BELATED HAPPY BIRTHDAY MINNIE!!

WELCOME BACK

STUDENT GOVERNMENT ASSOCIATION MINUTES
January 17, 1979

The Student Government meeting was called to order at 5:06 p.m. by Kevin Porter, President. The roll was called by Donna Belcher, Secretary, and a quorum was present. The following members were absent: Brenda Belcher, Bill Callihan, Kathy Litter, Mary Sue Westermeyer, Charles Brown, Cindy Queen, Kim Batey, Thomas Carter, Kathleen McKinney, Connie Salisbury, and Doug Vickers. The minutes were approved as written.

EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER said Dean Stephenson has a conflict in his schedule, so Dean Cramer volunteered to sit in on the meeting. Kevin welcomed everyone back. He said there were two important proposals under new business today. Kevin said he met with Karl Slichter and the Open House Committee this week. Kevin said the Executive Committee has a meeting with Dr. White at 1:30 tomorrow to discuss finals week. Kevin said Rosemary had a previous meeting and would be here momentarily.

Vice-President. ROSEMARY BELCHER.

Secretary. DONNA BEECHER. No Report.

Treasurer. DICK HALL reported the following balances:

- Administrative 647.39
- Campus Improvement 624.79
- Scholarship 1.00
- Special Events \$10,887.52

Programs Director. KATHY LANTER said there are some job openings at Jerry's. Butch Peacock, the manager of Western Sizzlin' said they tried to contact all the students who applied for a job, but a lot had already left for Christmas vacation. Kathy said she would have a report on student discount day next week.

Reporter. PATI SMITH. No Report.

STANDING COMMITTEE REPORTS:

Open House. KARL SCLICHER, Chairman. Karl said the committee met Monday and worked on the open house bill which is under new business today.

Student Consensus. CHARLES BROWN, Chairman. Chester Honaker said the committee will meet Thursday at 3:00 in the SGA office to discuss possible surveys.

Campus Improvement. TERRY REYNOLDS and VIVIAN HARRIS, Co-Chairmen. The newsletter will be distributed Wednesday and there will be a committee meeting Monday at 5:00 p.m.

Legislative Action. JULIE LUCAS, Chairman. No Report

Entertainment. KENDRA PYLE, Chairman. Kendra said she received the tabulation of the poll at the last meeting. The top three are: Firefall and Little River Band, Boston, and Blues Brothers. Kendra said she is waiting on a list of available dates when the gym will be open. Entertainment Committee meeting Monday at 5:00 p.m.

OLD BUSINESS: NONE

NEW BUSINESS:

SGA*1-17-79*16. Kevin Porter and Karl Schlichter proposed that the appropriate University authorities investigate the necessity of re-instituting a final examination week. SGA*1-17-79*16 passed unanimously.

SGA*1-17-79*17. The Open House Committee proposed that the SGA recommend to the appropriate University committees the institution of the following schedule for intervisitation to be implemented as soon as possible.
 Tuesday - 8-11 pm Thursday - 8-11 pm Friday - 7 pm - 1 am
 Saturday - 2 pm - 1 am Sunday - 1 pm - 8 pm
 A total of 30 hours per week, on an alternating weekly schedule between women's and men's residence halls. Be It Also Noted, that the SGA recommend that any necessary funding for this increase be taken from the monies derived from the residence hall room fee assessed each student. Kevin questioned the number of hours. He said we should have a realistic number of hours when we present the proposal to Student Life Committee. Donna Belcher made a friendly amendment to change the hours to 7-12 on Friday, 2-12 on Saturday, and 2-6 on Sunday. The friendly amendment was rejected by Karl Schlichter, chairman of the open house committee. Donna then made a motion to amend the proposal so that the hours would be: 8-11 on Tuesday, 8-11 on Thursday, 7-12 on Friday, 2-12 on Saturday, and 2-6 on Sunday making it 25 hours a week instead of 30. Dick Hall seconded the motion. Discussion centered on the pros and cons of the length and time of open house hours. Dean Crager said that other University activities end at midnight and open house is a university activity. Paul Hereford moved that we vote immediately on the amendment. Terry Reynolds seconded the motion. Division of the house. Roll call vote - 7 yes, and 17 no. The amendment failed. Wanda Watson made a friendly amendment to change the hours to 8-11 on Tuesday, 8-11 on Thursday, 8-1 am on Friday, 2-1 am on Saturday, 2-5 on Sunday, making it 25 hours per week. The friendly amendment was accepted by Karl Schlichter. SGA*1-17-79*17 passed as amended.

DISCUSSION:

Kevin commended the Open House and Student Consensus Committees for their work this past semester. They now have the product of their labor before them. The Open House Bill will now be presented to the Committee on Student Life.

ANNOUNCEMENTS:

Dick wished Kevin a happy birthday, which is tomorrow. Dean James urged everyone to register to vote, since the governor's race is coming up in May. Everyone meet with their respective committees. Dean James congratulated the majority of Congress for the good GPA's. Terry Yates moved to adjourn. Blanche Saul seconded. Meeting adjourned at 5:47 p.m.

Respectfully submitted,
Donna Belcher

- WHEREAS, The University abolished the final examination week effective during the fall semester of 1978,
- WHEREAS, The elimination of the two hour examination period resulted in many teachers dividing their final exams into several class meetings,
- WHEREAS, This division resulted in many students having an inordinately large number of critical tests in one week,
- WHEREAS, The myriad of tests precluded the possibility of adequately preparing for said tests as a result of insufficient time,
- WHEREAS, The cumulative grade point standing of many students was affected by the afore mentioned,

Be It Proposed, that the appropriate University authorities investigate the necessity of re-instituting a final examination week.

Respectfully Submitted,

Mr. Kevin Porter,
Mr. Karl Schlichter

WHEREAS, The intervisitation policy of the University has been a concern of MSU students over the past several years, and during that time the policy has been questioned for falling short of fulfilling student needs both socially and academically,

WHEREAS, It is a function of the Student Government Association to investigate student needs and to recommend appropriate policy changes to the University in order to best meet, not only student needs, but those of the entire University community as well,

WHEREAS, The intervisitation policy and the needs and desires of the students of MSU were scrutinized during the past few years and more intently during the past semester, and a representative survey conducted by the Student Consensus Committee revealed:

- A. Eighty percent of those polled feel a need for an increase in intervisitation hours.
- B. Fifty-six percent of those polled would like to see twenty or more hours per week; thirty six percent requesting 31 or more hours per week.
- C. Sixty-eight percent of those polled expressed a desire to see an increase in hours both during the week and on weekends.
- D. Seventy percent of those polled expressed a willingness to participate in intervisitation on the weekends.

In response to this overwhelming concern,

Be It Proposed, that the SGA recommend to the appropriate University committees the institution of the following schedule for intervisitation to be implemented as soon as possible.

Tuesday	Thursday	Friday	Sat	Saturday	Sunday
8-11 p.m.	8-11 p.m.	7 p.m.-1 a.m.	2 p.m.	- 1 a.m.

"LET IT SNOW"

STUDENT GOVERNMENT ASSOCIATION MINUTES

January 24, 1979

The Student Government meeting was called to order at 5:09 p.m. by Kevin Porter, President. The roll was called by Donna Belcher, Secretary and a quorum was present. The following members were absent: Rosemary Belcher, Brenda Belcher, Kathy Litter, John Phillips, Charles Brown, John Merchant, Cindy Queen, Kim Batey, Thomas Carter, and Doug Vickers. The minutes were approved as written.

EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER said he had been fairly active this week. Kevin said Rosemary, Donna, Karl and himself met with Dr. White to discuss finals week. Dr. White said they are working on drawing up a survey to give to the faculty and students to get their feelings on finals week and what can be done about it. Kevin said the survey to the students could possibly be done through the Student Consensus Committee. Kevin said he submitted the open house bill to the Student Life Committee. Informational background material was also passed out for members to study, so it can be discussed at the meeting this Monday.

Vice-President. ROSEMARY BELCHER. Absent, no report.

Secretary. DONNA BELCHER. No Report.

Treasurer. DICK HALL reported the following balances:

Administrative	392.39
Campus Improvement	624.79
Scholarship	-0-
Special Events	\$10,887.52

Dick said the funds allocated for this semester hasn't been added to the budget.

Programs Director. KATHY LANIER said she met with Jack MacBrayer of the Associated Merchants of Morehead to discuss student discount day. Out of 43 stores, only 17 are members of the Associated Merchants. They will do a 15% discount on every item in their store, if we will handle the publicity. All stores will meet in two weeks, and Mr. MacBrayer is going to talk to the absentee owners, so there should be a definite answer in two to three weeks.

Reporter. PATI SMITH said she put posters up in the small glass case and the big outside glass case about the exhibition of sculpture, which is on loan to MSU from the Metropolitan Museum of New York. The MSU Chamber Singers will perform at the opening.

STANDING COMMITTEE REPORTS:

Open House. KARL SCLICHTER, Chairman. Karl said the committee didn't meet, since the work of last semester is being reviewed in the Committee on Student Life.

Student Consensus. CHARLES BROWN, Chairman. Chester Honaker said the committee met Thursday and are waiting on information for a survey on finals week.

