Dear Mrs. Foley:

On April 21 at 7:30 p.m. the Student Association will present a lecture by Mr. Dick Gregory. This lecture will coincide with the fourth annual "Black Awareness Week".

After meeting with several students from the Black Coalition, I am convinced that this would be an excellent opportunity for the students to meet you. Therefore, if you would, we would like you to introduce Mr. Gregory on that evening. We have scheduled a reception afterwards which should make for a nice evening.

Also, I wonder if it would be possible for you and Mr. Foley to join me for dinner before the lecture? That would allow us some time to visit.

I await your reply.

RECEIVED STUDENT AFFAIRS

Members of the Student Court:

I wish to report the following violations of the Rules governing the Spring 1981 Executive elections. Mr. Mike Campbell, a candidate for the office of Treasurer, has on at least three (3) separate occasions violated rules specifically stated in section G of the Election Rules. Below I will briefly describe the nature and location of the violations.

1.) On the Student Association board by Cartmell Hall, Mr. Campbell has posted three campaign posters which is a blatant violation of rule G.

2.) On the glass enclosed display case on the walk near A.D.U.C., Mr. Campbell took the liberty of placing a campaign poster in the glass case. This bulletin board is not designated for general use but for the Program Council, IFC, Student Association and the Panhellenic Council. Other candidates have not had the opportunity to use this display case for their posters.

3.) On the second floor of A.D.U.C. the program council has a bulletin board by their office for the explicit purpose of promoting Program Council activities. This board is so designated in writing on the board. Mr. Campbell had a poster displayed on this board in complete violation of its intent.

On Thursday, March 26th, a mandatory meeting was held in which all candidates were in attendance. At that time the campaign rules were fully explained, and all candidate's questions were

answered. Since that time, the Executive Committee and the members of Student Affairs have been available to answer any questions.

In such a short campaign, violations such as these can prove extremely damaging to other candidates. It was my understanding that all candidates were to adhere to these rules. I feel that as a candidate who has obeyed the rules, my candidacy has been disadvantaged by these repeated violations by Mr. Campbell. These violations have been witnessed by Debra Baskin, S.A. Reporter, Connie Jones, S.A. Secretary, and Steve O'Connor, S.A. President. It is with these violations in mind that I submit these charges for the consideration and/or action of the Student Court.

Respectfully,

Linda Wetterer

Morehead State University

April 8, 1981

Those present were:

Richard Watts	Chief Justice
Cindy Stewart	Associate Justice
Teresa Sparks	Associate Justice
Cindy Brown	Associate Justice
J. Richard Mullins	Associate Justice
Wayne Hood	Attorney General
Dana Overall	Asst. Attorney General
Terri Lojun	Chief Legal Defense

Absent was:

Sherri Prater	Clerk of Court
---------------	----------------

The court reviewed the charges against Mr. Michael R. Campbell as alleged by Miss Linda Wetterer, agreed to conduct a hearing as a result of the charges.

A formal hearing was begun at 4:30 p.m. with Chief Justice Richard Watts presiding. The defendant was advised of his rights as enumerated in the Constitution of the Student Association. Mr. Campbell elected to act as his own Counsel and requested an open hearing.

Hearing procedures

1. Opening Statement of Prosecution
2. Opening Statement of Defense
3. Presentation of case by Prosecution with direct examination.
 - A. Linda Wetterer was called by Prosecution
 - B. Steve O'Connor was called by Prosecution as a witness. He informed the court that he had seen Mr. Campbell's sign on the Program Council Board and had asked Mindy Lashbrooke if permission had been given for the sign to be placed on this board. Mr. O'Connor stated that Miss Lashbrooke said, "No."

- C. Debra Basken was called by Prosecution as a witness. She stated that she observed three signs (2 posters, 1 picture) of Mr. Campbell on the S.A. board at Cartmell Hall and that she had observed the poster on the S.A. Calendar board near A.D.U.C.
- D. Connie Jones was called by the Prosecution as a witness. Miss Jones stated that she had observed the alleged violations at all three locations.

4. Cross examination for the Defense
none

5. Re-direct by Prosecution
none

6. Re-cross by Defense
none

7. Prosecution Rests Case

8. Defense Presentation of Case
none

9. Summation by Prosecution
Mr. Hood stated it was very evident that a violation of the election rules had occurred, and he requested the court to find Mr. Campbell guilty of these violations.

