Olmstead Bros., Architects,
Brookline, Mass. *just*

Gentlemen:

Subject: Morehead Normal School.

We have been engaged as Architects for the work at Morehead Kentucky, Morehead State Normal. The Board informed us that you had made a topographical map of the building site.

As our plans are to be completed by August 1st, which is only a short time off, they have requested that we write you, in order to obtain this topographical map at the earliest possible time.

Kindly let us know when we can receive same. As above stated, every minute counts and we trust you will accomodate us immediately.

Yours very truly,

JOSEPH & JOSEPH
