

LAFLOON YOUNG SWEEP COUNTY TO DEMOCRACY

With only a third of the ballots cast in Tuesday's election, county returns indicated that Ruby L. Laffoon will be swept into office as governor of the Commonwealth of Kentucky with a majority as yet only estimated, but which will undoubtedly exceed fifty thousand. And old Rowan county executed, and has been previously recorded, has been carried into the Democratic column in a state election by a majority of 185 votes. Previous to this election while Rowan has gone Democratic in county affairs, it is the first time in her history that she has done a complete turn over and voted under the Democratic emblem in a state election.

And even more decisively, the endorsement for Judge Allie W. Fleming in his district, where he was opposed by Captain Ezra W. Proctor, a former attorney. The News predicted after the primary that the race was considered more or less a foregone conclusion, and the returns justified the prediction. In the district Judge Fleming received the endorsement of every county in his district by big majorities. Powell county, considered to have been the hub of the opposition, gave him a lead of over 250. Fleming went over 400 Democratic, including Judge Young. Fleming's tally piled up a formidable lead of only a few precincts behind that of them being normally Republican. Fleming, himself, normally a Republican, gave not only Judge Young but the Democratic ticket a strong lead. Mason county estimated to go over a thousand in his favor. Bath county will give a majority of over 800, an estimate based on the trend of the returns in those counties and the knowledge of the sentiment in other precincts.

Probably the most satisfactory vote in Rowan county, from the viewpoint of the Democrats was that of Morehead, 10. Judge Young piled up a majority of 113 in that normally Republican stronghold, while Governor Laffoon absorbed it by 22 majority. Judge Young was naturally delighted with the result as he highly considered it an endorsement tendered him by his Republican friends. Number 10 in normally a fully Republican precinct.

On the other hand, the majority of Judge Young in the county, while it showed the rest of the ticket was disappointing to his friends, who felt that, considering his record of service to the people of this community and county, and disregarding the qualifications or lack of them of his opponent, he should have carried his home county by at least a thousand majority. It is unfortunate that the citizens of Rowan county were unable to say it more forcibly, as it should have been said, for it indicates that service is at a low value when placed below party.

Hogtown furnished a surprise to the party of four for Harrison. Judge Proctor by returning a majority carried it by 64 votes. It also upset the hope, being normally Democratic precinct and voting the entire Republican ticket a majority. Proctor carried Number 11 by 121 to 107 for Judge Young. Pine Grove and Cranston gave Republican majorities for the entire Republican ticket, and piled up the vote against Judge Young. In Cranston Judge Young received only 10 votes while Proctor received 59. In Pine Grove Judge Young received votes while Proctor was given 10. However from the Democratic precinct, Number 10, it is estimated that on the whole it could scarcely have been called a race between Judge Young and his opponent, as he was a party vote. Naturally, the state ticket lent valuable assistance to Proctor and given him a comfortable vote which he would not otherwise have received. Bruce Stagg, Democratic candidate for Representative, opposed by

Whoopee To Be At Cozy

"Whoopee" which is to be at the Cozy Theatre with all the bustle of splendor that should be anticipated from the fact that Samuel Goldwyn and Florens Ziegfeld worked together to produce a musical-comedy spectacle in the talking color screen. All the lavishness implied in these two names appears in the gorgeous scenes, the beautiful girls, the rippling comedy from Eddie Cantor and his numerous assistants the fast pace and the splendid photography which makes "Whoopee" what it is. The plot of the picture is an adaptation of Owen Davis' grand farce "The Nervous Wreck" with its story of the imaginary invalid forced to be a hero in order to rescue the heroine out of trouble and married to the right man. Eddie Cantor's portrayal of Henry Williams, the invalid in question, is a classic of comedy from one of the stage's greatest. Combined with the beauty of huge ensembles of handpicked girls, fast, unflagging direction and breath-taking photography the whole picture is the talking screen at its best. "Whoopee" will be at the Cozy Monday and Tuesday of next week.

Men's Club Hears Robert Young

At the meeting of the Morehead Mens Club held Monday night Robert Young discussed the timber situation in America. Mr. Young said that most people remembered the milling interests at Farmers in this county and the amount of that industry at that time in this county. A few years ago he said the people were crying deforestation, and now they are wondering what to do with it. He sighted a number of instances in which he said various companies have discontinued the use of timber, notably the Standard Oil Company which now uses steel barrels and the railroad companies that use cheaper lumber which can be treated. Pine, poplar and white oak are three of the best lumber but manufacturers are using cheaper materials with veneers. The result is that the lumber industry is suffering universally especially local mills, because so many of the local dealers are buying cheaper pine and gum lumber from the southern states and he native industry is suffering.

