The meeting was opened by the president of the council, Tom Cope.

The first item on the agenda was to decide when and where future meetings would be held. By unanimous vote, it was decided that meetings would be held the first and third Sunday of every month at 10:30 p.m. in the living/learning center of Cooper Hall. These meetings will frequently be open to anyone who would like to attend. Non-council members will have no voting power.

The second matter of discussion was the preliminary Miss MSU Pageant. The council decided to have try-outs to qualify as the pageant representative for Cooper Hall. Allen Mathews suggested that contestants be judged by Cooper residents at the preliminary contest. The council voted to hold the contest at Baird Music Hall on Friday, September 19th at 8:00 p.m.

The council discussed having a mixer with Waterfield Hall in the near future. The RA's are in the process of making arrangements.

The council decided to have an insignia design contest. The winning design will be used as an unofficial symbol of the hall and will be embossed onto our scrapbook. It was decided that the insignia submissions would be taken by Tom Cope starting Monday, September 15; it was agreed that the deadline for submissions would be 10:00 p.m. Sunday, September 21, 1980. Discussion about the use of the logo will be resumed at the next meeting.

A fifth matter of business was the possibility of Cooper Hall building a float for the Homecoming Parade. If enough residents sign up to help build the float, the council decided that the project would be feasible. The possibility of building a float with a female residence hall was considered. Feedback is needed from Cooper Hall residents. A sign-up sheet will be made available to more accurately gauge the success of float building.

The council also decided to appoint Eugene Gayles to determine the feasibility of having a bonfire for homecoming sponsored by Cooper Hall.

President Tom Cope brought up the details of our unannounced fire drills. It was decided that the hall council would help secure the building in case a sufficient number of RA's was not present during an unannounced drill.

In the last part of the meeting, the council considered the complaints of many Cooper Hall residents about the cleanliness of the hall. Some of the points discussed are as follows:

1) The bathrooms are apparently cleaned only once a week, if that often, which is far from enough.

2) The halls are frequently only spot mopped, and do not appear to have been thoroughly mopped since the hall was opened for the fall semester.

3) When the bathrooms are cleaned, no attention is given to the corners of the walls or to the points where the wall meets the floor. At these boundaries grime can be seen building up from each mopping.
4) The maintenance crew (janitors, trash men, auxiliary helpers) is paid by our tuition and tax monies. Because of this fact, the students and council members want to know why so many maintenance men can be found lounging in the Cooper Hall lobby from 10:30 a.m. until 12:30 p.m. and from 2:30 p.m. until 4:00 p.m. EVERYDAY. The council decided to contact the foremen of these crews to see if they can rectify the situation. If this measure does not work, the council will elect to take more effective action at the next council meeting.

Having concluded the aforementioned business, Tom Cope accepted a motion and a second to that motion to adjourn the meeting at 3:04 p.m.

Hall Council

An emergency meeting was called for 10:30 a.m., on Friday, September 26, 1980, because Monica Mastin had lodged a complaint with Mrs. Hopkins, concerning the election's not having been advertised further in advance. The question was whether the vote should stand, or whether there should be another election.

Monica's name had been placed on the list of candidates by a friend, and the friend had not informed Monica, so Monica had not known until the election was almost over that she was a candidate.

There were only three members of the Council able to meet, but all others were reached by telephone, and the unanimous decision was that the vote should stand. Everyone felt that since the contest had been advertised widely in the hall for two weeks, that anyone who was interested would have entered her own name.

Also, they felt that because of the fact Monica did not enter her own name, it would be unfair to the winner to hold another election.

Mignon Hall Council

Call to order: Mignon Hall Council was called to order on Monday, September 29, 1980 at 9:35 p.m. in Mrs. Rosenberg's apartment by President Christa O’Call.

Old Business: Christa asked Vice-President Jackie if she had heard from the Housing Committee. Jackie said no. President O'Call asked Mrs. Rosenberg for the Council’s financial statement. Mrs. Rosenberg informed her that we would only be receiving a financial statement once a month. She also informed us that Mignon Hall had been allotted $1200.00 maximum for both semesters of this academic year. It was also established that we had not received a bill from Cantrell Hall for the refreshments.

New Lobby decorations for Homecoming Business was discussed. The theme for this year Homecoming is "Eagles Enter..."
the 80's. The Council was informed by President O'Call that prizes would be awarded for the best decorated female residence hall and the best decorated male residence hall. It was suggested that we have a contest within Mignon Hall to stimulate the girls to decorate their front windows, which look over the balcony. The themes for the window decorations could be a combination of Homecoming and Halloween or just Homecoming. The discussion of the prize for the winners of the contest resulted in the decision of the sum of $25.00 to be used to buy diners at the Holiday Inn. The $25.00 will be distributed among the four girls occupying the winning room. Thus each girl will receive $6.25. It was decided that the windows would be judged from the street or patio. The date and time set for the judging of the windows will be
Wednesday, the 22nd of October at 3:00 pm. The recipients of the prize will be announced at either the pep rally or the Little River Band Concert. President O'Cull suggested that Chris and the R.P.'s make signs publicizing the contest and distribute them evenly about the hall. President O'Cull also suggested that Chris spruce up her signs more so they would be more eye-catching and hopefully stimulate more participation in activities.

