John:

December 7, 1981

The Hall Council of Thompson Hall has voted to pay to you the amount of $10.00 for your services at the Downing/Thompson Mixer which was on December 2, 1981. This decision was based on your failure to provide adequate music and equipment for the dance. Due to your tardiness and lack of materials, we feel that this is a sufficient amount to reimburse you for the time and effort that you spent on the music.

I realize that we contacted you late, but if you anticipated difficulties, you should have declined our offer. It was really an inconvenience to not have music through half of our dance. I think you can probably realize why we were so displeased. However, we did hear the music you provided for the freshmen mixer the week before, therefore we realize that you are capable of doing a nice job. In the future, we will be sure to give you ample notice and in return, will expect to receive the good job we know you are capable of.