10. Summation by Defense

Mr. Campbell stated his innocence to these charges. He stated he had no idea as to who had put up the signs. It may have been a supporter trying to help. Mr. Campbell had given four individuals posters to put up for him. Each of these helpers denied posting any of the alleged posters in violation. Mr. Campbell proposed that a non supporter could have placed the signs at these locations.

11. Verdict

The Student Court has determined that a violation of election rules has occurred. The court further concludes that the defendant has not been proven to be personally responsible for this violation.

Therefore, no penalty has been imposed on Mr. Campbell, but the court recommends that Mr. Campbell should be more aware during the remainder of the campaign, and he further should inform all his aides of this.

Respectfully submitted,

Larry Stephenson

- a. Is the $\frac{2}{3}$ majority based on the total number of persons voting in the April 9, 1981, election. (The primary election including Presidential and Treasurer races as well as the three amendments. This number was 713.)

or

- b. Is the 2/3 majority based on the number voting on each amendment. (Totals voting on each amendment is different as well as the total number of persons voting.)

<u>Amendment</u>	<u>No. Voting</u>
1	549
2	565
3	556

RULING: The Student Court ruled 4-0 that the correct interpretation of Article XII was that a 2/3 majority of those voting in a campus-wide election referred specifically to amendments. Therefore, when more than one amendment is questioned on the same election ballot, the 2/3 majority must be computed for each individual amendment based on the number voting on each individual amendment.

When amendment questions are placed on a ballot at the same time as candidates for offices, the total number voting in the candidates races is to have no bearing on computing the 2/3 majority.

The Student Court further recommends that for future reference Article XII - Amendments be re-worded to clearly state that the 2/3 majority be computed for each individual amendment based on the number voting on each individual amendment. It is understood that this would involve a constitutional amendment and must follow the procedure outlined in Article XII.

- II. The second item submitted to the Student Court dealt with the wording of amendment #3 as placed on the April 9, 1981, election ballot.

The question to be decided by the Student Court was, "Can an amendment defeated on the April 9, 1981, primary election ballot be placed on the general election ballot of April 21, 1981, because the wording of the question was unclear as to its meaning?"

The question stated: Change the meetings of the Student Association Congress from weekly to bi-weekly:

Yes

No

A question has arisen that the term "bi-weekly" was misinterpreted. Is the term "bi-weekly" defined as: 1) once every two weeks or 2) twice every week?

Webster defines bi-weekly as:

1. Once every two weeks
2. Twice a week (in which case semi-monthly is preferred)

When the question was placed on the ballot the first (preferred) definition (once every two weeks) was used as the intent of the Student Congress was to change meetings from once per week to once every two weeks.

RULING: The Student Court ruled 4-0 that this amendment could be placed on the April 21, 1981, general election ballot as confusion existed in regard to the meaning of the term "bi-weekly."

They further recommended that the question be stated exactly as it was on the April 9, 1981, ballot with an additional statement in parenthesis as follows:

(once every two weeks)

III. The third item submitted to the Student Court dealt with the positioning of the candidates' names on the April 2, 1981, election ballot.

The question to be decided by the Student Court was "Should the positioning of the candidates' names on the April 21, 1981, election ballot be alphabetical, as traditional, or determined by a coin toss or drawing of position?"

It was stated that traditionally, candidates' names have been placed on all ballots alphabetically and that in the last three years' elections the bottom candidate was the victor. Four years ago, the candidate in the top position was the victor.

The question was asked and answered that drawing for positions is held in state, county, and local elections.

RULING: The Student Court ruled 4-0 that a coin toss or drawing be used for positioning candidates' names on all future Executive Committee election ballots beginning with the election of April 21, 1981. A drawing should be conducted for all primary elections and a coin toss should be conducted for all general election races for all Executive Committee offices.

This ruling applies only to races involving candidates for the Executive Committee offices. This ruling, therefore, does not apply to Homecoming Queen elections, Who's Who elections, congress representative elections, etc. in which candidates are to be listed alphabetically.

- IV. The fourth item submitted to the Student Court involved a possible violation of election regulations. Many court members had observed a plastic display case in the A.D.U.C. with posters of Todd Holdren, Presidential Candidate, displayed in the case.

The question to be decided by the Student Court was "Has a violation of election rules occurred?"