REUNION UNIT DISCUSS 1ST MEETING THROUGH

FOR MEETING

Campus Improvement. TERRY REYNOLDS and VIVIAN HARRIS, Co-Chairmen. The newsletter will be distributed tomorrow. Kevin is working on a memo to Dr. Norfleet about the status of the suggestions that were received from the SGA Input Days.

Legislative Action. JULIE LUCAS, Chairman. No Report.

Entertainment. KENDRA PYLE, Chairman. Kendra said she was still waiting on a list of dates when Wetherby gym is available.

OLD BUSINESS: NONE

NEW BUSINESS: NONE

DISCUSSION: Kevin said he would keep Congress abreast of the results of the Committee on Student Life. Kevin asked everyone to ask fellow students about their feelings on the open house policy.

ANNOUNCEMENTS: Program Council is sponsoring a bus to the Morehead vs. Eastern game this Saturday. The bus will leave at 4:00 p.m. in front of ADUC.

David Conley moved to adjourn. Chester Honaker seconded the motion. The meeting adjourned at 5:20 p.m.

FROM: Buford Crager
RE: SGA Input Days' Suggestions

The following comments to each SGA Input Days' Suggestions will be mine unless otherwise stated. Some suggestions will receive little comment as the specific area of responsibility falls within another bureau, department, and/or division on campus.

Parking and Related

1. Behind Nunn, check on the possibilities of adding additional parking. (2) We determined in 1977 that 18 to 20 parking spaces can be added behind Nunn Hall.
2. The parking fines should be reduced. This issue is continually reviewed and presently is under study by the Traffic Appeals Committee.

Gary Messer, Acting Director of Safety and Security, offers the following response: Parking assessments at MSU are low compared to other universities. In comparison with Eastern Kentucky University, they are as follows:

A. Safety Regulations: Fire Hydrants, etc.	MSU \$5.00	EKU \$25.00
B. Parking in Handicapped Space	\$5.00	\$25.00
C. Parking in Reserved Spaces	\$5.00	\$20.00
D. Failure to register vehicle	\$5.00	\$ 5.00

3. Have an auto shop for students with auto problems. This idea should be discussed by the Department of Industrial Education and/or the Bureau of Fiscal Affairs.

Anna Mae Riggle, Associate Dean of Students, offers the following response: Auto mechanics class or workshop for the average car owner could be a good program. We were unsuccessful in the past to find a faculty member who would give the time after the regular class day.

January 29, 1979

4. Stop police from harassing students. (6) What police agency is receiving this accusation? There are the following police agencies in Morehead: State Police, County Sheriff's Department, Morehead City Police, and the Division of Safety and Security on campus. We want to know of any incident in which one feels (s)he has been harassed by the campus police. Any person should not hesitate to bring this concern to our attention, but we will insist that we talk in specifics and not generalities.

Gary Messer, Acting Director of Safety and Security, offers the following response: The individuals who complain about harassment from campus police probably have the definition of harassment confused with normal police duties. When a person is stopped by a police officer for a violation or warning, the person is usually not overcome with a feeling of gratitude. Acts which may seem to be harassment to one individual may be necessary for the safety of another person including his property. Police officers charged with the responsibility of their job have a challenging task. MSU police officers act within their rights and according to their responsibilities. Any allegation of harassment should be reported to our office and the allegation will receive appropriate consideration.

5. Improve parking situation by making parking stickers on a first come-first serve basis. (2) To the point we were improving and not confusing, changes of this type were implemented with the Fall Semester 1978. If improvements can be made to our present system, we will listen and act accordingly.
6. Move bike racks to convenient areas easily accessible to students and buildings. We constantly review the location and need for bike racks. We are open to suggestions as to locations, etc., and we would be happy to work with SGA in purchasing additional racks if the SGA will finance the racks as they have in the past.
7. Put traffic bumps by Normal Hall. Gary Messer, Acting Director of Safety and Security, offers the following response: I would be opposed to speed bumps in front of Normal Hall. Due to street layout and elevation, it would be hazardous during icy roads. During the Summer 1978, additional stop signs were added in this area as well as the flow of traffic was altered to provide additional safety factors.
8. Convert Security Station to an MSU information center with a large map of campus layout. Present building on Boulevard west of Howell-McDowell Building has been considered for the above function. Consideration is being given to moving this building and above functions to entrance to campus near the light at Jerry's. A map (suitability--no comment) of campus is available by sidewalk south of University bulletin board.

Dorm Life

1. Get more payphones both inside and outside. If there is a need and the cost could be justified, we would certainly consider.

January 29, 1979

2. More open house hours, make longer hours.(29) Through the recent action of the SGA, this issue is receiving proper consideration.
3. More weekend activities (i.e., disco dances).(17) Susette Dalton, Associate Director of ADUC and Advisor to ADUC Program Council, offers the following response: During the past semester (Fall '78) we had the following weekend activities:

- Two (2) Friday night dances
- Three (3) Saturday night dances
- One (1) Weekend decorating contest
- Homecoming Weekend
- One (1) Sunday night movie

There was a total of seven (7) weekend activities scheduled this past semester when there were fifteen (15) weekends in the semester. This is not a good percentage, but we need ideas. The only activity anybody has been able to come up with has been the disco dances. If weather permits this winter, we will be having some outdoor activities such as sledding, hopefully ice skating, and bonfires.

During the past semester (Fall '78) we held fifteen (15) disco dances which averaged out to just about one a week. During the latter part of the Fall Semester ('78) we had a very hard time finding someone to come in and spin the records or whatever because of the holiday season. Hopefully this spring we will be able to have a few more outside street dances along with other types of dances.

4. More laundry services in dorms - more machines.(7) Jim Morton, Director of Student Housing, offers the following response: The concern of students for more laundry service and venting of dryers presently in use was discussed with Mr. Mike Abner (Mr. Abner has the personal services contract for this service to MSU.), and he states that right now every residence hall is operating at full capacity as far as space, water hook-ups and electrical outlets are concerned. Presently, there are twice as many machines operating on campus as the contract requires. The halls that could use additional machines presently do not have the facilities to accommodate these machines. The Mignon Complex is the prime example here. At the beginning of the fall semester in Thompson Hall, an additional washer and dryer was installed. The washers and dryers that were there were exchanged and new ones were installed. Mr. Abner replaced ten washers and ten dryers during the Christmas holiday with new machines at various halls. Proper venting of the dryers is a priority at this time. We have made efforts to get venting accomplished at all residence halls. Mr. Abner has agreed to run the vent pipe to the wall or to the window and then MSU's Maintenance and Operations must put the pipe through the walls or windows to the outside.
5. Clean up mowed grass by Lakewood Terrace. We will keep this suggestion in mind during the next grass mowing season.
6. Change over from vending machines to Coke (cans) machines. Place one in Baird.(4) Mr. Jim Morton, Director of Student Housing, offers the following response: Suggestions concerning vending machines

January 29, 1979

were discussed with Mr. McKenzie of Quality Vending. (This company has the personal services contract with MSU for this service.) These same suggestions have been discussed previously, and the following problems have been presented. Quality Vending would have to hire an additional man and bring in an additional truck and increase from two to three routes if more canned soft drink machines are installed. I have found out that the can machines are not purchased by Quality Vending but are supplied by the soft drink manufacturer, in this case Coca-Cola. Mr. McKenzie advised me that there is less profit with can machines and that his main problem would be the maintenance and supply of these machines. Mr. McKenzie has agreed to start offering diet soft drinks in the women's residence halls as soon as the transition in supply can take place.

7. Place a stamp machine in dorm lobbies for those times when ADUC is closed. Jim Morton, Director of Student Housing, offers the following response: The suggestion concerning a stamp machine was discussed with Mr. Gross, Postmaster of the Morehead City Post Office. Instead of stamp machines in residence hall lobbies, perhaps the best alternative would be to increase the hours of the ADUC Post Office. Another alternative which sounds very attractive is the acquisition of the U.S. Post Office Self-Service Postal Unit. This would provide several post office services on a 24-hour basis. Mr. Gross has informed me that before such a unit can be installed at ADUC or elsewhere, he must show that at least 10,000 people over a period of a year would be available to use its services. This unit would be serviced by the post office personnel at the city post office.

Jack Henson, Director of the Division of University Center Services, offers the following response: The number one complaint I receive of services open is the University Post Office. The service window is only open 3½ hours per day, 10:30 a.m.-12 and 1-3 p.m. People stand in line during this period of time and many come needing service or assistance before 10:30; during the noon hour, and after 3 p.m.

8. Place a money changer and/or ice machine in dorm lobbies or area. At different times in the past, money changers were placed in most residence halls. The machines are expensive and were supplied by the company which had MSU's vending contract. The machines must be serviced, as well as tie up the vending company's money, and were continually vandalized. Everything connected with the use of a money changer brings expense but no income to offset the expense.

All residence halls except Fields and Thompson have the option of a refrigerator in the room. The only true justification for an ice machine would be in Fields and Thompson. Two factors that are presently being considered in regard to ice machines in Fields and Thompson Halls are (1) the electrical requirement and (2) the cost of the machine.

