It is said that the new dogma of the immac-ulate conception of the Vergin Mary, recently promulgated by the Pope, is not received by the Roman Catholics of Germany. In Tusthe Roman Cabbolis of Germany. In The-cany, also, the Duminican firsts openly repu-diste it, and the minks of St. Marino have been summond before the archibishops of Flor-ence on a charge of contempt of the Pope in rejecting the dogma. Some opposition to it is almost manifested in France.
