

THE PROGRESSIVE.

THOU SHALT NOT STEAL, BRIBE NOR GRAFT

VOL. 1. NO. 28

OLIVE HILL, CARTER COUNTY, KY., MARCH, 8, 1913.

Price: \$1.00 per year In Advance

Mrs. Morse-Yale returned Sunday from Cincinnati, where she had been buying her spring millinery. Watch for announcement in this paper next week.

We learn that Geo. B. Terrell, the former editor of the Progressive, is in the newspaper business at Louisa, Lawrence County, Ky.

THE COLLEGE

Mr. E. S. Hitchens, and Rev. G. W. Howes, the committee who went to Cincinnati in connection with some of the preliminaries concerning the college to be erected here, returned last week.

Although we cannot give the exact details in regard to the commencement and extent of the work, we are able to state that the college is a coming addition to Olive Hill, and time for beginning work is close at hand. Further information will be printed.

The Mud Tax

Farmers of Pike County may be complaining about their taxes (and they are justified in doing so) but they are paying one tax that is more than all the others combined—the mud tax. This tax is now in process of collection, and will continue to be collected for two months or perhaps longer. Farmers all over the United States who are without good roads are paying this tax now, which is greatly in excess of all taxes necessary for the operation of Federal, State and County governments. Collections will be made every year until the farmers take an absolute stand for good roads.—The Progressive-Kentuckian.

Dear citizens of Pike we are in close sympathy with you, both because of the condition you deplore, and the remedy so hopelessly distant. While endeavoring to stimulate interest in the roads question, we have been wonder-stricken at the inactivity of our most active citizens who, while loudly booming the town, leave the roads leading to it in a condition that utterly forbids travel. On the roads of Carter (if they are not soon repaired) rafts will soon be used for transportation, and it will be unwise for anyone to make the voyage without a life preserver among his baggage impedimenta.

Wilson's Cabinet.

Houston; Secretary of Labor, William B. Wilson

PASSED OVER VETO

Webb Bill Passed Quickly By Both the Senate and House

Washington, March 1.—Following the example of the Senate the House this morning by a vote of 244 to 95 overrode the veto of President Taft on the Webb bill to prohibit the shipment of liquor to dry States. The Senate yesterday afternoon passed the bill over the veto by a vote of 63 to 21, and the measure now becomes a law despite the objection of the President.

The Kentucky members voted as follows:

Aye—Fields, Johnson, Langley, Powers, Helm.

Nay—James, Rouse, Sherley, Stanley, Cantrill.

A general debate followed a motion by Mr. Clayton to place the Webb bill on passage over the President's veto shortly after the House convened, but by an overwhelming vote the previous question was ordered and a time limit was placed on the debate on the bill.

Representative Stanley spoke in opposition to the measure. He was absent when the vote was first taken on the bill. He favored supporting the veto of the President, declaring the measure was unconstitutional. During the course of his speech he made an effort to give a history of the country from the time of the thirteen colonies to the present time. He said he would not alter his convictions, and that actual conditions to-day, as well as the proper observance of the constitution, encourage him in the belief that he is right.

President Taft based his veto almost entirely upon the ground that it was unconstitutional in that it virtually delegated to the States control of interstate traffic in liquor when, he held, that control was vested solely in Congress. Attorney General Wickensham had given an opinion also holding the bill unconstitutional, and that the President forwarded to the Senate yesterday with his veto message.

Supporters of the bill say that it will make effective the prohibition laws in "dry" States, these they say now are violated because intoxicants are shipped in to individuals and have the effect of nullifying the local laws.

New Nickels Ready

Washington, March 1.—Four million glistening new nickels, with an Indian head on the face and the figure of a buffalo on the reverse, to supplant the time-honored 5-cent piece, with the Goddess of Liberty as its characteristic, are piled in the vaults of the United States treasury and sub-treasuries, to be turned into circulation to-day.

Only once in twenty-five years can the Secretary, without the sanction of congress change the design of any coin. President Wilson's Secretary of the Treasury will have a chance to change the dime, quarter, and half-dollar, because in 1915 the present designs will have been in circulation for a quarter of a century. Some of the treasury officials now in office are in favor of changing them on the ground that they are inert.

Geo. Wilson who was injured by a train in Ashland last week is much improved. F. C. Wilson, his father, returned to his home at Olive Hill.

GENERAL NEWS ITEMS

Taken From Associated Press.

The Kentucky State Farmers' Institute closed the annual session after a successful meeting. Next year the institute will meet in Frankfort. Many resolutions were passed, the more important being for good roads in every part of the State, and for cheaper railroad rates on line.

Fourteen freight cars were ditched, and a man named John Glover, of Mt. Sterling, Ky. was seriously injured Thursday night, when a C. & O. manifest train, first 92 was derailed at Stepstone, on the Lexington division. The cause of the derailment has not yet been determined.

