**MOREHEAD STATE UNIVERSITY**  
**2017/2018 Operating Budget**

**Summary:**

The 2017/2018 Operating Budget totals \$152.2 million, an increase of \$1.3 million (0.9 percent) compared to the current fiscal year. The two primary fund sources in the operating budget are student tuition and fee revenue and state appropriation. New revenue from a combination of a 4.92 percent tuition rate increase for undergraduate students, additional tuition revenue from winter session and expanded programs, and a 6.2 percent increase in residence hall rates is included in the operating budget. State appropriation decreased by \$326,700 in 2017/2018 from the current fiscal year. The recommended budget demonstrates the University's commitment to student success and fiscal responsibility by including support for strategic investments and fixed and unavoidable costs such as employee retirement benefits, service contracts, debt service, and scholarship commitments.

**Background:**

The budget reflects the continued commitment to advance the University's mission by focusing on the goals and objectives as defined in the *ASPIRE 2014-2018 Strategic Plan*. The budget preparation process was inclusive of campus input and representation.

The parameters outlining the administration's management responsibilities related to the 2017/2018 Operating Budget and periodic reporting requirements to the Board of Regents are specified in the Budget Adoption Resolution on pages A-11 and A-12 of this document.

**Analysis – Operating Budget:**

**Educational and General Funds** (E&G) represent 83.6 percent of the total unrestricted operating budget and are the primary source of funds for the instructional and engagement missions of the University. The primary sources of the E&G budget include tuition and fee revenue of \$71.3 million (56.0 percent) and state appropriation for operating of \$41.6 million (32.7 percent). The total reflects an increase in tuition and fee revenue of \$1.2 million (1.7 percent) and a decrease of \$326,700 (0.8 percent) in state operating appropriation over the current year budget. The net increase in tuition and fee revenue is a result of offsetting factors. In 2016/2017, the budgeted tuition revenue was not met due to declines in both undergraduate and graduate enrollment. The resulting tuition revenue budget shortfall was \$414,200 (0.6 percent). The enrollment projection for 2017/2018 includes a decrease of 73 (5.7 percent) first time freshman, a decrease of 114 (2.2 percent) returning undergraduate students, and a decrease of 50 (5.0 percent) graduate students.

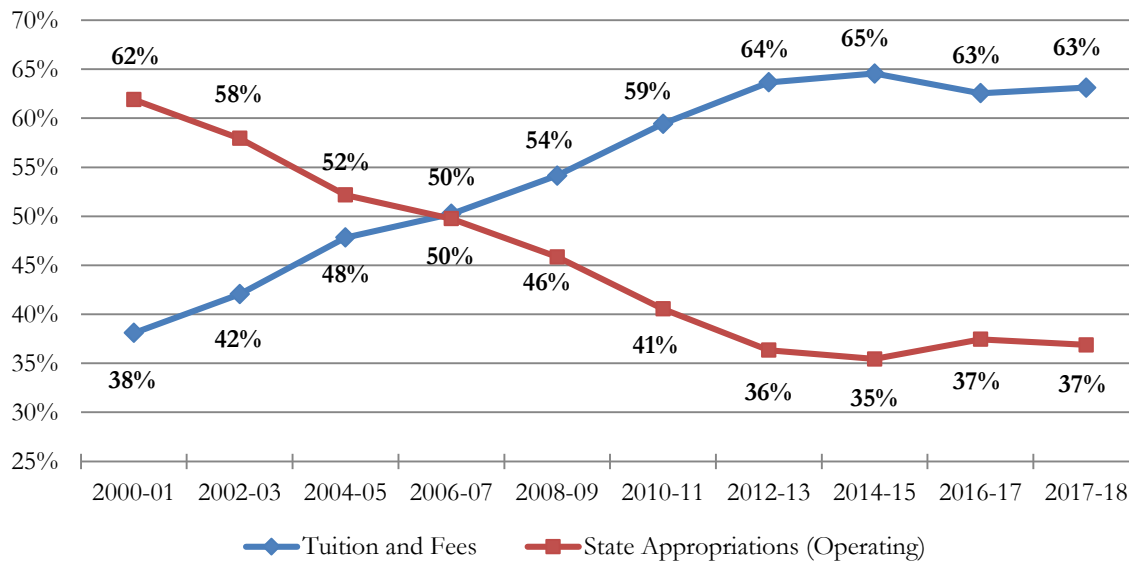

The following chart summarizes 2017/2018 budgeted unrestricted E&G revenue by major revenue category.

### Educational & General Revenues 2017-2018 Operating Budget

The 2017/2018 E&G Operating Budget reflects a continuation of the multi-year trend of the institution's dependency on tuition and fee revenue as state support has continued to decline as illustrated below.

### Student Share vs. State Share

The following chart summarizes the 2017/2018 budgeted unrestricted E&G expenditures by organizational area.

