

I cannot say DELIVER US FROM EVIL if I am not prepared to fight in the spiritual realm with the weapon of prayer.

I cannot say THINE IS THE KINGDOM if I do not give the King the disciplined obedience of a loyal subject.

I cannot say THINE IS THE POWER if I fear what my neighbors and friends may say or do.

I cannot say THINE IS THE GLORY if I am seeking my own glory first.

I cannot say FOREVER if I am too anxious about each day's events.

I cannot say AMEN unless I honestly say "Cost what it may, this is my prayer."

## DISCIPLE INTERNATIONAL CENTER TO BE BUILT IN INDIANAPOLIS

The design of a gleaming limestone and glass seven-story building with tree covered public courtyard was unveiled July 29 as the proposed Disciples International Center, housing most general office of the Christian Church (Disciples of Christ) and expected to be occupied in the fall of 1992. To be situated on a triangle-shaped block in downtown Indianapolis, the center includes a chapel jutting out at a right angle from the end of the main building tow blocks from the Indiana state capitol.

The Disciples International Center will cost an estimated \$15-18 million dollars and will require no Basic Mission Fomance funds, other than space rentals already being paid by general offices that will occupy the new facility.

The cost of the development are expected to be covered roughly one third through loans underwritten by the space rentals, one-third through Indianapolis community incentives (including \$2 million already pledged by Lilly Endowment), and one third from special gifts by Disciples and a segment of a proposed churchwide capital campaign.

NOTES FROM THE PASTOR'S DESK. . .

Among the most disagreeable parts of our Christian obligation, is God's demand that we be Stewards of all of life.

In God's earliest dealings with humankind, there is a Stewardship demand. The Old Testament contains many references to tithing. It refers to tithing as being required of all.

According to the Old Testament, tithing meant giving to God, a tenth of possessions such as animals, grains, etc. (the best tenth of "first fruits"), were to be set aside and offered to God in thanks for the blessings we are given.

The custom of tithing may have started before the 8th century B.C. "All the tithe of the land, whether of the seed or of the land or of the fruit of the trees, is the Lord's." (Leviticus 27:30)

This is not just a Jewish tradition. . .it is one that Jesus brought with Him into the New Testament times. According to the New Testament, Jesus affirmed tithing as a form of STEWARDSHIP.

Stewardship means, in essence, using everything God has given us -----life, talents, possessions-----to serve God with love and gratitude. Jesus encouraged giving in proportion to what we have received, praising the poor widow for her generous gift. (Luke 21:2)

The Apostle Paul directed his followers to plan their contributions. "On the first day of every week, each of you is to put something aside, and store it up, as he may prosper.

(I Corinthians 16:2)

The custom of tithing changed and developed as the Church grew. The early church, poor and struggling, stressed voluntary giving of whatever was available. Later when money became more common, it replaced the practice of tithing animals, grains, etc. By the 4th century, Christianity had grown to include many prosperous people who were able (and required) to give more.

Tithing rules were developed. By the 6th century, the Church decreed how tithes would be collected. (Violators were punished (by excommunication in extreme cases.)

By the 16th century, compulsory tithing had alienated many Christians. The requirement was gradually abandoned in churches.

Today, tithing is the best means of honoring God's claim on all we have. According to the teaching of the New Testament, Church members are stewards of God's gifts and should give freely to further God's work.

This material is copied from an excellent pamphlet on Tithing. It has sound, Biblical truth in it. Tithing, I believe is a mandate for the would-be-Christian in any day. It matters not what the church needs....what matters is what the would-be-Christian needs to give. Somehow, it seems that our stewardship is the measure of our acceptance of Jesus as Lord and Savior. May we all seek the guidance of God's Holy Spirit as we meet our personal stewardship challenge.

### HELP FEED THE HUNGRY IN ROWAN COUNTY

Foodtown stores will give one (1) cent for every dollar spent in one of their grocery stores. When you receive your cash receipt, just ask the cashier to stamp the tape and he/she will put the stores stamp on the receipt. Bring the receipt to the church and it will be turned over to Christian Social Services who will total up a lot of receipts and claim a substantial sum to be spent on food for the hungry.

The Kroger Company has introduced a program called "Round Up For the Hungry" Area Kroger shoppers are given the opportunity to help feed the hungry by rounding up their total bill at the check-out counter. For example, a register amount of \$31.41 might be rounded to \$31.45, \$31.50, or \$32.00, or more. "Roundup...."moneys will remain in the area. Coupons are distributed through Christian Social Services to be redeemed via "Round Up for the Hungry" funds.

Just a little effort on your part and mine will help to keep Rowan County People from going hungry.

