

FORT EUSTIS, VIRGINIA

June 15, 1943

Dear Art & Elizabeth,

I want to thank you and the congregation for the box of candy you all sent me. It just hit the spot.

The fellows in my tent are from Pennsylvania, Massachusetts, and California and they had never eaten creamed candy before so you can imagine how popular it was.

I ~~also~~ receive the church paper and enjoy it so much.

We have been kept mighty busy here at camp and this week finishes my basic training. I might be home in a week or two. It certainly will be good to see everybody again.

Give my best regards to everybody.

Sincerely,

Andre B. Bourne