LEGION TO HOLD MEETING SATURDAY

A drive is getting underway to make the membership exceed two hundred next year. The Legion is planning on enjoying a sheep eating on Armistice Day, November 11 at the John Trumbo place on Triplett Creek. Every man of every way is invited to be present at the big feed.

MRS. H. C. WRIGHT DIES AT CLEARFIELD

Mrs. H. C. Wright died at her home in Clearfield on Saturday, October 31 following an illness of four weeks. She is survived by her husband and six children. Services were held at the Clearfield school house on Monday, conducted by Rev. Henry Hall. Burial was made in the Clearfield Cemetery.

Freshies Win From Transy

A driving rain Saturday to pile up The Frosh of Morehead State Teachers plowed through mud and 32 points after the Transy Frosh had lucked a touchdown in the opening minutes of play. Coach Downing used the entire freshman squad, and all of the yearlings gave a good account of themselves. Candill, Clay, Leedy, Barlow, Horton, Kendall and Redwine composed the forward wall for the first half. At the start of the second half Downing began to send in reserves and as the game ended Paulson, Coochannon, Barber, Burtrey, Egan, Daniels, Meadows and "Lards" were backing Transy Frosh all over the lot. Hackney fumbled the kickoff after a 30 yard return and Transy recovered. By aid of a break they soon tallied a touchdown and made the extra point before the Eaglets had time to get used to the mud. This touchdown put the Eaglets in a fighting mood and they traveled the length of the field to tie the score at 7 all as the first period ended. The rain was driving down as the Eaglets' backfield of Clayton, Grigsby, Combs and Hackney began to pile drive the line for good gains. Combs ran the ends for long gains as Clayton touched beautifully, bringing two touchdowns and one extra point gave the Morehead Frosh the lead 20 to 7.

The mud was becoming sticky and the ball slippery as the second half got under way. Fumbles robbed the Eaglets of several chances of scoring and they made only one touchdown on a beautiful sweeping run by Clayton. The fourth quarter saw the subs taking Transy for a ride over the rainsoaked field before the small crowd made up of Frosh eds and co-eds. As the last whistle blew Morehead was driving and driving hard with the score 32 to 7 in their favor. W. W. Jayne and Roy E. Holbrook attended the meeting of the Little Eight Conference in Ashland Monday.

VIKINGS WIN OVER GRAYSON BY 19-0 SCORE

Well at least the Vikings proved that they were second best in the Little Eight Conference last Friday afternoon, when they took Grayson's Yellow Jackets into camp by the score of 19 to 0, that might as well have been more lop-sided. Local fans, rabid at best where the Vikings are concerned maintain that they are still better than Russell, but maintaining it and proving it are different stories. The Kings missed their chance and that's what Greenup should upset, the appearance of the Russell Red Devils, and from general appearance Greenup will not be given the opportunity to take the Red Devils on, much less into camp.

The Vikings seem to be fated to have to depend on somebody else to pull their chensuls out of the fire. Last year it was the same story if Greenup beat Russell it threw them into a tie with Morehead. But the boys from Greenup failed to beat Russell. This year, the only chance the Kings have to win is to beat Greenup. However Greenup beat Russell, and get a tie decision, admittedly a slim chance. Greenup, however is under suspicion, having played an inelegant man against Raeland, and is now under investigation from the State High School Athletic Association, with the probability of suspension from the conference for the rest of the year and the forfeiture of all games played. In that the Russell, Morehead-Greenup games will not be played and Russell will be crowned champions of the conference.

However the Kings won from Grayson 19-0. The game was one of the most lusterless ever played by the Kings, during the first half. The boys played as if they had not fully woken up yet.

The Kings revived their position in the last half to score at will. The boys' Evans, Fred, Caudill, Grigsby and Dynamite Cassel stepped up well at attack that put the power in the hands of the Kings. Evans showed that the forward line was not a flash in the pan but their real star. The line was giving holes through Grayson's defense and the wagon drive over, and through them, Robinson.

Vikings Win

(Continued from Page One)
 Barber were out of the game. Barber because of injuries and Robinson because of sickness. But the Vikings got along and won handily.

Fred Caudill played a whale of a game in Peck's place, driving thru several nice gains, blocking perfectly and grabbing plenty of nice tackles. Caskey got away to a bad start being unfamiliar with the back yard position, but came like a house on fire in the last half, making one run of about 35 yards and getting a number of beautiful tackles that meant something.

Denver Hall and Bub Tatum played tag in Grayson's back field most of the afternoon, smearing innumerable plays behind the line for eight and ten yard losses. On the whole a good time was had by all present.