### COMMUNITY THANKSGIVING SERVICE

Community Thanksgiving Service will be held at First Church of God Tabernacle on November 22, at 7:00.

NOTES FROM THE PASTOR'S DESK

With the school year well underway and with the leaves changing colors, it is time to think again about "Thanksgiving".

In his 1963 Thanksgiving Proclamation, President John F. Kennedy wrote.....

"Over three centuries ago our forefathers in Virginia and in Massachussets far from home in a lonely wilderness set aside a time for Thanksgiving. On the appointed day, they gave reverent thanks for their safety, for the health of their children, for the fertility of their fields, for the laws which bound them together and for the faith which united them under their God.

So, too, when the Colonies achieved their independence, our first President in the first year of his first Administration proclaimed November 27, 1789 as a 'day of public thanksgiving and prayer to be observed by acknowledging with grateful hearts the many signal favors of Almighty God' and called upon the people of the new republic to 'beseech Him to pardon our national and other transgressions ....and generally to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best.'

And so in the midst of America's tragic Civil War, President Lincoln pronounced the last Thursday of November, 1863 as a day to renew our gratitude for America's 'fruitfull fields' for our 'national strength and vigor' and for our 'singular deliverance and blessings.'"

As John Kennedy reminds us in this proclamation, so we need to remember in this season, that God has richly blessed us and our debt to Diety is beyond our ability to repay. Let our Thanksgiving be such as reminds us of our obligation to serve a needy world.

Church World Service has sent two disaster response consultants to Northern California to assess the situation and to work with other disaster response agencies.

The Week of Compassion has made an emergency grant and will respond further as details of needs become known. Your gifts to the Week of Compassion offering made this ministry possible.

PREPARATION OF COMMUNION

Grape juice is located in the cabinet, bread in the refrigerator. Fill three trays for the communion table and one extra for back of the sanctuary. Do not fill cups too full!!! Empty all cups which were not used - do not pour juice back in the juice container. For sanitary reasons we now use only disposable plastic cups.

If you are unable to fulfill the service for your week - it is your responsibility to exchange with someone and notify the Church Office of the change.

## AFTER RENOVATION DINNER A SUCCESS ADVENT SEASON HAS GOOD START

After over a year of not having fellowship dinners due to the renovation project, First Christian Church had a full dinner menu on December 3. Thanks to the hard work of a lot of people, the tables were just beautiful, the food was great, the tables were set up and taken down, and the dishes and silverware were all washed and put away for the next time. It is hard to know where the beginnings of such an affair occur. The Worship Committee and the Minister began to plan for the advent season weeks ago. We received the devotional booklet for advent last week. I could not wait for each day's devotional, so I read it through at one sitting. At the November meeting of the board, it was decided that the elders and deacons would host the dinner. On Saturday, the manger scene was erected using slabs given by Ray L. White & Sons Lumber Co., the tree was cut and decorated, and the sanctuary was partially decorated with the greenery to be completed during the evening worship service. The Chi Rho and younger children presented the evening program, assisted by Harold and Dan, with music furnished by Brian Register at the organ and the high school orchestra students. This program focused our attention on the birth of Jesus, and the fellowship dinner which followed gave us the opportunity to share the blessings of a loving God. We have several opportunities during this season to enrich our spiritual lives and grow closer together as a working congregation. Those who work in these projects are doubly blessed - first by participating in the event itself and secondly by the satisfaction of knowing that the event was possible in part due to their own efforts.

It is a matter of opinion as to which season in the church calendar is the most important, but we can agree that the season of advent is certainly in the running for number one. We have several services over the next few weeks that will enrich our lives and renew our spirits if we are able to be a part of them. We should be looking forward to the cantata on Sunday, December 10, where we will be able to experience the Christmas Story as presented by the choir. Then, on December 17, we have the tasting party and caroling, where we will be able to share in fellowship and eating, followed by our sharing carols of the season with some persons who can not otherwise be a part of the season. And then on December 24, you will miss a very meaningful worship service if you are not able to attend the Christmas Eve service. If you do not drive at night, you should call the church office, and we will arrange for someone to come by and bring you to this service.

ROSES TO THE ROBERSON CLASS

Out of concern for our "building indebtedness", the members of the "Roberson Class" have spent a number of Sunday Afternoons this fall, making "Rocking Horses", "Quilt Racks", and other craft items, which they have sold. The proceeds from this endeavor have amounted to \$ \$2,736.00 and has been given to the church's building fund. Thanks, to all who sawed, painted, and whatever else, to make this project a success.

CONGRATULATIONS TO.....

SEASON'S WISHES

We pray for the Savior's blessings,  
That his special guiding hand  
Might touch the lives this season  
Of all people of this land,  
So they will know that Christmas  
Is more than just a day;  
It's formed of love and caring  
In a very special way.