Election Rule "G" states:

All political advertising should be put on bulletin boards which are designated for general use and/or other areas designated by the Student Association. There will be a limit of one (1) poster per candidate per SA board, not to exceed 16 inches by 24 inches. No campaigning material will be allowed on trash cans, utility poles, buildings, doors, trees, or other places deemed inappropriate. Campaign signs may be displayed on the automobiles of the candidates' supporters with the approval of the registrant of the auto. No campaign literature is to be placed on any door within the residence halls at any time. Window space in a Residence Hall room may be used by the occupants of the room with the understanding that said occupants be responsible for this privilege. Candidates must ask permission of Residence Hall Directors to use lobby bulletin boards.

The staff of the ADUC had approved Mr. Holdren's using this display case as he had reserved it. In addition, a similar case had been used by a candidate during the 1980 election.

RULING: The Student Court ruled that all campaign signs should be removed from the display case, as the case should not be designated as a general use case. It was further decided that these type display cases should only be used for recognized, registered student organizations and not for individuals. In addition, the Student Court feels strongly that only one sign per person should be placed on any general use bulletin board and feels this election rule should not be limited to the temporary SA boards. Inasmuch as election rules have been distributed for the 1981 election, the court recommends that consideration to revise this election rule be given prior to the next Student Association election, and that no change be made at this time.

The Student Court further ruled that no penalty be placed on Mr. Holdren for the use of this case as he received permission for the use of this case and used this case in good faith.

The Student Court further ruled that it would consider no complaints related to the use of this display case as this ruling and correction was made prior to the receipt of any complaint.

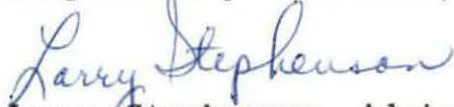

The signs were removed from this case at 4:15 p.m. on April 14, 1981.

The next scheduled meeting of the Student Court will be Monday, April 21, 1981, at 4:00 p.m. in the Riggle Room of the ADUC.

Mr. O'Connor invited all members of the Student Court to attend the Student Association Installation Banquet on April 30, 1981, at 6:00 p.m. in the Red Room of the ADUC.

The meeting adjourned at 4:15 p.m.

EXECUTIVE COMMITTEE REPORT

President. We are currently trying to determine if we lost any money over the Hall & Oats concert, other than credibility. Dr. Norfleet will be taking Student Association members through the new gym on April 28th at 4:00 p.m. Steve took a handcount on the number of people able to make it on that day. They will meet on the Rte. 60 side of the new gym. The parking meters have been ordered but the style has been changed slightly. Instead of having single meters, we will be having dual-type meters. The "No Nukes" movie didn't show up last Friday and so they showed "Woodstock" twice. We may try to reschedule the movie in conjunction with Earth Day.

Vice President. No report

Secretary. Connie passed out invitations to Congress members and asked that they please RSVP through UPO 1331. Any guests of congress members will be charged \$5.50 for their meal, and we must know before April 28th.

Minority Affairs. No report

Legislative Action. Vicki gave the following report on the outcome of the election:

The first two ammendments passed, the third did not. Student Court has decided that if Congress desired, it could be put on the ballot again for the general election with the words (every other week) place after biweekly. Vicki moved that it be placed on on the ballot again and Cyndi gave the second. Motion passed.

Campus Improvement. Robert will be talking with Mr. Boodry this week sometime.

AD-hoc. We will be registering voters again during the General Election.

GENERAL ELECTION
ADRON DORAN UNIVERSITY CENTER
Tuesday, April 21, 1981

To be read by all election workers before they begin work.

1. Only students with I.D.'s that have the blue "Sp" validation on them will be allowed to vote. A student cannot vote without his/her I.D. Also, persons with I.D.'s that have white "Loss of Privileges" labels on them cannot vote. No exceptions!!!! Call Mr. James if there is a problem.
2. Punch the No. 6 area on the student's I.D. Use only the punches provided by the Student Association. They make only small holes in the I.D.'s.
3. As you punch the I.D., compare the photograph on the I.D. with the person who presented it to you. If you do not believe the person who presented the I.D. to you is the same one in the photo on the I.D., do not allow the person to vote. Call Mr. James if there is a problem.
4. As you punch the I.D., have the student sign his/her name on the legal pad provided at the polling area.
5. Remind the students to vote on the proposed constitutional amendment.
6. If there is any problem with a voting machine, call Mr. James.
7. Lift entrance knob to activate machine. After the student has voted, all he/she must do to open the curtains is to pull the handle at the very top of the machine. As the handle is pulled, the mechanism of the machine will clear the small levers the voter has pulled to cast his vote(s). No one will know how he/she voted.
8. The voter can only vote for one candidate for each position. That is, he/she can vote for one person for president, one person for vice president, etc. A voter may cast only one vote for one office if he/she wishes.
9. Do not at any time leave the polls unmanned.
10. If you have any questions or problems at any time, call Mr. James at 3214.

