MAYSVILLE, KENTUCKY, WEDNESDAY, JULY 29, 1857.

BAN however,
stoot,"
And still again:
I am in favor of the mode proposed by the
friends of constitutional reform, by which
amendments are hereafter to be taude to the
Constitution. The mode recommended by
them is similar in principle, to that by which
amendments are made to the Federal Conteem is similar to principle, to that by which amendments are made to the Federal Constitution, and is assettined by send and conservative principles. The Logislature as the representatives of the people, shall submit to them distinct amendatory propositions, and if additionally the send of the submit of the distinct amendatory and the victors of the proposed was not meeting the country."

This is, with MACON-NAM.

the State at two successful elections, then the State at two successful elections to become a part of the fundamental are to become a part of the fundamental law of the country.

With said of Mr. Paylors public record with which we are familiar. We know he is an honorable, high minded gentleman, and a good cittern, and believe he will, if elected, do what he fundamental the good. y umph of know muthingtion in New Orleans, Louiseill, St. Louis, Ratifures and Washington Gity have been attended with murider, and anone adried. In Louiseill, and,

He was, we believe, featen for the Legislature ones in this Congri, but we are not informed upon what times he made the race. He is "the candidate of the know nothing party, is pledged to carry out their colonization and dotton destricts, and is uncolonized and addition destricts, and is uncomplete the annihable rallendard in the Complete the annihable rallendard in the State, and for other purposes of internal in-

the 2004 Morday in February 18(9), in which is language was used:

"We nevely dashe to record our name, as samen those who expand the Intelligence of Edwarf as a fact, and the second columbly upon as a more present columbly upon as a fact, and the second out." Why deshift to show that the are celling and deshows, to take all resonable, upon a fact, and the second out. Why deshift to show that the care celling and deshows, to take all resonable, and the celling and deshous, to take all resonable, and the celling and deshous, to take all resonable, and the celling and deshous the celling and deshous the celling and deshous the celling and deshous the celling and t

The candidates of the know nothing parts

He was elected to the Legislature two years since, and while representing Mason County in that body, he asked leave to intro

and frequently destroyed.

He voted to increase the salary of the
Register of the Land Office from \$1,250 per
anoun to \$1,700 per anoum.

He voted to instruct the Committee on
Ways and Means to report a hill to raise the
pay of the members of the Legislature from

1825, by means of a bargain and sale. Clay and his friends indignantly desired the charge. Jackson adhered to it. To defeat the democratic candidate for President last fall, the know nothings of Kentucky charged that the accusation against Mr. Clay originated with Mr. Buchann. An iorestigation proved conclusively that Jackson alone

mire him. As far as der

int ever assembled, an aloue to denie the tion of the order, as a political organiza-incorporated the following into their form, and formally and officially adopted
