Dear Mr. & Mrs. Landholt,

I feel ashamed of myself for not writing sooner. I am very sorry indeed. I have been getting some very nice packages from Mrs. Leo Oppenheimer and her committee. I certainly appreciated them more than I can tell you. I sure do miss the Young Peoples Meetings. I would give anything to be back with you again. You don't realize how much you enjoyed them until you are where you can't attend them. If I were back home I would never miss another.

How is the baby coming along. almost grown by now I suppose. I would love to see it.

Tell the kids I still remember them and think about them a lot. I would love to hear from some of them. Tell all "hello" and give them my best regards.

I have completed 5 of my 10 weeks Basic Training and will go to advance training next for 10 weeks. I will get to come home for a few days about the first week in Jan. I hope to see you sooner though. Best of luck to all and write me sooner than I did you please.

your loyal friend,

Stuart D. Lawson
