## MY BROTHER.

Heard ye that mother's wail! for a darling son, whose parting bre

Is passing now:
Look on that cheek so pale—
cheek was roseate, smiles had lit that

That cheek was roseate, smires has a brow,
So cold in death.
His limbs were firm and strong—
Youth sat upon him like a throned king,
And yet day fate
Hath in its first along.
Swept o'er our heart and left all desolate
And sorrowing.

And sorrowing.

Aht who may tell the wo
Which wrings that mother's heart with bit
tent grief.

Who watched the flower
And taught its bud to blow,
And nursed it tenderly through every hoar

"Till it should leaf".

And all the promises which childhood gave
Were full repaid,
That laughter-speaking eye

That laughter-speaking eye am'd, and that proud form laid

In the deep grave.

He had sought the Southern

They told him e'er were bright and b

Sad Autumn to the wind is streaming Sad Autumn to the wind is streaming.
In searced and russet livery:
But yet to him Spring's nun is beaming.
No cloud to shade its brilliancy.
And Winter with its snowy plume.
Strides o'er the wild and cnaise the
But still for him Spring's fresh flowers.
As though for him they'd bloom for

nut row six not the power to six.

"Moher! I do not wish to die."—

He sighed: "Oh! I am very young, and love call world, and solden!y

Land love call it shou hope is strong, the and indeed." Around him wept.

The gathered household, o'er him him to be a six of the six of th

Nor knew the forms that near an coung. Gone whose the heart of youth is lightest—tione! when its kinding hopes are highest. When the sun of promise shines the brightest. And all ambition eachs is nighest—Gone to an early grave! Soft pance. Watch o's thy sleep throughout its night dad nebe shall sabled memory case? To soom, till once more dawns thy light.

BEAUTY'S EMPIRE.
What avails thine iron brow,
Storag one of the battle-field?
Then hast met a stronger row,
Kender up thy lance and shield.
Yield at lear—who yielded never—
Beauty roigns on earth forever.

What avails thy purple pride,
Monarch, on thy golden thron
Cast thy haughty look saide.

over any fines and forfeitures that may be in their bands, notwithranding they may have been received prior to the time the circuit and county court clerk is required to make such a list; and the trustee of the jury fault down the jury fund shall have a right to order execution on any judgments for fines and forfeitures which semain unpaid, and have the same collected for the benefit of the final; and any fines and forfeitures which the first day of December and the paid of the final; and any fines and forfeitures which the first day of December and the first day of Dec

exercise, judge between the following extremes. A flow hunter can get drunk ever night in the year, and yet live to an old age, but then it is all exercise and no thought A sedentary scholar shall and head to thought

A FRANK ON THE AMERICAN FLAGALA CARDNESS WITHOUT YE. GOAVING Gulseen the 188th, discovered a brig tent a
rarge ation making first their under a heavy
press of columns.

They give up the
class in three hours. The Columns then
risp pet at Velesco and some offer stood
for New Orleans. When see miles from
for New Orleans. When see miles from the same vessels again gave A. Etter from on board the Colum-

Velasco, the same versels again geve chase. A Fitter from or board the Columbia ways.

The brig shot across our stabboard how effectually to intercept our flight of a tempted. We kept the national colours and the Columbia of the Columbia at the main. On dividing, in order to prevent our flight, at a fitte mere than nausket shot distance, the brig moisted the Mexican colours and fired a goal wheld with grape and casulater, which pussed close under our boat of the should be Thus ended this encounter.

This entirely his encounter. Capt. Wright praceled on his way triumphantly without home generated.

The New Oldens American gives some farther printedns. The brig appelan of war the new stoop of wer tguals, that lately mide out of Bathimore, and is commanded by Cam. Lopez. She carries 32 1.38 years and has about 200 men. The hap was the Induke, commanded by a rangede American named Davis, carries 18 years, and has about 200 men. The hap was the Induke, commanded by a rangede American named Davis, carries 18 years, and has do board an immense namber of mere supposed to be troops chained to make a language of Galverston bland to destroy the navy yard. It was the teteration of Captain Wright, of the Columbin signan packet, in case of being bear ied, to throw hot water from his boiler does not be loweders, and indeed to had some on the boarders, and indeed to had some on the boarders, and indeed to had some on the boarders, and indeed to had some hearied, to throw hot water from his boiled on the boarders, and indeed to had some idea of running the brig' down. Captain Wright's coolness and bravery is very highly extolled, and the passengoes met and passed resolutions highly complimeta-

Materials for Dyspepsia Bread.—Mr. Clarke, an operative chamist of London, who was cuploxed, in January, by the Board of Admiratly, to analyse fourteen hondred and sixty-seven sacks of flour, at Dalt, took samples from each seek, and its some he found that upwards of a third-was plaster of Paris.

The person-who owned it, and was shourt to sand it to Sonio or Portural, was

WILLIAM NEAL & CO.