9. Improve Fields Hall's atmosphere. (5) Anna Mae Riggle, Associate Dean of Students, offers the following response: I wonder if removing the partitions in the lobby would help. Looking at a blank wall when

you enter the building is not very attractive. The wall is now often used as a bulletin board. The open office space is not very attractive since all supplies can be seen by everyone entering. The large trash cans, although colorful, are not especially attractive.

Jim Morton, Director of Student Housing, offers the following response: The request from five participants that the atmosphere of Fields Hall be improved evidently is in regard to the crowded feeling of the lobby, the need for it to be painted and repapered. An excellent suggestion is that the partitions in the lobby be taken down.

10. Dryers need venting in West Mignon. Refer to item #4 under Dorm Life.
11. Create a better study area in dorm lobby. The lobby of a residence hall is not considered a study area. Each residence hall has rooms specifically designated as study rooms. The library as well as a student's room are additional areas for study.
12. Women should not have to show I.D.'s to get back into dorms. The requirement is justified in an attempt to provide additional security in the women's residence halls. This issue should be discussed by the hall councils in the women's residence halls. We will consider a recommendation from the women's hall councils.
13. Paint dorm rooms so they will not be drab. Jim Morton, Director of Student Housing, offers the following response: There is presently a gathering of information as to the possibilities of instituting a room personalization program in the residence halls. We may sometime in the future permit the students to paint their own rooms within certain boundaries. An addition to this type of program could very well be the guided participation of residence hall occupants in painting corridors with murals and other societal graffiti.
14. Students should be allowed to bring their personal refrigerators to dorms. After a thorough study by the SGA and the Committee on Student Life, the refrigerator rental program was initiated with one of the provisions being that students would not be permitted to bring their own refrigerators. This area has many ramifications which I would be happy to discuss with interested parties.
15. Put a newspaper box closer to girls' dorms. Jim Morton, Director of Student Housing, offers the following response: Two suggestions which will be remedied this Spring semester with the cooperation of the necessary departments and/or persons will be the location of newspaper boxes closer to women's residence halls and the location of bicycle racks in the most appropriate places.

Grill, Cafeteria, and ADUC

1. Change grill atmosphere - speed service and put in booths.(9) The SGA as well as various committees have studied the grill and offered suggestions regarding service and the decor. Basically, if the

January 29, 1979

recommendation required minimum cost, this was implemented. Otherwise, very little has been done.

2. Lower cost of food. A reasonable comment would be to have anyone who expresses the above statement to compare prices and quality of food.
3. Quit charging for ice and water. (5) This should be addressed by John Graham, Director of Fiscal Affairs.
4. Remove big picture out of grill. Jack Henson, Director of the Division of University Services, offers the following response: This painting was purchased by SGA to add atmosphere to the grill. However, the reaction has not been that favorable. I would have no objection to its removal, but we would need a replacement as the rest of the walls are decorated with pictures.
5. Open up Cornucopia room to students. This should be addressed to Mrs. Nancy Graham, Director of this facility and program.
6. Allow for semester meal tickets. We have operated under the philosophy of maintaining a "cash as you go system" under which the students would receive the most benefit. That is, as long as the quality, quantity and cost of food was acceptable, students would purchase it. The cash as you go system provides the incentive to do the above. As many schools presently have some type of meal ticket plan, I would recommend that our food services people consider the feasibility of a meal ticket plan.
7. Keep ADUC open longer. Jack Henson, Director of this facility, offers the following response: This suggestion does not indicate what areas. This has been studied before. In the past, the references were toward the grill; that is why Alumni Tower is left open longer. We have very few customers in the grill or gameroom past 10 p.m. Our building is not designed to use or leave only certain areas open. All three floors are open and must be lighted and supervised if any one service remains open.
8. Place a reminder sign to students to clean up after themselves in the grill. Jack Henson, Director of the Division of University Center Services, offers the following response: This has been done in the past, but had little effect. Trash cans in grill are often full and there is no place to put trash.

Anna Mae Riggle, Associate Dean of Students, offers the following response: Would it be possible to get the kind of trash and tray receivers that McDonald's, Burger Queen, etc., use. They fit into the decor usually and could be placed at the exit doors.

9. Decorate the ADUC Lobby to be more attractive. Jack Henson, Director of this facility, offers the following response: We are aware of this need. We are slowly adding displays, plants, pictures, etc., as we can get them ready and afford them.

January 29, 1979

10. Bring back juices in the grill. This should be addressed by John Graham, Director of Fiscal Affairs.
11. Lengthen bookstore hours.(3) I am sure John Collis, Manager of the University Store, has continually evaluated this concern. I know he would not hesitate to extend the hours provided he could justify the expense for the services provided.

Jack Henson, Director of the Division of University Center Services, offers the following response: It may be time to consider some night services for our part-time and night students. We do get some complaints about the University Store not being open past 4:30 on weekdays.

12. Enlarge gameroom. The gameroom as well as all aspects of the ADUC in regard to providing student services has received much attention from Dr. Norfleet. Efforts have been made through his help to improve all facets of the ADUC. The gameroom has been expanded and improved considerably during the past six months.

Jack Henson, Director of this facility, offers the following response: There have been some considerations given to this suggestion. The only possible way to enlarge it would be to move the front glass wall north, taking up the lounge area. This would be a considerable expense. It would possibly involve placing a walkway and lounge in front of the stairway. I would be much in favor of this expansion. It would be an expensive project.

13. Have the women in cafeteria wear hair nets.(4) I do know the food services personnel follow the health standards to the letter. A response should be offered by John Graham, Director of Fiscal Affairs.
14. Offer a dieter's menu. Any student, staff or faculty member can request a special diet be prepared by the food services personnel. A reasonable request is always honored. A direct response to this issue should be offered by John Graham, Director of Fiscal Affairs.

Library

1. Students should be allowed to enter and exit through more than one place in the library. A response should be offered by Dr. Jack Ellis, Director of this facility.
2. Longer library hours.(16) A constant request. Response should come from Dr. Jack Ellis. He has made a thorough study of this request.
3. Get more Xerox machines to work in the library.(6) Improvements have been continually made in this regard. A response is needed from Dr. Jack Ellis, Director of this facility.
4. Tell librarians to keep quiet while students are studying. I am sure the librarians are just providing services to others which require a verbal exchange. Refer to Dr. Jack Ellis.

5. Subscribe to Mining Congress and add more to medical library. I am sure Dr. Ellis and his staff have given these issues proper attention. as they do in all areas.

Program Council - IFC

1. More weekend activities. Susette Dalton, Associate Director of the Division of University Center Services and Advisor to the ADUC Program Council, offers the following response: During the past semester (Fall '78) we had the following weekend activities:

- Two (2) Friday night dances
- Three (3) Saturday night dances
- One (1) Weekend decorating contest
- Homecoming Weekend
- One (1) Sunday night movie

There was a total of seven (7) weekend activities scheduled this past semester and there were fifteen (15) weekends in the semester. This is not a good percentage, but we need ideas. The only activity anybody has been able to come up with has been the disco dances. If weather permits this winter we will be having some outdoor activities such as sledding, hopefully ice skating, and bonfires.

Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: I realize that our students would like to have activities taking place during most of their free time which on the weekends is a good many hours. With the administrative personnel and limited finances it would be difficult to have many more activities than we have now. We could reschedule administrative personnel to work only on weekends but then we would not have them to work two days during the normal work week. The facilities which students use for activities, such as Laughlin, could be open more hours on weekends. If students want more activities, I believe they will have to become more involved in the planning and actual execution of the activities. If students want more activities on the weekend, they will have to stay on campus, support the planned activities, and promote new activities.

2. More disco dances. (17) Susette Dalton, Associate Director of the Division of University Center Services and Advisor to the ADUC Program Council, offers the following response: During the past semester (Fall '78) we held fifteen (15) disco dances which averaged out to just about one a week. The last part of the Fall Semester ('78) we had a very hard time finding someone to come in and spin the records or whatever because of the holiday season. Hopefully this spring we will be able to have a few more outside street dances along with other types of dances.
3. Charge a higher entertainment fee for better groups. Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: The students last year recommended that the Student Activity and Service Fee be \$15.00 per semester. I believe that in their recommendation, they believed that most of

the money would go for concerts. Of the \$10.00 per semester assessed this year through the Student Activity and Service Fee, only about 56% of those funds are being used for major concerts. I am not sure that more money necessarily means better groups. It could mean more concerts, however. More concerts could be hampered, however, because of the tight scheduling, especially during basketball season, of Wetherby Gym.