I am a candidate for Student Association President. As a representative to S.A. for the past two years, I am very familiar with its operations. Currently I am serving as the Treasurer, Entertainment Chairman, and a member of the Intervisitation Committee. These three positions have given me experience in financial operation, campus entertainment and improvements in residence hall inter-visitation. Also, I have served on Program Council as Treasurer, Awards Chairman for the M.S.U. Pageant, and I am a member of Sigma Nu Fraternity^{is}.

If elected, I would like to see ice machines installed in Residence Halls that do not have refrigerator units. I want to continue efforts to acquire SHOWTIME on campus, continue student involvement in the selection of concert groups through use of a survey, and install a program of the students being able to paint their own rooms in a residence hall. Also, I would like to work on improvements in student parking, extended library hours, and increasing residence hall intervisitation hours. Under my administration, not only will the S.A. provide fine student entertainment, but will work hard to improve student life at M.S.U.

I sincerely want to serve as your next Student Association President. With your help, we can build a stronger university by keeping the students' interests first. If elected, I will carry out the above programs and many more like them to the best of my ability. That's a promise you can count on! Thank you very much.

Fellow Students,

As a candidate for Student Association President, I have taken a different approach in my campaign. Instead of giving you the same old promises of more open house hours, better parking, ice machines and dollar changers in every hall, I am offering you a set of goals, not promises, which will make our Student Association a better representative of the Student Body.

If elected President, I will strive for better communication between the Student Association and the Student Body. Only when the student body knows what the Student Association is doing will they be able to become more involved in what is going on and only through more student involvement can the Student Association become a better representative of the Student Body.

I will strive to set up an open forum which any M.S.U. student can attend. This forum will be completely informal and give all M.S.U. students a place to air their complaints or share their ideas.

I will strive for more campus activities involving both campus organizations and the entire Student Body. Only through more student activity can we achieve the level of student participation necessary to make our Student Body more united.

The "annual promises" of more open house hours, better parking, and more facilities in the halls are great ideas, but as a candidate it is truly impossible to promise these things to you. Only when we become more united can we successfully achieve these goals.

The major point of my campaign is to get the Student Body to realize that this is our campus and if we work together through better communication, more involvement, and strong leadership we reach any goal we strive for.

Thank you,

Bobby

As vice president of the Student Association, I will work to improve the parking situation, student health services, and open house hours,

There is a definite parking problem on campus. This problem can be alleviated to a certain extent by requiring freshmen to park their cars in designated off-campus lots. This can be achieved through legislative action of the Student Association in cooperation with other university committees.

Due to budget cuts, beginning next year the infirmary will be closed on weekends. This will pose a problem for students requiring emergency medical care who are unable to pay ^{the} expensive cost of emergency room services. I will work to implement a plan through cooperation with St. Claire and the university by which students can be treated for emergencies at a reduced rate.

There is a need for more open house hours in the residence halls. The open house committee has ~~suggested~~ ^{proposed} a plan for weekly open house hours in ~~all~~ halls which I will support.

When I am elected, I will work to make sure these proposals become realities, not just promises.

David Holton

Fr. (Pre-Law) Major

During this campaign, I have consulted you the students for insight to find your major concerns pertaining to this University. I have received much valuable input.

Below are listed some of the major concerns expressed. If I am elected, these will be among my goals:

1. To achieve a higher level of input from students concerning S.A. activities.
2. To devote a greater amount of S.A. efforts toward academic concerns.
3. To push for longer library hours, particularly during finals week.
4. To indorse the option of co-ed dorms and push for more open house hours.
5. Do what is possible to resolve the parking situation on campus.
6. To work with residence hall presidents to provide more residence hall activities.

I realize that these are ambitious goals, and that some of them may not be achieved. If I am elected, I will continue to hear your concerns.