### 2017-2018 E&G Operating Budget by Division

*President & Administration includes President's Office, Board of Regents and Chief Diversity Officer*

There is a significant decrease in the percentage of the E&G budget supported from **Fund Balance** included in the budget. Fund balance reserves are generally budgeted within the unrestricted operating budget to address strategic needs of a non-recurring nature such as renovation projects or investments in property and equipment. The \$1.3 million (12.4 percent) decrease in E&G fund balance support is primarily related to non-recurring funding in 2016/2017 for multiple faculty positions. Recurring funds were reallocated within Academic Affairs to fund the positions in 2017/2018.

**Auxiliary Funds** are generated by enterprises that are essentially self-supporting through charging fees to students and others external to the institution. Auxiliary enterprises generate approximately 16.4 percent of the University's operating revenues and include services for student housing, dining, concessions and vending, document services, the University's bookstore operation and the Eagle Trace Golf Course. The budget includes an increase of \$1.4 million (5.9 percent) in revenue over the current year budget for auxiliary enterprises. This is primarily attributed to an increase in student housing rates effective in the fall 2017 semester and an increase in auxiliary fund balance support for equipment and furnishings as part of the ADUC renovation project and minor renovation to Cartmell Hall

The following chart aligns the various sources of funds with the University's use of funds to illustrate where University resources originate and what they support.

## Analysis – Fee Schedule:

A comprehensive review of the University’s fee schedule is conducted annually and recommended changes are presented to the Board for approval. The recommended 2017/2018 Fee Schedule is presented on pages C-1 through C-27 of the Operating Budget.

### **Tuition and Mandatory Fees:**

On March 31, 2017, the Council on Postsecondary Education (CPE) approved resident, undergraduate tuition and mandatory fee ceiling for 2017/2018 that does not allow base rate increases to exceed 5 percent for Morehead State University. The base rate excludes CPE approved Special Use Fees. On June 10, 2011, CPE approved a Special Use Fee for MSU to assess a \$5 per credit hour (equivalent to \$66 for 15 credit hours under current rate structure) student-endorsed fee dedicated to pay construction costs of the Student Recreation Center.

CPE adopted a non-resident student tuition and fee policy effective with the fall 2016 semester requiring institutions to generate a sufficient amount of net tuition and fee revenue per non-resident student to equal or exceed 100 percent of direct instructional and student services costs per student. This policy replaced the former practice that required institutions to charge non-resident students at least two times the resident rate for comparable programs of study. The recommended non-resident (domestic) undergraduate rates are set at 1.5 times the resident rate. International undergraduate rates are recommended at 2.5 times the resident rate.

A summary of changes in recommended resident undergraduate tuition and average residence hall rates is listed below.

<b>Per Semester Rates</b>	<b>Fall 2016</b>	<b>Fall 2017</b>	<b>Increase</b>
<b>Tuition and Mandatory Fees</b>			
Resident Undergraduate Base Tuition (12-18 hours)	\$4,199	\$4,409	\$210
Special Use Fee (Student Recreation Fee)	\$66	\$66	\$ 0
Total Tuition & Fees (Resident Undergraduate 12-18 hours)	\$4,265	\$4,475	\$210
<b>Housing</b>			
Average Residence Hall Rate	\$2,481	\$2,635	\$154

The proposed rate schedule listed below is within the tuition increase parameters and non-resident student tuition and fee policy set by the Council on Postsecondary Education for 2017/2018.

## **Student Housing:**

The average rate increase recommended in the 2017/2018 Operating Budget is 6.2 percent for residence halls. Housing rental rates are established to remain competitive with other state universities and the local housing market with similar amenities. Revenue generated from the increase in housing rates will be used to cover debt service associated with the ongoing renovation and construction of the housing facilities as identified in the Comprehensive Housing Master Plan completed in April 2006.

Beginning fall 2017, students that reside on-campus will be required to sign a Student Housing Agreement or “contract” that outlines specific dates for cancellation and associated charges. These charges replace the current \$250 late cancellation fee. Students will no longer be required to pay the Housing Application/Reservation Fee of \$200. This was a non-refundable fee for students applying to live on-campus.

## **Counseling and Health Services:**

The University does not currently charge a mandatory health fee to students. Historically, students that received care through Counseling and Health Services incurred no out-of-pocket expense except for outsourced lab fees and immunizations. A new “fee for service” model for health care is proposed to begin July 1, 2017. Provisions of the model include billing insurance companies for individuals covered under private, in-network plans, collecting co-pays at time of service, and charging for office visits. Self-pay individuals may be eligible for a sliding fee scale program based on proof of income.

## **Analysis – Personnel Roster:**

### **Salary and Benefit Increase:**

Due to the compounding budget challenges facing the University with continued reductions in state appropriation, enrollment decline and rising fixed costs, no annual salary increase is recommended for faculty and staff in the 2017/2018 Operating Budget. Contractual obligations for salary increases associated with faculty promotion and tenure policies, education attainment policies, position reclassification or other policy or employment agreements have been honored and are included in the 2017/2018 Operating Budget recommendation at a cost of \$344,660.

The University offered its second winter session in 2016/2017. Similar to summer session instruction, faculty receive supplemental pay to teach winter session courses. The 2017/2018 Operating Budget includes \$232,535 for estimated winter session supplemental salary and associated fringe benefit costs.

