President Norfleet:

Sir, I write in reference to the work proceeding in the ADUC Grill. You are aware, I am sure, of the splendid work being done by Kele Williams. It is by the design of Miss Williams that the Grill is being renovated. There is however another feature of Kele's work which I think merits your attention.

It was brought to my attention during the course of the week-end's work (by a party other than Kele) that Kele had, as of the end of the Fall semester, completed the university's requirements to receive her Interior Design Degree, Miss William's motivation to return to MSU, Dr. Norfleet, was to assist our work in the Grill. I would emphatically state that without her work the Grill would not be being renovated.

I am certain that you could spend a great deal of your time addressing the work of outstanding MSU students; however I would hope Kele's extraordinary dedication and work would merit your attention. With that, I respectfully request Kele William's receive a Letter of Presidential Commendation for her records that it may aid her in her future endeavors. May I also request that her advisor and myself receive a copy if you deem such a letter appropriate.

RE: TROOPER LIGHTS

Our electricians told me of being called to make fast emergency repairs to the spotlights before the MSU Pageant. They apparently got them fixed, though not in a permanent or completely satisfying manner.

I have noticed and they reminded me, that these lights sometimes set in the lobby of Wetherby Gym completely unattended for days at a time.

I understand that you have someone coming to completely repair the lights.

May I suggest that if you will repair the lights, you give us the complete responsibility for their storage and moving. We usually have to handle the moving anyway, and I would much prefer to take them to a function knowing they have not been played with since their last use.

Please advise.

TO THE STUDENTS OF MSU:

If elected to serve as your S.G.A. president for the next year, I will do all in my power to effectively represent your views. I've listed below some areas which I feel are important to student life at MSU. They are as follows:

1. installing ice machines and coin changers in all dorms
2. more open house hours for those students desiring an increase
3. acquiring SHOWTIME for the dorms
4. stage an outdoor concert on campus
5. let students vote on who they would like to for all concerts
6. the formation of an optional meal ticket plan at ADUC
7. more weekend on-campus activities
8. creating an S.G.A. telephone newslines to inform you of concerts in the area as well as campus activities
9. longer library hours
10. I favor the establishment of a Minority Affairs Bureau within the University
11. As your representative to the Board of Regents, I will oppose any increase in tuition and fees-----
12. arrange for 20-minute parking in front of the administration building to avoid students receiving tickets or being towed away
13. The student body must be better informed concerning the operation and activity of S.G.A.
14. If elected, I will have posted in all dorms and University buildings a list of the members of S.G.A., their address, and campus phone number. This will make S.G.A. more accessible to your ideas and criticisms.

I sincerely want to serve you as your next S.G.A. president. I feel I have the necessary experience as well as the time to devote to addressing your concerns. If elected, I will welcome your ideas, complaints, or criticisms regarding student government.

I'd really appreciate your support on election day, April 22, 1980. Thank you very much.

SUBJ: Election and Installation

Congratulations on your election on Tuesday, April 22, 1980, to the Executive Committee of the MSU Student Association for 1980-81. Your fellow students, in electing you to your respective offices, have placed a great deal of trust and confidence in you. Only you can prove, through your work next year, that you are worthy of their votes. Much hard work is ahead of you, but you have accepted the challenges placed before you.

I'm sorry I was unable to attend your installation ceremonies last Wednesday evening. I certainly hope the installation was meaningful and that it was the beginning of a great year for the Student Association.

Each of you are invited to visit with me in my apartment on Wednesday, May 7, 1980, from 5 to 7 p.m. This will be a time for the new officers to gather socially and get to know each other better.

I look forward to visiting with you this coming Wednesday and to working closely with each of you next year as we all work in serving the students at Morehead State University. If I can be of assistance to you, please feel free to contact me.

SUBJECT: Sales Tax on Concert Tickets

Three hundred and fifty tickets were sold at \$6.30 each (sales tax included), for non-student admission to the Student Association Concert featuring "K.C. and the Sunshine Band" on Thursday, May 1, 1980. The tax on these tickets amounts to \$105.00. Students were admitted to the above-mentioned concert at no charge with their valid I.D.'s.

Also, sales taxes in the amount of \$4.60 is included due to the fact that three tickets at \$6.30 each and 37 tickets at \$2.10 each to the "TOTO" concert scheduled for April 21, 1980, were not returned for refund. 38 tickets at \$2.00 each sold in advance (no sales tax) to students were also not returned for refund. All "TOTO" tickets could be exchanged for "K.C. and the Sunshine" tickets or refunded through May 2, 1980.

The above data states the activity for the month of May, 1980, in which the Student Association is required to charge Kentucky sales tax, according to KRS 139.210.

I am sending through a club fund request payable to MSU for the Kentucky sales tax of \$109.60. Please include this amount on your monthly report to the Kentucky State Treasurer.

If you have any questions about the above matter, please feel free to contact me.

Dear Dan:

I hope your trip home was pleasant and that all is going well for you.

The purpose of my letter is to inquire as to the status of the grill project. Although the renovation was started last year, since the completion is not yet at hand, I'd appreciate any information you could forward to me. My main areas of concern are any supplies bought which we have not yet received and bills yet to be received by us for goods already used, as well as any other relevant details.

Dan, I sincerely feel that for the success of this project, all further business transactions should be handled from here in Morehead. So to facilitate a rapid completion of the project, I desire your full cooperation.

Also, a few people are mildly disappointed with the condition of the grill. In the future, we need to remove all scrap material as soon as possible so as not to reflect badly upon the Association. I realize that you were pushed to finish before going home; however, had you asked, I would have assisted you in such a clean up process.

I hope you will accept my personal praise and deep thanks for the many hours you devoted to the grill project as well as the Student Association itself. I remain confident that with your zeal and dedication we will accomplish much this year.

I hope to hear from you soon so that we may hasten the completion of the grill renovation.

Your friend,

Steve

P.S. Here is my summer address and phone number should you need to contact me: Holbrook Hall #4, Morehead, KY 40351; (606)783-5275. Again, best wishes for a great summer.
