For the Mayarille EagaMEROBELECK

Wheree'er though earth a man may roam,
Wheree'er his ful be crax;
When come his form of the full.

Some menvice of the fear order gone,
Will linger 'tomal his bears,
Some dream of pry 6 forcer flawn,
He may not bul begart.

flow of the mind goes wandling To scenes departed long.— How wildly, up life's misty track. The recollections throng:

Along the path of bys-gone days What shad wy glory gleoms. The mem'ry of his childhood plays Within his manhood's dreams;

ithin his manhood's dreturs;
Morntes's hand, in fancy, rest
son his infant brow,
tops childish days—how strangely bles
as never known till now,

A sister's love a brother's smile, He may not e'er lorges; His youthful days they cheered the while, They haunt his mem'ry yet.

A mother's love, a mother flow little prized till lost, The bitter agony of years is oft the learning's cost

The treasure of a sister's love We may not prize too high. Nor check the kindly rays that move Within a brother's eye.

winin a broner's eye.

We know not, till farever fied,
The happiness we hold;
Such knowledge comes, too swiftly sped
Through miseries manifold.

Nantova, Wis., Jun. 12th, '55.

Jave of a Christian people, a principle which weedshardly be tolerated in a commonity of the state of the sta

ceeded, if would not have effected his mosal or oscial standing. It so happend that Mr. Matt's reliance upon the rigid inflaxibility of legal technicalities, to screen and assist his reachity, proved if founded, and therefore he will have to bear the censure. But had those technicalities proved strong enough and al, undecessible that we carried him through, he would never have been thought any the worse of for his meanner.

of for his meanness.

It is too much the case in this country, for It is too much the case in this country, for persons to suppose that all legal advantages may be taken without any compromise of persons honor or integrity. It is too often the case that success in such attempts sanctifies the deed. It is time that a higher atmosf of morels were set up sancy business men. We would by no means assert that all the business. the custon, in looking at any transaction ok at it rather in the light of its practica and profitableness, than its in

GJ rive was the section. The season is about over until the section. The season is about over until the next good snow. The weather, this morning, is moderating; the ice in the river is thinner; yet the pros-pect for the resumption of navigation is not

improving.

GT By a note from the physician of Mondan
L. Berrs, Esq., whose death we noticed in
Tesaday's Esqie, we learn that he died of spihal disease—inflammation and softening of the spinal marrow-and not of consomption, as we had been informed, and published.

Of The Mayaville Express, we learn fro esterday's issue, has returned to the hands of STANTON & MARSHALL, who again take con-rol of it.

ille, by ALEX. K. MARSHAL Jr., and JRO. B. Imanoof, Engs. They were, doubtless, zealor, able and faithful delegates.