The discussion of whether or not Mignon Hall would produce a float for the Homecoming parade left the Council thinking more on the lines of just making a banner. Vice-President Jackie informed us that if we did want to make a float that we would be provided with $100.00 and a wagon by the alumni Association. Downtown merchants would be sponsoring the
Floats from the different residence halls. A prize of $500.00 would be given for the best float. Jackie gave list of Homecoming activities.

President O’Cull informed us that we needed to make nominations for Whos Who. The Council received two nominations: Christina O’Cull and Janice Hester.

President O’Cull informed the Council that the mixer with Cartmell last week had been cancelled. It was now set up for Wednesday, October 1.

President O’Cull said that representatives from Alumni had informed her that Alumni wished to have a mixer and wanted to invite Mignon Hall. No details have been discussed as of yet, but the Council decided that the date for the mixer would have to be after Homecoming if it could not be set up for Oct. 16.
Chris suggested that we have a cheering section for the game at Homecoming. Her idea was received well by Council.

The RA's are sponsoring a stuffed animal parade next Monday, October 6th. The Council discussed details of the parade such as categories to be judged (most loveable, most life-like, most cuddly, etc.). Committees were also set up for games, refreshments, prizes, and decorations for the activity. Committee members are as follows:

Games: Virginia, Cindy
Refreshments: Harriet, Jackie, Ketha
Prizes: Laura, Ketha
Decorating: Chris, Pam

Pool Party given by RA's was discussed briefly. Decided that everyone would meet in the lobby and go down to the pool together. Hiring for lifeguard for the party was also discussed. President Orillie
will look into it as she and Mrs. Rosenberg know prospective lifeguard for the job. The party will be on October 13th from 9:00 pm - 11:00 pm.

Discussion of activities to perform with the children at Headstart and the Senior Citizens home ended up with the Council planning activities at both for Christmas and Thanksgiving. Chris brought up the idea of adopting a grandparent. President O'Call suggested that we might make scrapbooks to take to the Senior Citizens.

President O'Call inquired if the Council members would like to have an ice machine installed. The unanimous answer was yes. Chris then informed the Council that the price of the machine is $1000.00 and Mignon would be required to pay half of this price.
Mrs. Rosenberg brought up the suggestion that the Council discuss the rules of absenteeism among Council members. The clause in the Constitution concerning absenteeism states that any member who has three total unexcused absences can be removed from office. The member who misses a meeting must submit a written excuse to the Secretary eight hours before a regular meeting is held and within eight hours after a called meeting. The Council will then make a decision as to the legitimacy of the excuse and the Secretary will inform the member of the Council's decision.

It was decided that the Council should make plans at the next scheduled meeting for decorating the lobby for Homecoming. Chris and Pam are supposed to
bring pictures of Charlie
Brown characters to be blown
up to size for the next meeting.
The Council has decided to use
characters from the Peanuts
comics strip to decorate the
lobby.

Motion to move by Laura Varney and
adjourn seconded by Cindy Lamholt that
"the meeting be adjourned" Motion carried.

Adjournment The meeting adjourned at
10:58 p.m.

MINUTES DOWNING HALL COUNCIL OCTOBER 5, 1980

Meeting was called to order by Vice-President Chuck Conti at 10:00 pm.
Those present were: Steve Gosney, Rob Heise, John Borders, and Mark Ledford

Sam informed Chuck prior to the meeting that 95 residents had responded positively to having Showtime in the halls.

Council decided to donate money for the halloween party of around thirty dollars.

It was discussed that we have a Homecoming candidate in the person of Barb Peterson and we decided to make signs for her and put them up in the hall.

We discussed amount of damage occurring in the halls. We decided that we should investigate the motion to allow residents to decorate their rooms as they wish with the administration's approval. In Nutshell, studies from Univ. of Auburn showed a decreased amount of vandalism occurring in halls when students were given the freedom to decorate their rooms.

Mike suggested getting a pool table for this hall. It was decided this would be a major expense and too much for our budget. The suggestion was made to get approval for showing a movie in possibly Button Aud. Money raised from the project would be used for buying a pool table.

Carrinell Hall Dorm Council

Dear Jinks, Rubbe, members of Hall Council,

It is with regret that I must resign my position as dorm council vice president. Due to time limitations of my own, including classes, studying, and job commitment, I do not feel I have the time to carry out my duties properly. I feel that if I were to stay on in my position, I would only be hurting your efforts in doing things for and bettering the dorm. I hope that you have no problem finding a replacement for me and that your efforts and work for the dorm are successful and rewarding.

Sincerely,

Howard Bar
Effective the end of fall semester 1980. I, Kim Harris, will be resigning from my position as President of Mignon Tower.

Due to the possibility of graduating next fall, my class schedule and hour load is such that I cannot give sufficient time to the presidential position.

I will be willing, however, to assist whenever and however I can as time permits.

I am convinced that the Vice-President filling my position is quite confident and I hope that her spring semester as Mignon Tower President will be as gratifying and enjoyable as this past semester has been for me.

My curtsy is to you for your past and future accomplishments as residents of Mignon Tower and the enthusiasm that has been portrayed to make your resident hall the best it can possibly be has been greatly appreciated.

Sincerely Yours,

Kim Harris