4. Have a constructed rush for fraternities sponsored by IFC. Clyde James, Director of the Division of Student Activities and Organizations and advisor to the IFC, offers the following response: When national Greek fraternities were rather young on this campus, we tried a more formal rush program. The men in fraternities, we well as the rushees, reacted negatively to the system. Most, if not all, national fraternities and the National Interfraternity Council prefer the open rush system. Open rush is not structured and it takes place year-round. I don't believe the men who are now in fraternities at MSU would favor a structured rush program. I also believe that the rushees would not like to go through a formal rush system.
5. Record MSU concerts on tape for later listening. Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: Contracts with the performers do not permit the recording of concerts for personal use or for later replay via radio and/or TV. They want to make money on record sales; therefore, I understand their rationale in not permitting such recordings.
6. Organize activities for married students. Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: Gene Ranvier, Associate Director of the Division of Student Activities and Organizations, and Jim Morton, Director of Student Housing, have worked during the Spring Semester ('78) and the Fall Semester ('78) to get married students interested in activities that would be geared more to them. The married student representatives did not respond enthusiastically when such activities were discussed with them. Yes, married students want some activities, but we must remember that they have responsibilities that our single students do not have, i.e., a spouse and possibly children. They do not have as much time to attend such activities as single students and possibly not enough time to plan and implement such activities. We will meet again this semester with married student representatives to discuss this issue.
 - A. A regular baby-sitting service.

This issue has been studied by the SGA, academic departments, etc. The establishment of such a service is very involved. The legal requirements, including space, facilities, personnel, etc., have served to discourage the establishment of such a service on campus at present. In regard to this type of service during university activities, Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: In my opinion, it is not the responsibility of the University to provide baby-sitting service for married students who want to attend activities. Possibly through

the SGA Programs Director, we could keep a list of people who want to do baby-sitting for pay on a regular basis. We could provide such information to the married students who may wish to use the services of the paid baby-sitters listed.

B. More regular movies.

Susette Dalton, Associate Director of the Division of University Center Services and Advisor to the ADUC Program Council, offers the following response: This past semester we had a total of fourteen (14) movies. Only two (2) movies were shown on another night besides Wednesday; one (1) was shown on Sunday and the other was shown on Tuesday. Most of the movies were priced reasonably and have been of top rated quality. For the spring semester 1979 we have scheduled seven (7) movies to again be shown on Wednesday evenings. We are now trying to improve our sound system for movies in Button Auditorium.

Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: Movies are easy activities to handle; however, they tend to be expensive. Our best facility - Button Auditorium - is just not available for only showing movies. We need a small theatre that could seat approximately 400 and would be used in the evening primarily for showing movies. It should have good acoustics and good equipment for both good visual and audio reproduction.

7. More concerts. Refer to item #3, Program Council - IFC.

Miscellaneous

1. Synchronize all clocks on campus. Man has been to the moon, walked on the moon and returned safely to earth, but, as yet, there are some things we seem incapable of doing. If we ever synchronize all clocks on campus?
2. Need a dispenser for sanitary napkins in women's restroom and also disposal bins. If this is a problem on campus (this is the first notice of such), I am sure a reasonable solution will be provided.
3. Put diet pop in women's residence hall pop machines. Refer to item #4, Dorm Life.
4. Better lighting on campus, especially by Rader and Thompson. (7) These areas continue to elicit the preceding response. We have added additional lighting in this area. The additional lighting was sufficient, unless lights have been turned off or have burned out. We will check this area again. The outside lighting on campus receives high priority from all concerned.
5. Make a smoother check cashing policy. A constant response from the students. Recently, improvements have been made. Additional work is needed in this area.

6. Do not chain doors in Combs. If this is being done, the law is probably being violated. Supposedly, repairs were to be made to the doors at Combs so this would not have to be considered by anyone. In my opinion, we cannot justify the chaining of any door of a building with anyone inside the building.
7. Provide a student hotline for those who have problems of any sort. The need and justification for a hotline for purposes just stated has been discussed yearly by the Bureau of Student Affairs personnel and the Counseling Center. To date, we have relied on the hotline provided by the SID Center (a part of the Morehead Comprehensive Care Center). Residence hall directors and student RA's (resident advisors) have posted the number in the residence hall. The number is 784-4161. This need will continue to be evaluated with an appropriate response.
8. Get a restroom in Nunn Hall lobby. The original plans for Nunn Hall included a restroom in the lobby. The restroom and other items were eliminated from the final plans in an attempt to reduce the cost of the building to meet the dollar amount appropriated for such. This is not the only hall on campus without a restroom in the lobby. I do not see any immediate relief (no pun intended) in this area.
9. Check out infirmary conditions. (5) I am anxious to identify the "conditions" referred to in the preceding statement. Every complaint in regard to the Caudill Health Clinic which comes to my attention is personally checked out by me and hopefully we have been able to provide an acceptable explanation. I invite anyone in the University community to provide me with a legitimate concern in this area and give concerned parties a chance to alleviate the problem and/or the concern.
10. Make a part of Baird open longer than other sections for practice. (3) The hours that Baird is open were changed last year in order to provide additional time for students to practice their instruments. This concern is constantly under review by Dr. J. E. Duncan, Dean of the School of Humanities, Dr. Glenn Fulbright, Head of the Department of Music, and the music faculty.
11. Turn on outside plug by Baird. This electric plug was being used for unauthorized purposes, at unauthorized times by unauthorized persons. Hopefully, the plug as well as activities associated with such will remain inoperative.
12. Improve the sound and lighting system in Button. (9) I am sure the reference here is in regard to the movies shown in Button Auditorium. I am aware of the problems in this area, but only in relationship to the showing of movies. The movie projectors are of high quality, modern, similar to the ones found in the average theatre. The SGA purchased one projector, MSU purchased the second projector. The movie screen and speakers were purchased by the SGA. Mr. Mike Keller, Director of Communications Services, provided through his area of

responsibility the amplifier and expertise in coordinating the audio, video, etc. Constant supervision is provided in this area, but the heavy use of the Auditorium results in unintentional damage to the system designed for movies. This system is separate and apart from the house system. The operator of the movie system can make a difference if (s)he is not qualified. I recommend as a top priority in the area of student activities that an acceptable lighting and sound system be provided for the showing of movies in Button Auditorium.

13. Have drinking fountains on campus. There are four outside drinking fountains on campus that come to mind, one at Allie Young Hall that has and will not work after efforts of the SGA and maintenance department to have it function and three in the area of the Breathitt Sports Center that do work. This issue should be considered by the University Campus Improvement Committee.
14. Bring back finals week. (5) Following input from all concerned, there will be a "finals week" at MSU for the Spring Semester 1979. Dr. William White, Vice President for Academic Affairs, is determined to improve on the now famous "no finals week for Fall Semester 1978."
15. The aids in Laughlin should be more available when needed and their attitudes should be improved. Concerns in this area have received the attention of Dr. James Powell, Dean of the School of Education, and Dr. Earl Bentley, Head of the Department of HPER. Where justified, appropriate measures have been taken to improve the situation. I am sure Dr. Powell and/or Dr. Bentley would be available to discuss present concern in this area.
16. Put more benches around campus and lake. This should be considered by the University Campus Improvement Committee.
17. More bike racks. (4) Refer to item #6, Parking and Related.
18. More trash cans on campus. This should be considered by the University Campus Improvement Committee. We should make better use of the trash cans presently available.
19. Paint Derrickson Agricultural Complex sign. This should be considered by the University Campus Improvement Committee if it is not already on a work list.
20. Plan a parents' weekend with activities. Clyde James, Director of the Division of Student Activities and Organizations, offers the following response: Such a weekend would be good for the entire University community. The parents could see more of the campus and get to know the personnel more closely. Brothers and sisters who might attend hopefully would be favorably impressed and want to attend MSU. In planning such a weekend, we would need to know more about the activities that the parents of our students like. If such a weekend were held, I think the last couple of weekends of the academic year or sometime during the first part of the academic year would be best because the weather conditions are usually better and activities could be planned outside. Many people from within the University would need to be involved in such a weekend.

Dr. Morris Norfleet
Page 13
January 29, 1979

Jack Henson, Director of the Division of University Center Services and Advisor to the ADUC Program Council, offers the following response: This sounds like a good suggestion. We shall discuss it in Program Council.

21. Get President Norfleet on more question and answer shows. I am sure this reference is to Crosstalk, the successful program on TV-2 and WMKY where Dr. Norfleet answers questions asked of him by members of the University community who call in the questions. I feel sure Dr. Norfleet will continue this means of communicating with the University community, but as to an increase in the frequency of programs, a number of factors have to be considered.
22. Put up a light in married dorm playground area. Each playground in the married housing areas will be studied in regard to the need for additional lighting.
23. Place "Children Playing" signs by appropriate areas. Gary Messer, Acting Director of Safety and Security, has completed part of the study for traffic signs needed on the campus with particular attention being given to the married student housing areas. This study will provide us with the information we need to improve in this area of safety. Each of us needs to be more safety minded when walking and/or driving in all areas of the campus.
24. Have a student's corner in Trail Blazer for articles, poetry, etc. I am sure the Trail Blazer staff will consider this request thoroughly.

The above suggestions from our students, made through the Student Government Association, are very positive. This is an important function of the Student Government Association, and we look forward to working with concerned parties in resolving each of the issues presented.

STUDENT GOVERNMENT ASSOCIATION MINUTES

January 31, 1979

The Student Government meeting was called to order at 5:06 p.m., by Kevin Porter, President. The roll was called by Donna Belcher, Secretary, and a quorum was present. The following members were absent: Rosemary Belcher, Charles Brown, John Merchant, Cindy Queen, Blanche Saul, Thomas Carter, Kathleen McKinney, Lisa Sayble, Doug Vickers, Wanda Watson, and Kathy Whitt. The minutes were approved as written.