Thank You,
David Holton, Candidate for
Vice President

SPEECH FOR THE TRAIL BLAZER prepared by Mike R. Campbell

I, Mike Campbell, am asking for the support of the Morehead State University student body on Tuesday, April 21, for the office of Treasurer. I attended the University Breckinridge School located on campus; therefore, I understand University policy and feel comfortable working with the faculty and administration. Being a nineteen year veteran of the Morehead area, I also know the problems of this community. I am presently a freshman representative in student congress and enjoy working with students in this capacity. My interest in student government stems from my major - political science. I am a firm believer in the democratic system and know that it can work well at the University if we as students elect more open-minded leaders. I am progressive, active, and energetic; what I lack in professionalism, I make up for with hard work and determination.

If the students choose me for the office of Treasurer, I hope they will not forget me after they have voted. I would like to see someone come up to me everyday next year and tell how this University can be improved. A special "thank you" to all of those who believe in me.

Respectfully Submitted,

Michael R. Campbell

As the incumbent, I feel that experience is the biggest asset I have to offer as your S.A. Reporter. During my current term in office, I have promoted association activities locally as well as statewide through the use of newspapers and radio. However, many more things need to be done. Such as plans for a newslines promoting all S.A. activities, bulletin boards in the residence halls to list S.A. events, and more student involvement in the Freshman Register.

I am currently working on this fall's Freshman Register, and also am looking for possible areas of improvement in the forthcoming registers.

As the incumbent S.A. Reporter, I pledge to you a successful publicity-filled year for students at MSU.

Thank You,

Debra Baskin, S.A. Reporter

BRENT LESTER REPORTER

How many campus events did you miss this year because you were misinformed or were not informed at all? If you're like me, you probably missed a lot of campus activities because they were not promoted well or not promoted at all. Promotions such as these are the job of the Student Association reporter.

If you, the students, elect me Brent Lester to the position of S.A. Reporter, I will not go into the job as a rookie. I have been involved in student government since high school. I have been involved in the S.A. here at M.S.U. in the form of working at the concerts and student security for the concert acts. One of my main qualifications for the job is that I am an Advertising and Public Relations major and this is what the reporter will be dealing with. Also, I plan to pursue a career in this field after graduating from Morehead State.

If you the students elect me, BRENT LESTER, as Student Association Reporter, I guarantee you will be the first to know what's going on and where.

My name is Jade Adams.

I am a junior from Flatwoods, Ky.

It has been my privilege to be a representative in the Student Association for the past three years. It is my belief that this experience is indeed of great value for the better representation of you, the student body. I have held the position of Programs Director this past year.

My only campaign promise is to continue my commitment to serve faithfully as your representative at ALL Student Association meetings and affairs.

I encourage each of you to become involved and participate in this election. Your support in my campaign for re-election to the office of Programs Director is essential and sincerely will be appreciated.

Thank-You for your support.

My name is Rusty Thurman and I am a candidate for Student Association Programs Director. I have served as commuter representative to Student Congress the past year, and am a member of the Student Association Legislative Action Committee. I am well acquainted with local businessmen, and feel this is an important qualification for an office in which one must work closely with local businesses.

If I am elected I will try to arrange student discount days as often as possible. I would like to work with local businessmen to arrange these discount days on a regular, monthly basis.

I would like to continue the success of the Friday night movies and show these as often as possible. This provides some entertainment for students spending the weekend on campus.

I would also like to have a much greater participation in the student job placement service. To my knowledge, no students were placed in jobs by the Programs Director this year. This is one program I would like to work with, for it could benefit students greatly.

Dear Fellow Student:

O'CONNOR

We are in the process of developing a plan for revising our current open house policy. We hope to submit this change to the administration later this spring; however, we need your opinions so as to structure our plan with you in mind. I hope you'll take a few minutes to fill out this survey and deposit it in the box provided for you at the front desk of your residence hall. Please complete and deposit this form by 12 noon Friday, March 6, 1981. If you wish to contact me concerning open house, you may do so by writing UPO 1331.