Grayson kicked off to Morehead and the game was on. The Vikings lost on a fumble. Grayson failed to run the ball back for a first down and got off a poor punt. The Kings ran the ball back for a few yards but lacked the drive to put it over. The entire first half was a series of drives down the field, with Grayson opening up with a forward passing attack which for a time looked dangerous but which failed at the crucial moment and left the score nothing to the same. The Vikings simply failed to click. They couldn't get going and that's that. Roy and Warren must have put a touch of dynamite into their conversation between the halves, for while the same boys were on the field, the team looked and acted like the Vikings of old. They kicked off and went down to tackle the Grayson re-

ceiver almost in his tracks. They threw the first play for a loss and broke up the passing attack, forcing Grayson to punt and blocked the kick, recovering the ball. They tore through the line and on a forward pass June went over for the first touchdown and kicked goal, within two minutes of the opening of the half. They kicked off and repeated and Evans tore through the line on an inside tackle play, whirled, sketched a twisted and squirmed thru the entire Grayson team to go over for the second touchdown.

Following a beautiful end run by Caskey, marked by the most perfect interference with a gain of thirty five yards, the Kings took the ball over for the third march, straight through to Grayson line. Evans once more scored touchdown, making his total for the game 19 points.

MORRIS HARVEY GAINS VICTORY

Coach Downing's Eagles of Morehead Teachers College journeyed to Huntington and battled the Eagles of Morris Harvey for one hour on the gridiron and came back into Kentucky carrying the short end of a 19 to 0 score. It was the first set back for the Teachers this year and also their first night game of the season.

Morehead can no longer boast of being the only undefeated and untied college team in the state but anyway the Eagles have not met defeat by a team within the state.

Downing took his entire squad to Huntington and used most of his players in the game. The game was

played before a crowd of one thousand and mostly made up of Morehead followers.

The first quarter saw Morehead make the first threat only to fail in the play. Both teams kicked freely and neither had scored at the end of the first stanza. Morehead fumbled many times during the first half and Morris Harvey took advantage of the breaks and scored a marker near the close of the second period.

Morehead was fighting hard as the half ended with the Golden Eagles of Morris Harvey holding a six point lead. Downing talked to his squad in the press room during the half and the boys came back stroking in the third quarter and were giving the West Virginians a battle of their life, when Riddle fumbled a punt deep in his own territory and Morris Harvey recovered. By main strength they pushed and carried the ball twenty yards for the second score of the game. The try for extra point was missed.

Downing began sending in his subs and they played the same hard brand of football as the regulars did. The absence of Perry weakened the line but Henry was moved out to end and played the position in stellar fashion. This boy was the life of the team and Morris Harvey tried few plays around his end after the first quarter. Heaberlin in the backfield was Morehead's most consistent ground gainer and played a bang up game on the defense. Morris Harvey's power was in the center of the line and Kershner kept in there low and blocked play after play.

The last touchdown of the game was the result of a blocked punt by Miller of Morris Harvey who broke through the line when Morehead was attempting to punt from their four yard line after having held Morris Harvey for downs. Morris Harvey had fifty boys in uniform on the side lines and sent in several during the closing minutes of play. Morehead was outstripped and their futures were costly, but the Kentuckians fought to the last and gave a good account of themselves.

Restless, could not sleep

"THERE were days when I felt like I could not get my work done. I would get so nervous and tremble I would have to lie down. I was very restless, and could not sleep at night.

My mother advised me to take Cardui, and I certainly am glad she did. It is the first thing that seemed to give me any strength. I felt better after the first bottle. I kept it up and am now feeling fine."—Mrs. T. R. Gibson, Fort Payne, Ala.

MODERN PLUMBING

Dear Friends:
Another cold winter is coming. Don't wait too late and let your water system freeze up and burst.

Call me, and I will be glad to inspect your water system, free of charge. If repairs are necessary, I am able to do the work at very reasonable cost.

Don't wait. It might save you a larger repair bill.

Yours Respectfully,

"You needn't tell me
—I know Camel is
the fresh cigarette!"

FRESH

in nature's way

CAMELS are never parched or toasted!

FRESHNESS and flavor in a cigarette trace right back to natural moisture.

If you overheat or process tobacco so harshly as to dry out all natural moisture you drive out *freshness* and flavor too.

Camel never parches or toasts the fine Turkish and mild Domestic tobaccos it uses—they are *naturally* smooth, cool, mellow, with natural moisture retained.

That's why the Camel Humidor Pack proves such a blessing to Camel smokers—it brings them a fine cigarette *fresh* to start with, and *fresh* to smoke.

If you don't realize what natural moisture means in genuine *freshness* and flavor, switch to Camels and see.

Try this mild, slow-burning, throat-friendly favorite for just one day—then leave it, if you can!