SGA EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER said he had been working on the questions for finals week. Kevin said Kathy Lanter attend a meeting with Dean Wheeler to discuss finals week. Kathy went in Kevin's place, since he had another meeting at the same scheduled time. Another meeting that Dean Wheeler was in, ran over time, so the one on finals week was postponed until a later date. Kevin said the open house proposal was presented to Student Life. Kevin said he gave the history of open house, the justification of a need, and the extra cost, and the load on the dorm directors. Next week, Kevin said he would have to explain the questions on the survey and the validity of the survey. Kevin asked to speak to everyone who distributed the survey.

Vice-President. ROSEMARY BELCHER. Absent.

Secretary. DONNA BELCHER. No Report.

Treasurer. DICK HALL reported the following balances:

Administrative	392.39
Campus Improvement	624.79
Scholarship	-0-
Special Events	10,887.52

Programs Director. KATHY LANTER said she received a call from Mrs. Davenport. She wants girls to use the telephone to sell books which have been put out by merchants. Also, she wants guys to work so they can deliver the books. If anyone is interested, contact Mrs. Davenport at room 100 of the Holiday Inn. Workers will be paid \$2.90 per hour.

Reporter. PATI SMITH. No Report.

SGA STANDING COMMITTEES:

Open House. KARL SCLICHTER, CHAIRMAN. Karl said the committee didn't meet, but will probably meet in conjunction with Student Consensus, to go over the survey.

Student Consensus. CHESTER HONAKER said the committee worked on the questions for the finals week survey.

Campus Improvement. TERRY REYNOLDS and VIVIAN HARRIS, Co-Chairmen. Vivian said they would be meeting Monday, and a new project will be planned.

Legislative Action. JULIE LUCAS, Chairman. No Report.

Entertainment. KENDRA PYLE, Chairman. Kendra said there would be a meeting Monday at 5:00 and urged everyone to attend. Kendra said she has been working on possible concerts for the next few months. Kevin said everyone is responsible for entertainment, so come in and help when you can.

OLD BUSINESS: NONE

NEW BUSINESS:

Kevin received a letter from the Jazz Clinic asking SGA to donate \$500.00 so all students will be admitted free. The clinic will be held April 21, 22, 1979. The clinic has had some very good jazz musicians attend the clinic in the past. Kathy Lanter moved to donate \$500.00 from the Special Events Fund for the Jazz Clinic, so that all MSU students will be admitted free. Kevin asked for the approval of the following appointments: Student Life - Mike Chadwell and Dwayne Hemphill; University Senate - Keven Sturgill, who is replacing Evan Perkins as a Humanities representative. The appointments were approved.

DISCUSSION:

Kevin received a letter from Glen Fulbright, who said a committee is being formed to come up with a new design for the band uniforms. Mr. Fulbright wants someone from SGA to be on that committee. Kevin said he received material on a Student's Rights and Legal Plans Conference at the University of Maryland. It would cover things such as: student's rights as an individual, student's rights as a rentor and other things students will run into. Kevin said he felt someone from Student Government should attend the conference. Kevin said if anyone was interested, talk to him after the meeting or sometime this week.

ANNOUNCEMENTS:

Dean James said the exhibition of sculpture in the Claypool Young Art Gallery is excellent. He recommended that everyone go see it. Kevin said he received several letters commenting on open house and their approval of the new proposed open house policy.

Terry Yates moved to adjourn. Paul Hereford seconded. Meeting adjourned at 5:27 p.m.

Respectfully submitted,

Donna Marie Belcher

OFFICE OF THE
PRESIDENT
RECEIVED
STUDENT AFFAIRS
FEB 5 12:00 AM 1979

MOREHEAD STATE
UNIVERSITY

Dear Kevin:

When you sent me the SGA list of suggestions for improvement, I circulated this entire list to each administrator responsible for a bureau on campus. I have asked them to respond to the suggestions made to see what could be done. Attached herewith is a rather lengthy and detailed memorandum of explanation of the points that pertain to the area of Student Affairs. I would suggest that you read my comments which will be in addition to what Dean Crager and his people have prepared and circulate the responses to the student population. I will only respond to the items that I wish to comment on in addition to what Dean Crager has said.

Parking and Related Problems

1. Behind Nunn, check on the possibilities of adding additional parking. The suggestion was that more spaces be added behind Nunn Hall. We checked on this originally and determined that there was a possibility of adding some spaces. When we checked the contour of the land and the possibility of extreme erosion, we felt it would create a problem at the time we were trying to solve another. Instead, we have tried to create parking spaces in other areas on campus and are still studying the possibility of something adjacent to Nunn Hall to relieve the problem in that area. You will probably be hearing more about that in the future.
3. Have an auto shop for students with auto problems. I would suggest that you talk with Mr. George Eyster, who is Director of Continuing Education on campus, and suggest the possibility of an auto course for students. This has been offered in the past and we have had a number of students who wanted to take a short course in that area.

Mr. Kevin Porter
Page 2
January 31, 1979

8. Convert Security Station to an MSU information center with a large map of campus layout. We have developed specific plans for adding an information center on campus. We originally thought about the possibility of moving the existing facility but found that it would be impractical or nearly impossible to do so. We will be constructing an information center on the east end of campus sometime in the future whenever money is available to do so.

Dorm Life

3. More Weekend Activities. I agree with Dean Crager, if we could get more suggestions of what could be done that students would participate in and support, the activities would be possible I am sure.
6. Changeover from vending machines to Coke (cans) machines. This will be under study, and we will talk to Mr. McKenzie again of the Quality Vending to see what can be done in this area. You will note that Mr. McKenzie has agreed to start offering diet soft drinks in the women's residence halls as soon as the transition in supply can take place.
7. Place a stamp machine in dorm lobbies for those times when ADUC is closed. We will check and evaluate the need for additional hours at the post office, and, if this can be justified, will move to provide this service.
8. Place a money changer and/or ice machine in dorm lobbies or areas. As Dean Crager has said, it is impossible to keep money changers in operation because of vandalism. If you can figure some way that we can prevent this, then we can in fact use a money changing machine. We only have two dormitories where ice machines would be practical because of refrigerators in the other dorms. However, at the present time, the wiring systems in Thompson and Fields Halls will not permit any additional electrical requirements.
9. Improve Fields Hall atmosphere. As soon as a plan is presented to me of what can be done to improve the attractiveness of the lobby area, it will be considered.

Grill, Cafeteria, and ADUC

3. Quit charging for ice and water. I will explore this with John Graham, Director of Fiscal Affairs.
5. Open up Cornucopia room to students. The Cornucopia Room was never established as a student dining room but rather as an experimental dining room where different recipes are tried and the meals have to be more expensive because of the experimental nature of this. It is not for the general student population and is not of the size that would permit that anyway.

Mr. Kevin Porter
Page 3
January 31, 1979

6. Allow for semester meal tickets. We had a student and administrative committee appointed to study this whole area, and it was decided that the food was cheaper to go on a cash-as-you-go system. The students desired to have it remain as it is. If there is a strong desire to look at the meal-ticket plan, we would be happy to do so because it would be to the University's advantage to have a meal-ticket plan.

10. Bring back juices in the grill. This will be explored to see why the juices were eliminated from the menu and see about the possibility of bringing these back. In terms of the total food area, I find many items listed here which are not valid complaints at all, such as item 14 (Offer a dieter's menu). Any student who has a problem and needs a special diet can go to the cafeteria and get this prepared.

Instead of continuing to go through each item and respond to these, I think Dean Crager has done a good job of responding, and I would suggest that you, as the Student Government Association, study these suggestions. If there are specific action points that can be taken, we will move the changes as rapidly as possible.

I will be happy to meet with the Student Government Association to discuss this paper in its entirety along with people from Student Affairs if you have a desire for us to do so. However, I would like to strongly encourage you to set up a communications network to communicate back to the student population who made these suggestions that their suggestions have been duly considered and of the action which has been taken or can be taken or the lack of any action at all. You as a Student Government Association owe this to your constituency to communicate with them.

I look forward to hearing from you on this matter, Kevin.

Yours truly,

Morris Norfleet

The Student Government meeting was called to order at 5:09 p.m. by Kevin Porter, President. The roll was called by Donna Belcher, Secretary and a quorum was present. The following members were absent: Rosemary Belcher, Pati Smith, John Phillips, Minnie Ballou, Charles Brown, Penne Hemsath, Terry Reynolds, Cindy Queen, Blanche Saul, Chester Honaker, Kim Batey, Thomas Carter, Kathleen McKinney, Lisa Sayble, Dough Vickers, and Kathy Whitt. The minutes were approved as written.

SGA EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER said he presented the defense of the open house survey to the Committee on Student Life. The committee asked for correlations to be ran on those students who lived in residence halls only, and compare their answers to the overall survey. Several people showed interest in attending the Legal Rights Convention. Kevin said he would have an appointment by next week.

Vice-President. ROSEMARY BELCHER. Absent

Secretary. DONNA BELCHER. No Report.