Newton Arnold was indicted Feb. 27, for the murder of Harry Bailey and by agreement of the attorneys in the case the matter of a change of venue will be taken up March 7. Arnold, who was in jail at Lexington, was brought to Cynthiana for indictment and returned to Lexington.

About 2,000 head of cattle of medium quality were offered at Mt. Sterling last court day. The sales were good and the prices high. The demand was heavy. Yearlings brought from 4 1/2 to 7 1/2 cents; 1,000 pound steers from 7 to 7 1/2 cents; cows from 4 1/2 to 5 1/2 cents; heifers from 5 1/2 to 6 1/2 cents; oxen 6 1/2 to 7 cents.

Robert Hale, bartender, was arrested at Lexington charged with the murder of Alvin Bromback of Georgetown, who received a cut on the head while in the saloon of Graves and Gallagher, from which he died. Hale claims he tried to put Bromback out of the saloon and Bromback fell, striking his head against a cushion.

The preliminary hearing of Bob Chinn, of Russell, who shot and killed Dial Vaughn, of the same place, has been postponed until to-day. It is thought that Chinn will be declared insane, as he already has been confined in the State insane Asylum on several occasions.

Chinn is now confined in the Greenup jail and when searched before being locked up, a large butcher knife was concealed on his person.

The neighborhood of Santafe, near Brooksville, Ky. was greatly shocked by a tragedy at the home of Joseph Hatfield, in which all of his four children perished. The home was on a farm near Santafe. Mrs. Hatfield left the house to go to a neighbor's for some water and locked the door behind her. She was gone but a few minutes, but when she returned she found the house only a smoking ruin. The four children had perished. Their bodies were huddled together and were burned to a crisp. The oldest was five years and the youngest but three months.

At Paducah, Ky., \$12,000 were awarded by a jury in a suit for the death of Emmet Parkman, who was electrocuted when he seized a highly charged telephone wire. Crossed wires were responsible for the accident, and the jury apportioned the verdict with \$8,000 against the Paducah Home Telephone and Telegraph Company and \$4,000 against the Paducah Light and Power Company.

During the Progress of the trial it developed that the mother of the boy had married, and it was necessary to call a halt until F. G. Rudolph, public administrator, could qualify as administrator. His mother, Alvine Parkman, married W. M. Rissinger the day before the trial was called.

Announcements

We are authorized to announce

G. C. COUNTS

a candidate for the office of county clerk of Carter County, subject to the Progressive Party.

Letters Remaining Uncalled for at P. O.

The following letters remain uncalled for at the Olive Hill P. O., February 24, 1913.

Oria Mack,
Alice Kiser,
Della McFarland,
Will Williams,
W. H. Perry,
Lonzo Parker.

H. G. HICKS, Postmaster.

In this issue of the Progressive, appears the announcement of George C. Counts as a Progressive aspirant to the county clerkship.

George C. Counts is too well known, especially in this immediate vicinity, to necessitate any introduction. He is a son of Samuel Counts, is 46 years old and worked in the county clerk's office under James Fultz. This experience, together with the fact that he is a teacher graduate of the Valparaiso college in its 1894 class, places his qualification for the office he seeks above question. School teaching has been his principal pursuit since 1886. He asks the Progressive voters of Carter County to consider him in selecting a candidate.

Income Tax Ratified

Washington, February 26.—Secretary of State Knox, has formally announced that the income tax amendment had been ratified by the requisite number of States and is now a part of the constitution of the United States.

A close adherence to the precedent established in the announcement of the adoption of the fifteenth amendment resulted in the exclusion of Governor Wilson's home state from the list of thirty-six sovereign states which gave life to the new amendment. It happened that the Wyoming certificate legally afforded the exact number of states necessary to make up the three-fourths of the total required to give effect to the amendment. It was necessary to announce that fact, and although New Jersey and New Mexico came over with their certificates just two days later than Wyoming, they could not be regarded as having assisted in the consummation of the constitutional amendment—Atlanta Constitution.

Candidates, Attention!

The American Flag

Candidates for County offices will make no mistake in getting their announcements before the people early. It is our impression there will be a list of names similar to a roll call for the consideration of Carter voters this year—three full tickets in the field, and after May 2nd all will be "hustle and bustle" for signatures to nominating petitions. The Progressive reaches the people, and our rates are not too high.

The Senate has passed Senator Webb's bill to prevent the desecration of the American Flag. The measure would prohibit the placing of any word, figure, mark picture or design or advertisement of any nature upon any flag, standard or ensign of the United States, and provides a fine of five hundred dollars or imprisonment for not more than six months for such desecration. The bill also would prohibit the mutilation of the American flag.
