North Eastern Boundary.—The Legistature of Maine brought its session to a close our the 2rd inst. One of its last acts was the adoption of resionitions reported by the joint committee of both houses, on the proposition submitted by the Pederal executive, for the establishment of a new boundary jime between Maine and Now Branswick. The resolution refused the assents of the Statatuck of the Pederal executive, in the proposition, and insite on the (unsaccraticable) treaty line, and decline, for the present at least, assenting to the appointment of a new 'arbiter. They also request the Seastors and Representatives of Maine, in Congress, to urge the passage of a bill for the survey of the boundary.