Treasurer. DICK HALL reported the following balances:

Administrative	(\$196.08)
Campus Improvement	622.14
Scholarship	-0-
Special Events	\$10,387.52

Programs Director. KATHY LANTER said she was still working on Student Discount Days. Kathy said the merchants had another meeting last night, but she hasn't heard the result of the meeting, since Mr. MacBrayer had to go out of town today.

Reporter. PATI SMITH. Absent.

SGA STANDING COMMITTEES:

Open House. KARL SCLICHTER, Chairman. No Report.

Student Consensus. CELINA LOZELL said the committee met Thursday to discuss the finals week survey and changed the last question, so students could understand it better.

Campus Improvement. TERRY REYNOLDS and VIVIAN HARRIS (Co-Chairmen) said the committee met Monday and got a lot accomplished. The newsletter didn't go out this week, but will go out next Wednesday. This newsletter will have the hours that certain offices on campus are open. Starting February 19, there will be a weekly salute to a certain department on campus. The first weekly salute will be to the Art Department. Kevin said he received a response from Dr. Norfleet about SGA Input Days and that he will share this information with the Campus Improvement Committee.

Administrative	(\$196.08)
Campus Improvement	622.14
Scholarship	-0-
Special Events	\$10,387.52

The minutes of the meeting were approved as written. The meeting adjourned at 10:00 p.m.

Legislative Action. JULIE LUCAS, Chairman. Julie said the committee met Tuesday and verified the proposals.

Entertainment. KENDRA PYLE, Chairman. Kendra said the committee had an upcoming bill under new business today.

OLD BUSINESS: NONE

NEW BUSINESS:

SGA*2-7-79*18. The Entertainment Committee proposed that they be empowered to investigate and solicit contracts from Natalie Cole at \$23,000, Orleans/Firefall at \$7,500, and Charlie Daniels Band at \$7,500. A majority of the discussion centered on which group would be the best possibility, or if we charged a small admission fee to the students, would it be financially possible to have all three of the groups, or at least two good ones. Everyone agreed that a concert is needed before Spring Break. Kendra said the groups weren't available to March. SGA*2-7-79*18 passed unanimously.

SGA*2-7-79*19. John Merchant proposed that SGA allocate \$5000 from the Special Events Fund to sponsor a prominent speaker for Black Awareness Week from the following list: Julian Bond, Andrew Young, Thurgood Marshall, Coretta Scott King, Barbara Jordan, Charles Rangel, Ed Bradley, Benjamin Hooks, Jesse Jackson, Edward Brooke, Julius Erving, and Walter Mondale. The motion was seconded by Wilnetta Overstreet. Kendra commented that several of these may not be available. Dean Stephenson asked if it meant that SGA allocate up to \$5000. Dean James asked if John meant that SGA would sponsor the lecture like Mordey Safer, except it would be during Black Awareness Week. John said yes to both questions. It was asked if the \$5000 was allocated, would there be enough money left to have two good concerts. It would be cutting it very close. Motion was voted on and a division of the house was called. Hand vote was taken - 7 yes, 11 no. SGA*2-7-79*19 failed.

SGA*2-7-79*20. The Executive Committee proposed that SGA appropriate \$500 from the Administrative Fund to the Miss MSU Scholarship Committee to be used for scholarships and awards.

SGA*2-7-79*20 passed unanimously.

DISCUSSION:

Sandy Lanter said they talked about physical fitness in the Campus Improvement meeting last week. She wanted to know what would be in the athletic complex. Dean Stephenson said the plans had been changed some, so he wasn't sure as to what would be in it. Karl Schlichter asked if there was any student input on what should be built in the complex, when the plans were drawn up. He felt that some one from the Executive Committee or SGA should of had an input.

Kathy Lanter asked who she would need to see about getting plexy glass put in the hall ways of the Mignon Complex. Dean Stephenson said she would have to talk to Glen Brogry.

Kendra said she appreciated the input in the meeting tonight. She stressed that this was the kind of input she needs. She urged everyone to attend the meeting. Markham French said it wasn't important who we got for a concert, as long as we keep the variety of music.

Vivian Harris moved to open the floor for Ted Schumacher to discuss the hours that the pool is open. Sandy Lanter seconded the motion. Congress approved the motion. Ted said the pool is now open 6:30 p.m. - 9:30 p.m., Monday through Friday, and 1-4 on Saturday. He suggested the pool be open in the morning before classes.

SGA MINUTES--PAGE 3

Celina Lozell asked if a lifeguard would have to be present if the pool was open at 6:00 in the morning. Dean Stephenson said there would have to be a certified lifeguard present before the pool would be open. Celina Lozell moved to bring the orders of the day back. Dick Hall seconded the motion. Motion passed.

ANNOUNCEMENTS:

Kathy Lanter urged everyone to attend the Rape Awareness movies in Butt n. Vivian Harris said AER will be selling popcorn for the March Eastern game. Sandy urged everyone who is in an organization to send in their announcements for the newsletter.

Dean Stephenson said the game scheduled for tomorrow night has been re-scheduled for February 14. Also, there is a Las Vegas and Valentine's Disco Dance in the Crager Room from 8-12.

Dean James wished Donna, Kendra, and Markham a good trip and hoped that they will learn a lot. Kevin entertained a motion to adjourn. Celina Lozell seconded. The meeting adjourned at 6:08 p.m.

Bon Voyage,

Donna M. Belcher

STUDENT GOVERNMENT ASSOCIATION MINUTES

February 14, 1979

The Student Government meeting was called to order at 5 p.m. by Kevin Porter, President. The roll was called by Rosemary Belcher, Acting Secretary, and a quorum was present. The following members were absent: Donna Belcher, Brenda Belcher, Kathy Litter, John Phillips, Mary Westermeyer, Charles Brown, Kendra Pyle, Bonnie Hemsath, John Merchant, Wilnetta Overstreet, Cynthia Queen, Blanche Saul, Doug Vanover, Kim Batey, Thomas Carter, Paul Hereford, Kathleen McKinney, Doug Vickers, Wanda Watson, Kathy Whitt. Donna Belcher, Kendra Pyle, and Markham French are in Kansas City attending the NEC. Refer to New Business about the appointments.

SGA EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER talked to Dean Wheeler about the survey concerning finals week. Dean Hicks will administer the survey. Kevin said he presented the enclosed results of the SGA Open House Survey to the Student Life Committee Monday. The Student Life Committee plans to invite the Dorm Presidents and the Dorm R.A.(s) to the meeting to discuss the open house survey.

Vice-President. ROSEMARY BELCHER said that Mark Owen is representing Paul Hereford. She reminded the representatives that they cannot vote nor can they speak unless the floor is moved to do so.

Secretary. DONNA BELCHER is attending the NEC.

Treasurer. DICK HALL reported the following balances:

Administrative	(\$ 861.68)
Campus Improvement	622.14
Scholarship	Inactive
Special Events	9910.52

Reporter. PATI SMITH. No report.

Programs Director. KATHY LANTER reported that the Student Discount Day will be held on March 28 with a 15% discount.

SGA STANDING COMMITTEE REPORTS:

Open House. Karl Schlichter, Chairman. Karl said that he was optimistic about how things are going with the open house hours in the Student Life Committee.

Student Consensus. Chester Honaker stated that they will meet tomorrow at 1:30 in the SGA Office to discuss the finals week survey.

Campus Improvement. TERRY REYNOLDS AND VIVIAN HARRIS, Co-chairmer Vivian Harris said that the Newsletter is out. She also said that Greg Loomis said that the Morehead News is going to print the article about Salute The Arts Week.

Legislative Action. JULIE LUCAS, Chairman. Julie said that we have one proposal under New Business today.

Entertainment. Kendra Pyle, Chairman. Kendra is attending the NEC. Kevin said that Natalie Cole costs too much. Her act would cost approximately \$29,000. Karl Sclichter moved to open the floor to allow non-congress members to speak. Motion passed. A great deal of discussion followed about the concerts. Students suggested that a survey be conducted to determine what style of music most students want, to use mass media to publicize concerts, and to get groups that are traveling in the area. Kevin explained that it is difficult to get a concert because of the monies available. He also said that in order to assure enough seats for students that concerts cannot be publicized state wide.

SUBJ: Standing Membership on Concert and Lecture Series Committee

Recently, you informed me of a vacancy on the Concert and Lecture Series Committee that occurred when Douglas Glenn Wylie finished his master's degree last December. In the Student Government Association meeting on February 14, 1979, Markham A. French, Regents Hall Box 1890, phone 783-3188, was appointed and approved to fill the aforementioned vacancy.

If I can be of further assistance, please feel free to contact me.

STUDENT GOVERNMENT ASSOCIATION MINUTES

February 21, 1979.

The Student Government meeting was called to order at 5:06 p.m. by Kevin Porter, President. The roll was called by Donna Belcher, Secretary and a quorum was present. The following members were absent: Brenda Belcher, Bill Callihan, Kathy Litter, ~~John Phillips~~, Mary Sue Westermeyer, Kendra Pyle, David Conley, ~~Wilnetta Overstreet~~, John Edwards, Chester Honaker, Thomas Carter, Kathleen McKinney, Franklynn Smith, Lisa Sayble, Doug Vichers, Wanda Watson, and Kathy Whitt. The minutes were approved as written.