An increase of \$74,303 (1.73 percent) is included in the employee benefit accounts in the 2017/2018 Operating Budget to cover a mandatory increase of 0.88 percent in the employer contribution rate for non-hazardous duty positions and a decrease of 0.12 percent in the contribution rate for hazardous duty positions in the Kentucky Retirement System (KERS).

A significant expense in the University's budget is the cost of the employee insurance programs. The 2017/2018 Operating Budget includes \$6,525,438 for the cost of the health insurance program, \$309,444 for the dental insurance program, and \$99,478 for the life insurance program. Based on the recommendation from Sibson Consulting, the University's health insurance program was changed from fully insured to a self-insured plan with a separate prescription plan beginning calendar year 2017. Anthem Blue Cross/Blue Shield remains the health plan administrator and Express Scripts administers the prescription drug program. As part of the prescription drug contract, Know Your Rx Coalition serves in an advocacy role for both MSU and the employees for the purpose of facilitating the most cost-effective provisions of prescription medications.

The 2017/2018 Personnel Roster contains a listing of the recommended authorized positions as of July 1, 2017. Funding for each position listed in the roster has been included in the proposed 2017/2018 Operating Budget. A total of 1,000 positions are recommended for 2017/2018 with an estimated 913 positions contracted to be filled as of July 1, 2017. Total personnel expenditures represent 52.1 percent of the total expenditure budget.

The personnel roster is organized by division, with exempt (salary) and non-exempt (hourly) positions listed separately. The following information is shown for each position:

- Position ID number
- Employee currently holding the position
- Position title
- Appointment status if not a regular, full-time appointment
- Recommended salary at the start of the 2017/2018 contract period
- Contract months for exempt employees

**Analysis – Student Financial Aid:**

The University demonstrates a continued commitment to affordability by including \$20.3 million (16.6 percent of E&G expenditures) in the 2017/2018 Operating Budget for student financial aid. Increases to the scholarship budgets include \$494,262 to cover the recommended tuition and housing rate increases, \$640,247 net increase for the second year of the scholarship model implemented fall 2016, and \$206,120 for new and expanded scholarships.

**Morehead State University**  
**Board of Regents**  
**Resolution**  
**Budget Adoption**  
**2017-2018**

BE IT RESOLVED, that upon due consideration and upon recommendation of the President, the following budget authorizations, totaling \$152,235,000 are approved for Morehead State University from unrestricted current funds, for the fiscal year beginning July 1, 2017, and ending June 30, 2018, subject to the realization and receipt of revenues totaling a like amount. Expenditure of funds from restricted sources such as state, federal or private gifts, grants, contracts or appropriations are authorized, subject to the realization of funds.

In the event current fund revenues now estimated should not be realized to equal \$152,235,000, the President shall take appropriate action to reduce budget authorizations to amounts sufficient to insure that expenditures do not exceed available revenues. The President shall report to the Board in advance any major deviations from the approved operating budget. The President may make other adjustments to the budget subject to the following:

In the event actual revenues exceed estimated revenues, the President may authorize an increase in the unrestricted current funds expenditure budget in an amount not greater than two percent of the Board's authorized expenditure level. The Board may ratify increases and reauthorize expenditure levels within the two percent cap during a regular or special Board meeting. Increases greater than two percent of the authorized expenditure budget must have prior approval of the Board.

The President may authorize and approve internal operating budget adjustments as the President determines such adjustments to be in the best interest of the University. Except, if adjustments to any one of the four divisions (i.e. Academic Affairs, Administration & Fiscal Services, Student Success, and University Advancement), increase the total operating expenditure authorization of a division by more than seven percent, then it must have prior approval of the Board. The Board may ratify increases and reauthorize expenditure levels within the seven percent limitations during a regular or special Board meeting.

The purchase of any item of equipment greater than \$200,000 must have the prior approval of the Board of Regents, be contained in the Biennial Legislative Appropriations Act as required by KRS 45.750 and reported to the Board as part of the quarterly financial report when purchased.

A capital construction project greater than \$1,000,000 must have the prior approval of the Board of Regents and be contained in the Biennial Legislative Appropriations Act in accordance with KRS 45.750. A report of any capital construction project with a cost greater than \$1,000,000 or

any equipment item with a purchase price of greater than \$200,000 shall be provided as part of the quarterly financial report.

The Quarterly Financial Report shall contain a report that reflects each budget unit's July 1 opening appropriation, amendments to the opening budget, expenditures to date, and remaining balance. This report shall provide the necessary detail for amending the budget as permitted by this resolution.

In the incurrence of financial obligations and the expenditure and disbursement of University funds resulting from this authorization, all units and individuals within the University shall observe and adhere to applicable laws, regulations, and policies of the Commonwealth of Kentucky and Morehead State University which govern the expenditure of funds. Heads of the various budget units shall not authorize nor incur financial obligations in excess of the budget authorization for that budgetary unit. Upon approval of the budget, the President is directed to have printed a detail line item operating unit budget to guide and control the expenditures as authorized.
