Dear Mrs Oppenheimer,

I want to thank you and the other ladies in your group for the excellent and very much appreciated gift. I am very thankful to you.

The cookies were very delicious and my roommates thought so too. The cigarettes and shaving cream are very useful. Please thank the other ladies for me. I certainly enjoyed reading the home town newspaper. News of that kind is very scarce here.

Give Mr. and Mrs. Landolt my best regards. I sure would like to be there for services Sunday. We have nice services here each Sunday. Our programs are broadcast each Sunday at 9:00 AM from W.S.F.A, Montgomery Ala. Listen in sometime.

I must close as my time is rather limited. Thanks a million again, it sure was nice of you. Write me again soon.

P.S. My address has
changed to Squad. B,
Group 4.

Respectively Yours
Stuart Lawson