SGA EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER said the Committee on Student Life didn't meet Monday, because of the holiday. Kevin said he is working on distributing a pamphlet to each room about the open house bill, what is happening as far as the bill is concerned, a copy of the results of the survey, and a list of the dorm presidents. This Monday dorm presidents will be invited to the Committee on Student Life meeting. Kevin said he wanted to inform the students about the open house bill, so they can contact their presidents, and they can give their presidents, and they can give their opinions at the Student Life meeting. Kevin said he received a letter from Dean Wheeler about the finals week survey and it is under way.

Vice-President. ROSEMARY BELCHER said several committees met this week, and some members have requested to be changed to different committees.

Secretary. DONNA BELCHER said the Conference in Kansas was very good, and that it was worth the money to send them to Kansas City. Donna said they attended a lot of sessions, showcases and talked to a lot of agents. Markham French said Cy Timmons, Blue Seals Band, Josh White were several of the good entertainers that they saw. There were a lot of comedians there, like--Elaine Boosler, Tom Parks, Bobby Keltan, and Edmond and Curly.

Treasurer. DICK HALL reported the following balances:

Administrative	(\$1411.68)
Campus Improvement	622.14
Scholarship	Inactive
Special Events	\$9,910.52

Reporter. PATI SMITH. No report.

Programs Director. KATHY LANTER said Mr. Mac Brayer said the Student Discount Day would be March 28, 1979, Kathy said most of the stores would be giving a 15% discount, except for

the grocery stores and the highest they can go is a 10% discount. Kathy said she will know by Friday all the stores that will be participating in the Discount Day. If anyone wants a job at the Bookworm, you have to apply at Man power Services.

SGA STANDING COMMITTEES REPORTS:

Open House. KARL SCLICHTER, Chairman. No report.

Student Consensus. MINNIE BALLOU said the committee met Thursday at 1:30 and discussed a possible survey for entertainment. Minnie said it wouldn't benefit is this semester, but maybe next semester. The committee will meet tomorrow at 1:30. Kevin asked for feedback on a survey for entertainment. Sandy Lanter asked if the survey would be taken this semester. Terry Yates felt that it would be beneficial to do a survey and use it as a reference. Kathy Lanter said the whole concert situation should be explained, so students will understand it.

Campus Improvement. TERRY REVNOLDS and VIVIAN HARRIS, Co-Chairmen. The committee met Monday at 5:30. Vivian said the newsletter will be late next week because of the holiday. Vivian said spots are being done on WMKY to promote the newsletter and Campus Improvement. The salute to the Art Department is next week. The committee has a bill under new business.

Legislative Action. JULIE LUCAS, Chairman. Julie said there are tow bills under new business.

Entertainment. KENDRA PYLE, Chairman. Kendra had rehearsal for the Hobbit and was unable to attend. Dean James said he made an offer for the Charlie Daniels Band for April 10. This was the best date. Our problem is having to work around spring break. Donna said several agents were contacted about possible groups, but hardly anyone is available.

OLD BUSINESS: None

NEW BUSINESS:

SGA*2-21-79*22. The Campus Improvement committee proposed that SGA allot \$30 from the Campus Improvement fund to purchase a print in a gesture of our support for the Kentucky Special Olympics. Vivian said it would help support the Special Olympics and it is really worth the money. Karl Sclichter made a friendly amendment that nine additional prints be purchased at \$15 (total \$165.00) to be placed in dorms that house students for Special Olympics, Vivian accepted the friendly amendment. SGA*2-21-79*22 passed unanimously.

SGA*2-21-79*23. John Merchant proposed that SGA allocate \$2,500 from the Special Events Fund to sponsor a prominent speaker for Black Awareness Week from the following list: Julian Bond, Andrew Young, Thurgood Marshall, Ed Bradley, Benjamin Hooks, Jesse Jackson, Edward Brooke, Julius Erving,

Walter Mondale, Coretia Scott King, Barbara Jordan, and Charles Rangel. Karl Sclichter seconded the motion. Karl felt that it would be good to have a prominent speaker on Campus. Markham French made a friendly amendment to add an additional \$500.00 to make it a total of \$3000.00. John Merchant accepted the friendly amendment that it read up to \$3000.00. John Merchant accepted the amendment. John said if they didn't need all of the \$3000, they wouldn't keep the remainder. SGA*2-21-79*23 passed unanimously.

DISCUSSION:

Kevin said the cheerleaders and himself are trying to generate a pep rally for the Eastern Game. Kevin said they want people to come to the game about an hour early and get a pep rally started then.

ANNOUNCEMENTS:

Dean James said the bookstore is selling t-shirts with Beat Eastern on it. If you will bring it back clean, they will put the score on it. Also, a fraternity is doing this in Cartmell.

Donna said Program Council is sponsoring a blue and gold dance Saturday from 8-12 in the ADUC Grill. Also, everyone is to wear blue and gold to the game.

Karl Sclichter urged everyone to go to the game and show a lot of school spirit.

Kevin entertained a motion to adjourn. The meeting adjourned at 5:50 p.m.

Respectfully submitted,

Donna Belcher

February 21, 1979

Dear Fellow Students,

On January 17 of this semester the Student Government Association passed a proposal recommending the extension of open house ~~from~~ six hours per week to twenty-five hours per week (see attachment A). The proposal was predicated upon the results of a survey administered by the Student Consensus Committee in the Fall Semester of 1978. (see attachment B). The survey sampled a randomly-chosen, cross-section of the student population in order to obtain a representative opinion of the campus at large.

The matter is now being discussed by the Committee on Student Life. In an effort to learn more of student opinion concerning Open House, the committee is inviting the President of each Residence Hall Council to attend the committee meeting on February 26th. It is in light of this that I am soliciting your help. Please take a few minutes of your time and let your residence hall president know your feelings about open house. A list is provided in attachment C, so that you will know who to contact in your residence hall. Simply call, leave a note or stop by his/her room and let your opinions be known. You can make the difference in what changes will occur in the open house policy.

The Committee on Student Life will make a recommendation to Dr. Norfleet sometime this semester. Dr. Norfleet then has the options of acting upon it himself or submitting it to the Board of Regents.

I will keep you informed of the progress of the issue during the remainder of the semester. Please take the time to let us know your opinions.

Yours in this attempt to improve
the social atmosphere at Morehead,

Kevin P. Porter, President
Student Government Association

SGA*1-17-79*17

WHEREAS, The intervisitation policy of the University has been a concern of MSU students over the past several years, and during that time the policy has been questioned for falling short of fulfilling student needs both socially and academically,

WHEREAS, It is a function of the Student Government Association to investigate student needs and to recommend appropriate policy changes to the University in order to best meet, not only student needs, but those of the entire University community as well,

WHEREAS, The intervisitation policy and the needs and desires of the students of MSU were scrutinized during the past semester, and a representative survey conducted by the Student Consensus Committee revealed:

- A. Eighty percent of those polled feel a need for an increase in intervisitation hours.
- B. Fifty-six percent of those polled would like to see twenty or more hours per week; thirty-six percent requesting 31 or more hours per week.
- C. Sixty-eight percent of those polled expressed a desire to see an increase in hours both during the week and on weekends.
- D. Seventy percent of those polled expressed a willingness to participate in intervisitation on the weekends.

In response to this overwhelming concern,

Be It Proposed, that the SGA recommend to the appropriate University committees the institution of the following schedule for intervisitation to be implemented as soon as possible.

Tuesday
8-11 p.m.

Thursday
8-11 p.m.

Friday
8 p.m.-1 a.m.

Saturday
2 p.m.-1 a.m.

Sunday
2 p.m.-5 p.m.

A total of 25 hours per week, on an alternating weekly schedule between women's and men's residence halls.

Be It Also Noted, that the SGA recommend that any necessary funding for this increase be taken from the monies derived from the residence hall room fee assessed each student.

Respectfully submitted,

Karl Schlichter, Chairman
Open House Committee

STUDENT GOVERNMENT ASSOCIATION MINUTES

February 28, 1979

The Student Government meeting was called to order at 5: 08 p.m. by Kevin Porter, President. The roll was called by Kathy Lanter, Acting Secretary and a quorum was present. The following members were absent: Bill Callihan, John Phillips, Charles Brown, Kendra Pyle, Terry Yates, John Merchant, Mike Chadwell, John Edwards, Blanche Saul, Tom Carter, Markham French, Kathleen McKinney, Franklynn Smith, Dough Vickers and Kathy Whitt. The minutes were approved from the following meeting with two corrections- Wilnetta Overstreet and John Phillips were incorrectly listed as absent from SGA EXECUTIVE COMMITTEE REPORTS:

President. KEVIN PORTER said that at Monday's student life meeting the dorm presidents attended and discussed their views about open house. After Spring break the dorm directors will meet and discuss their views about open house with the Student Life Committee. Blanche Saul met with Kevin to discuss problems in married housing. Kevin said that next Thursday is Founders Day and that Bill Monroe will speak at 10:20. Monroe is a well known newscaster and journalist and Kevin urged everyone to attend. MSU appreciation week is next week.

Vice-President. ROSEMARY BELCHER. Absent-no report.

