Dear Mrs. Clayton,

I was sorry not to have an opportunity to talk with you Sunday.

We are fortunate this year in having the State Convention in our district. It would be wonderful if all of our women could attend at least part of the Convention. A very fine program has been arranged.

Some Gift boxes will need to be collected in time for me to receive your offering before State Convention, so that it can be dedicated there.

Spring Conference this year, as you know, will be at Ashland
