**Historical Information:** The Graduate Curriculum Committee (sometimes referred to as the Graduate Curriculum Council) of Morehead State University was established on December 13, 1960 to review and consider proposed courses to be taught in the graduate school. The Graduate Curriculum Committee was replaced by the University Graduate Committee. That committee, which currently is a standing committee of the Faculty Senate, reviews and recommends the approval of graduate programs and courses.

**Scope and Content:** Collection consists of the meeting minutes of the Graduate Curriculum Committee of Morehead State University from 1960 to 1989. The minutes contain proposals, recommendations, motions, actions and decisions made by the Committee regarding the introduction of new courses to the graduate school. The collection includes correspondence, memorandums, reports, surveys, etc. related to course proposals and changes to current programs.