Secretary. DONNA BELCHER. Absent- no report.

Treasurer. DICK HALL reported the following balances:

Administrative	\$ 1577. 28
Campus Improvement	457.14
Scholarship	Inactive
Special Events	9907.57

Reporter. PATI SMITH said she made a sign that wish the men and the women KWIC basketball teams good luck.

Programs Director. KATHY LANTER said that she had contacted Mr. Mcbrayer again and she would know all the stores by next meeting. Kathy said that most stores are giving a 15% discount, but some stores were also giving a 10% discount and a discount on selected items. There are tentively 22 stores participating but she will know all of them by next Wednesday.

SGA STANDING COMMITTEES REPORTS:

Open House. KARL SCLICHTER, Chairman. No Report.

Student Consensus. CHARLES BROWN, Chairman. No Report.

Campus Improvement. TERRY REYNOLDS AND VIVIAN HARRIS, Co-Chairmen. Vivian announced that the committee will now meet on Thursday at 3 p.m. She also said that campus improvement is looking into purchasing trash cans for around campus and ice machines for the dorms and that both ideas were suggestions given to them during Campus Improvement suggestion day.

Legislative Action. JULIE LUCAS, Chairman. Julie said there is one bill on the agenda for today and that starting next week her committee will be working on rules and times for the new elections.

add more of the price to non students. It was suggested that 1,000 tickets be opened to the general public and that \$5 be set for tickets to the general public and students be let in free. David Conley suggested advertising off campus. Dean James said that we could on radio and t.v.

OLD BUSINESS: None

NEW BUSINESS:

SGA *2-28-79*24 The Executive Committee proposed that Sga allot \$240 to send 40 pep band members to the game on Friday and Saturday nights to help generate spirit at \$3 a bleacher seat for both nights.

SGA*2-28-79*24 Passed Unanimously.

~~Harry~~ ~~Arnold~~ motioned that SGA send a telegram to the team with our support. Patti Smith seconded. Motion passed unanimously.

DISCUSSION:

Sandy Lanter said that the Spanish program has been dropped and a few people may have to transfer. She feels that the open door policy this University always talks about is indeed a closed one. Kevin suggested that SGA send a letter with our distaste for it. Dean Stephenson suggested that Sandy talk it over with the Head of that Department, and also talk with Steve Taylor about her wanting to take the KLEP examinations, and he cannot understand why it was not administered. Kevin said he would look into it as far as he can. Mary Sue Westermeyer said that Dr. White told ~~Dr.~~ Dr. Moruino to tell her students to transfer if they wanted to major or minor in Spanish. Kevin said that he would look into it as far as he can.

Dean James said that the prints for Special Olympics are in his office.

Julie Lucas has rules for the election and if you want any changes see her.

Dean asked if a speaker has been contacted yet for Black Awareness week.

Kevin expressed his appreciation for the Dorm presidents for all their work and time on open house.

Dean Stephenson said that if tickets for the ballgame are sold above the price of \$3 this is scalping. Earl Schlichter asked if any additional tickets will be sold/ Dean Stephenson said that to his knowledge all tickets have been sold. Dean James said Sat. night tickets leftover will go on sale tomorrow at Eastern.

ANNOUNCEMENTS

Paul Hereford announced that a Coffee house from 8:30-11:30 will be in ADUC grill this Saturday night.

Vivian announced that AERho will sell pompoms at the dance and here before the game.

Jade Adams announced that Thomposon hall will have a dance with Regents and Cooper tonight.

Sandy Lanter said that the BSU will sell seats for Florida at \$35 to outsiders this includes most meals.

There will be a disco dance thursday from 8-11p.m.

Dean Stephenson said to give credit to the school spirit to the pep band and to the students. He announced that the recruits there were very impressed.

Today is Dean James Birthday.

Meeting adjourned at 5:50 by singing Happy Birthday to Dean James. Kevin entertained this motion to adjourn.

SGA proposes 25 hour open house

A proposal increasing the number of open house hours to 25 per week was passed at last Wednesday's SGA meeting, and has been forwarded to the MSU Student Life Committee for review.

The SGA bill was drawn up by the Open House Committee based on the results of a student survey circulated last semester. The representative sampling of 400 students showed that 79 percent favored an increase in the number of open house hours, and 54 percent said they would be willing to be assessed a fee of between three and five dollars per semester to fund an increase.

The proposed schedule for increased visitation from the current six hours a week is as follows: Tuesday, 8 to 11 p.m.; Thursday, 8 to 11 p.m.; Friday, 8 p.m. to 1 a.m.; Saturday, 2 p.m. to 1 a.m.; and Sunday, 2 to 5 p.m.

The visitation would continue on an alternating weekly basis between

men's and women's residence halls (at least three Kentucky universities have concurrent open house in both).

The SGA bill also recommends that any necessary funding needed for the proposed increase be taken from "monies derived from the residence hall fee assessed each student".

After the plan was submitted to the Student Life Committee on Monday, Chairman Buford Crager instructed committee members to study collected material on open house visitation. According to SGA President Kevin Porter, the Student Life Committee may choose to initiate a "mass" student survey before making any decision on the SGA proposal.

Student Life has the power to edit or revise such proposals before making any recommendations to President Morris Norfleet.

Porter, a member of the committee, said he intends to make sure Student Life acts on the proposal in a reasonable length of time.

Perkins assisting Ford

Evan Perkins, West Liberty senior, will be learning the inner workings of the U.S. Senate beginning in January.

He has been selected for a spring semester internship in the office of U.S. Sen. Wendell Ford, D-Kentucky.

"I'm not sure about my specific duties in Sen. Ford's office," Perkins said. "I will be involved in independent research as part of my academic work at MSU and, of course, other duties will be assigned by Sen. Ford and his senior staff members."

Perkins, a pre-law major with plans for law school or public service, was

awarded the internship recently by applying to Sen. Ford's office.

"I had heard of these internships and decided after visiting Washington that I should apply," Perkins added. "I think the experience will be very valuable."

He currently is serving his second term as the student member of MSU's Board of Regents and is former president of the Student Government Association. Also, he was a runner-up in recent competition for the Colley Award, a national leadership award of Theta Chi Fraternity.

'Finals week' to be reviewed

By GREG LOOMIS

For those students and faculty members who found the last week of the fall semester to be a living nightmare there's good news: a change is in the works.

The decision to drop the "finals week" system, in which classes were scheduled for special two-hour testing sessions, was made a year ago, but did not go into effect until this past semester. Administrators in Academic Affairs felt finals week was unnecessary — that few professors give comprehensive exams requiring the two-hour period. It was also felt that an extra week of regular classes would allow teachers to cover more material, and allow them greater freedom in arranging testing.

As it turned out, however, both faculty and students found there was less time to do more work in many instances. Students had less free time to study, and many faced as many as five exams in one day. Some teachers who gave comprehensive exams required students to take them in consecutive class sessions. Many teachers put in long hours meeting classes, grading tests and trying to meet the deadline for turning in final grades.

According to Dr. William White, vice president for Academic Affairs, the system is being reviewed. And since last year's decision was mainly an administrative one, faculty and the SGA are involved in discussions on the issue.

"It hasn't coalesced in anything we can report at this time," White said, "except for a suggestion that perhaps in two

or three weeks we'll have recommendations approved by the president that will carry us forward to allow some kind of change to take place."

White met with SGA representatives last week to discuss finals procedures and other academic matters. SGA passed a resolution last Wednesday asking the university to readopt the former finals system or "a suitable alternative," according to President Kevin Porter.

One particular problem reported was professors who required students to attend extra class sessions, including Sunday meetings. When asked if a teacher could make such a requirement, White answered a flat "No."

In elaborating, White noted that a new student grievance procedure devised by a University Senate committee last May will be acted upon soon.

The current procedure, as outlined in the Eagle student handbook, simply states students should consult the professor involved, followed by (if necessary) the department chairman.

school dean, the dean of Academic Programs, the vice-president of Academic Affairs, and, finally, the president.

The Senate plan involves 13 separate, detailed steps to follow in making a complaint. White said the plan needs to be tightened, but is basically a good approach. "It would be an estimate, but I would think the president will have some action on this certainly within two or three weeks."

White says two points must be considered in student complaints. "You have student rights and faculty rights. Changing grades, this type of thing, is a very complicated, sensitive issue in the academia," he noted.

A new academic policy increasing the

maximum course load students may take has been approved by President Morris Norfleet. According to White, students may now take up to 18 credit hours a semester without special permission, instead of the previous 17-hour limit.

Students wishing to take more than 18 hours will need the permission of their adviser and academic vice president. White said the university has many outstanding students who should not be held back by the 17-hour limit, and admitted that the number caused difficulties when considering three-hour classes.

January registration "went exactly as planned" from an academic affairs view, White commented. He said the use of three computer terminals made

increased to 18 hours

processing drop/add and class listings faster than ever before.

The biggest holdup during the registration involved long lines at the financial aid tables. Elmer Anderson, director of financial aid, said that additional alphabetical divisions at the

tables would be one solution to the problem in the future. He said students requiring financial credit to enroll caused the most delays, and added that his department is constantly reviewing methods to make the financial aid process over more smoothly.