We pray the Savior's promises  
Might live through things we share,  
That sparks might start from others  
As his people show they care,  
So Christian love will linger on  
Long past the day of birth,  
'til others know its meaning  
All over this great earth.

THE GREATEST GIFT

Before the voices of  
the Earth's Choirs were  
raised in praise ...  
There was a silent night.

Before the strings of lights  
were wound around the world,  
and tinsel was strung ...  
There was a single star.

Before the wide-eyed wonder  
of a child on Christmas morn ...  
before all the gifts ...  
There was a child,

Born in Bethlehem,  
who showed the world  
that the greatest gift of all ...  
Is love.

During this Holiday Season, may we all experience the wonderful gift of God's love with the wonder and trust like that we find in the heart of a child.

THANK YOU FROM THE TACKETT FAMILY

On Thanksgiving Evening, after a good day of family visiting, my Mother was called home to be with God. Her death was both easy and beautiful. We feel most blessed that she could live to be 86 and a half years old and to be independent all those years.

Both the church and the community of Morehead have given us the support that we have needed in this difficult time. Barbara and our children join me in saying "thanks for holding us in our time of need." May God bless you.

Our prayers as a church family continue to be with Harold and his family this Christmas season.

## CHRISTMAS OFFERING FOR BASIC MISSION FINANCE DECEMBER 10 & 17

The Christmas Offering focuses our attention on the homes for the elderly and children. This special offering for BASIC MISSION FINANCE help to support 65 social and health centers of the National Benevolent Association. As a congregation, we are looking forward to sharing food, blankets, clothing, and toys with families in Rowan County. Through the leadership of the Roberson Sunday School Class, this program will be a success. Through your gift to the Christmas Offering, you assure the success of the efforts of the church to minister to people throughout the United States.

### FROM THE PASTOR'S DESK.....

We are in the season of Advent.... one of the very special seasons of the Church Year. Our Chi Rho Group, under the very able direction of Dan Netting our Youth Minister, led us in a most inspiring service of "The Hanging Of The Greens." Following the service, the board hosted a Christmas Dinner that was delightful. The Advent Season is indeed, well underway, with a great many more exciting events planned.

The "Roberson Class" is in charge of our "Christmas For The Needy" this year. More than 40 blankets have been brought to the Church for distribution with baskets of food, toys and clothing to brighten the lives of some of the less fortunate in our community. Be sure to follow the schedule of things to be brought for this fine service project.

Next Sunday Morning at the 11 O'Clock worship hour, our choir will present it's annual Christmas Cantata. Let's fill God's house for this glorious inspiration.

On Sunday Evening, December 17, all are invited to go Christmas Caroling to the homes of our shut-in's. This is a beautiful way to share Christmas with those whose participation in Christmas is limited to their homes..often to their beds. Caroling is good, only when a lot of people go, so put this into your Christmas Schedule, beginning at 6 O'Clock. Also, on December 17, Santa will visit the children at the Church...at 8:00 P.M. and the Banks Class will host a "Tasting Party" in the "Faith Annex", beginning at 8 O'Clock in the evening.

On December 24, we will have Church School and a regular Sunday Morning Worship Service. Then, at 10:00 P.M. we will share in our annual Christmas Eve Candle Lighting Service.

### THANKSGIVING MISSION...

Thanksgiving is always a time for the church to be involved in mission. Our special offering for Basic Mission Finance was \$313.00. That offering was dedicated last Sunday and is on it's way to enable Christ's mission to be fulfilled around the world.

Gifts for the King

We all have gifts that we may bring.  
We all have songs that we may sing.  
We all have kind words we may say.  
We all have prayers that we may pray.

We all have love and joy to give.  
And what a joy life is to live  
If we just scatter everywhere  
The things God's given us to share.

If you have a gift—bring it  
If you have a song—sing it  
If you have a talent—use it  
If you have love—diffuse it

If you have gladness—share it  
If you have happiness—give it  
If you have religion—live it  
If you have a prayer—pray it

—Author unknown

This is the season of Jesus' birth. It is an exciting time. May the blessings of the season be yours as we gather in the Church and go out to serve on behalf of our Lord and Savior, whose birth we celebrate.

*Harold E. Tackett*

I think that we shall always see, God's gifts upon our Christmas tree.

You cannot touch them with your hand, yet they are there at your command. There's joy and faith and hope renewed. There's laughter for a happy mood. There's gratitude for each new day; a time to think, a time to pray. The Christ has come with holy light to shine and make your pathway bright. All these are yours if you can see God's gifts upon your Christmas Tree.