Bull, took amples from each seek, and it
may be be found that upwards of a third
was plaster of Paris.
The person who owned it, and was
the person who owned it, and was
the person who owned it, and was
about to send it to Spain or Portugal, was
fined in the pennity of £10,000. Mr.
Clarbe has analyzed some Soucheng tes,
and fund there was 25 per cent. of lead
ore in it.

Constructed, Bark.—The Cincinntit
Why of Saturdo's says: "These are reparasia the city unflavorable to the selvenreparation the city unflavorable to the selvenreparation the condition of this bank,
and are satisfied that it is entirely able
to meet all its labilities, and that no run
upon it can prevent the prompt payment of
its neter."

CATISET CHARGES.—A private latter from Washington to the Baltimore Patriot says: The reported changes in the Cabinet, are at tiest, partly unfounded. The only changes that will be, are the Attorney General and the Secretary of the Navy—The Latter rotires in in April, certain.

A Pattern Distriction.—Gov. Chit-tenden, chief tragistrate of Vermoni, was of humb's birth, and rose by the force of alent to his exalted station. Ved, while Governor of the green mountain empire, alent to his excited station. Yel, white Governor of the green, mountain empire, in still continued to keep the same tavern upon the steep hill side, that he kept many years before. One evening a wagoner draw up accessed him thus—Gov. Chiteaden, as chief magistrate of Vermont, teaden, as chief magistrate of Vermont, as the trainer you all homage; but as Landlord Chittendes a l'Il thank you to turn out my support the state of the s

Yanker Igensity.—A gandeman of Al-sary has invented a machine representing four le figure at large as life, sitting on pelestal, halding in her hand an acces-lian, on which the preferent several pieces a design. This figure it is enid so centy one but his time an analog of the clean

Delicate Compliment to Mejessy. A Dubin nevero kesper, floorishing an shur-ry for old Ireland, informs his customers what the sason has commenced for Queen Victorit's celebrated and much-admired fripe and cow-heels, "Sec.

NEW FASHIONABLE HAT

NEW PASHHONAZLE HAT

"Mensulfactory.

MEE subscriber, practical hat manufactorer, would respectfully inform the
public, that he has commenced the above
susiness in the fown of Plenningsburg, in the
type frame building, on the corner of Main
Cross and Water astreats, and directly oppotors and Water astreats, and directly opposubscription of the principality of gentlemen's and youth;
bearing sharing said, comment, and with hots,
and water, seal, comment, and with hots, beaver, castor, seal, common, and sik hats, all of his own manofacture and in the most fashionable style. Every description of hats manufactured at the shortest notice, and will be sold at forcer prices (the quality and work-manship being taken into consideration) than

they can be had elsewhere.

All hats sold by him will be warrante water proof, and to retain their shape an color.

ROBERT HALL.

PROSPECTES of the Fleming-burg Ken-tuckian, successor of the Kentucky Whig. The subscriber, having become sole proprietor of the printing establishment in proprietor of the printing exactions ment in the town of Plemingsburg, will issue there-from on the 27th inst. a sheet hearing the above title. In taking upon himself the arduous duins of Editor he is fully sen sible of the numerous difficulties no must the two or remnigrous. The term of the common the commo

gence and the best information within the

gence and the best information within the reach of the Folitor.

The politics of the Editor is perhaps too well known by the patrens of the "Whigh" to meed repetition here, but for the information of those who are not subscribers to this paper, it may, perhaps, be necessary to say that a liberal course will be pursued twards all parties, and that the politics of the Kentuckian shall be as unpolitics of the Kentuckian shall be as un-objectionable as the condition of the coun-try will admit. Odious personalities or scurility will never find place in its columns It will never resort to indecent abuse o those who differ from us in opinion, and at-tacks upon private character will be care fully excluded.

fully excluded.

No effort will be spared by the proprie No effort will be spared by the propiet-ter to make the Kentuckian worthy, of that confidence and support of the cemmunity by which he is surrounded. The wants of the people shall be consulted and a paper suited to their testes supplied. A patronage commensurate to the exertions made to please is confidently hoped for. Ary this will be the only paper printed in this congressional district, it is expected that our friends in this and the adjoining coun-lies, will make some exertions to obtain es, will make some exertions to obtain

ties, will make some exertions to obtain me authoriber.

The terms of the paper: will be Two Dollars per unnum, if paid within the first three months; Two Dollars and Fifty cents if paid before the expiration of six months, and Three Dollars will invariably be charged if payment be delayed until the end of the year. W. T. CHAPMAN.

COMBINATION of literary talent: Mrs.
Hale and Mina Lealie. The Lady's
Book, having a larger circulation than any
cales Manthly Periodical in America. A
colored plate of the fashions in every number

Important announcement.

It was with sincere pleasure that lisher mentioned last season, the ari by which the Lady's Book and Ladie

forms the public, that he has re-opered this well knows exhibishment in the Gity or an avertage, and from its commodious articles and an avertage which his best creations shall merit. His horse is situated in the immediate stinning of the general hading for steinhoust, and opposite the Stige Office. The interior of the exhibithment has been entirely related, and all its forniture and properties are new.