Thank you very much,

Christa O'Cull

1. What is your classification?
___ Freshman ___ Sophomore ___ Junior ___ Senior ___ Graduate
2. How often per month do you participate in open house?
506 -4 times 180 5-8 times 200 more than 8 times
3. When you don't participate in open house, what is your reason?
CHECK ONLY ONE
- 257 A. Had to study
214 B. No one to invite to my room
42 C. Open house creates a conflict with my roommate
151 D. I am usually gone home when open house is offered
98 E. I just didn't want to participate
163 F. Other reason (Please explain briefly) _____
4. Do you feel the present policy allows enough opportunity for open house?
271 Yes 662 No
5. If you desire a change in the open house policy, which would you prefer, (an increase 803) or (a decrease 84) in open house hours?
6. Do you feel that additional open house hours would be harmful to your grades?
110 Yes 819 No
7. The administration feels that security, in the form of floor walkers, is necessary. Do you feel the floor walkers are needed?
156 Yes 780 No
8. Do you understand the purpose of the floor walker security system?
761 Yes 178 No
9. Do you believe that the present policy requiring the participants in open house to leave the light on and the door unlocked is fair?
371 Yes 566 No

10. Would you be in favor of the Student Association proposing, on a trial basis of one year, having a co-ed residence hall?

745 Yes 182 No

Our present open house policy allows 18 hours per week, on an alternating week basis. This amounts to a total of 36 hours per month in each residence hall. The plan we envision would allow for 64 hours per month, at an average of 16 hours per week. Below we have a listing of our proposed plan:

MEN'S RESIDENCE HALLS:

Monday and Wednesday every week
7 p.m. to 11 p.m. 7 p.m. to 11 p.m.

WOMEN'S RESIDENCE HALLS:

Tuesday and Thursday every week
7 p.m. to 11 p.m. 7 p.m. to 11 p.m.

ALTERNATING WEEKEND OPEN HOUSE

Friday Saturday Sunday every other week
7 p.m. to 1 a.m. 7 p.m. to 1 a.m. 7 p.m. to 11 p.m.

As you can see, this would allow every residence hall to have at least two nights of open house per week. You would have 8 hours open house two weeks a month and 24 hours a week two weeks a month. We feel this would allow greater participation in open house.

11. Would you favor the above plan for additional open house?

807 Yes 131 No

12. In order to increase open house, additional staff and security workers would be needed. By Student Association estimates, a room rate increase of \$4.00 per student per semester would provide funds for additional open house. Would you be agreeable to such an increase in order to provide an additional 28 hours of open house per month?

635 Yes 293 No

13. If you have additional comments or suggestions regarding open house, please feel free to use the space provided for those. THANK YOU VERY MUCH!

Respectfully,

Christa O'Connell

RE: Election

Congratulations on your election last Tuesday, April 21, 1981, to the Executive Committee of the MSU Student Association for 1981-82. Your fellow students, in electing you to your respective offices, have placed a great deal of trust and confidence in you. Only you can prove, through your work next year, that you are worthy of their votes. Much hard work is ahead of you, but you have accepted the challenges placed before you.

Each of you is invited to visit with me in my apartment on Wednesday, April 29, 1981, from 7:30 to 9 p.m. This will be a time for the new officers to gather socially and get to know each other better.

MEMORANDUM

TO: Vice President Crager
FROM: Larry Stephenson
RE: Student Association Sign Board Proposal

On January 21, 1981, the Student Association Congress passed a bill to erect a sign board near Baird Music Hall. It was thought that this sign board could be built by one of our classes, and it was to be a memorial to the Iranian Hostage situation.

The Student Association Congress approved "up to \$500" for this Sign board.

In the last meeting of the Student Association Congress this year, it was discussed that President Norfleet had expressed a desire to have the same type of sign board as that near the ADUC. This is aluminum rather than wood and the cost was estimated to be \$900-\$1,000.

As only "up to \$500" had been approved, it was felt by the Congress that any additional allotment of funds would need to be considered by next year's congress.

This funding was to have come from the Campus Improvement Fund which has a balance of \$1,080.47 as of May 18, 1981.

STUDENT ACTIVITY FEE

Full-time students are permitted to attend fee paying athletic events at the University upon presentation of a University identification card. As a result, income which would have ordinarily been generated in the form of gate receipts is not realized and thus the actual revenue creating ability of University athletic programs is understated. In order to reflect a reasonable amount of "student income" to the revenue producing sports of Morehead State University, it is recommended that a portion of the student activity fee be dedicated to support the intercollegiate athletic program.

I recommend that one half of the Student Activity Fee be designated to support intercollegiate athletics at Morehead State University and that those student services currently supported by the Student Activity Fee continue to be supported by University general funds.

The above resolution was approved by the Board of Regents of Morehead State University at its meeting on May 23, 1981.

Who??

The purpose of this survey is to ascertain the feelings of minority students as students on the campus of Morehead State University. There are approximately 6000 students at Morehead.
