

Color my world with the happy times of today,
Leaving behind the sorrows.
Do not think of what might have been,
But live today and search for tomorrow.

Mr. and Ms. RCHS Chosen

Each year the Viking Yearbook Staff sponsors Mr. and Ms. R.C.H.S. To qualify for Mr. and Ms. R.C.H.S. one must be a leader in academics, extra-curricular activities, and contributions to the school. The R.C.H.S. faculty nominated five senior boys and five senior girls on the basis of those qualities. The winners were selected by the Junior and Senior students.

Mark Pratt and Melanie Stinson were announced the winners of Mr. and Ms. R.C.H.S. at halftime during the East Carter game on December 12, 1978. They each received an award certificate, and a silver trophy. Most important, they received the highest award R.C.H.S. has to offer, being crowned Mr. and Ms. R.C.H.S.

Students Tour Europe

Nine students from R.C.H.S. and their sponsor, Brenda Catron, went on a 12-day tour of Europe this year. The tour, which began April 12, included stays in England, France, Switzerland, Italy, and Spain. Such educational encounters as Windsor Castle, Versailles, Eiffel Tower, London Bridge, Big Ben, the Forum, the Champs Elysees, a bullfight, and Flamenco dancers, were experienced. Our group, which also included Cathy Catron and Mary Gregory, joined a group from Kansas in their tour. The trip was so successful, there will probably be others in the future.

1979 Queen and Court Chosen

The Junior Senior Prom is perhaps the most spectacular event during the school year. From the beginning of school, the Junior Class worked hard raising money, selecting decorations, planning a banquet, and choosing a secret prom theme. Ten senior girls were then nominated for the title of Prom Queen, and ten Junior girls were named to her court. The Juniors and Seniors voted on the one Senior girl they felt deserved the title of Prom Queen. All this preparation went for one night — Prom Night — when the banquet was held and the queen was crowned.

Boys' and Girls'

S t a t e

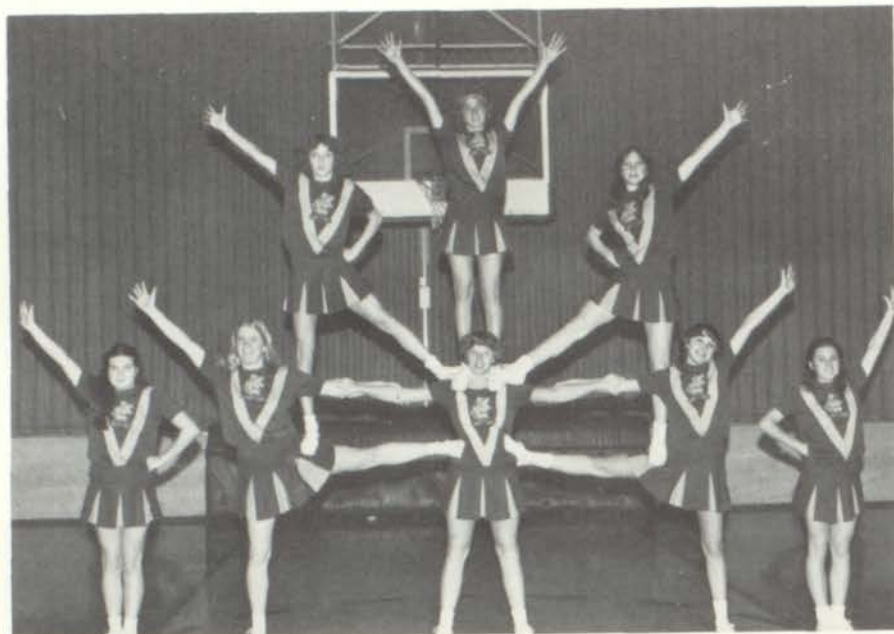

Boys' and Girls' State is an activity in which Junior students are selected to participate in a seven-day legislative process. Students are chosen according to character and grade point average. At Boys' and Girls' State, the students actually get the experience of being involved in government. They form a hypothetical state, two political parties and later elect officials to the state.

The image features a light gray background with several thick, curved, overlapping bands in shades of black and dark gray. The bands are arranged in a way that suggests a stylized, abstract landscape or perhaps a series of overlapping pages. The word "CLUBS" is printed vertically in a white, serif font, centered between the bands.

Vikings March Triumphantly

This year's Marching Band showed how good they were. They moved from AA to A which meant they competed against harder and bigger bands. They started out with a grueling week at bandcamp. At bandcamp for the third year straight they were the only ones to get their show finished. After that at the first two contests they did not place. At Bath Co. they got Two First Place Trophies in band and fronts. The next contest was at Georgetown where they won \$400 for placing first. The band had a really good marching season considering all the changes they were put through. They also raised enough money to get new uniforms for next year.

Left: Tim Black and David Pollitte took time to warm-up before marching practice.
Top Right: The Marching Vikings in competition at Georgetown.

Then All State Band in which four people were honored to be chosen to play. Next was Solo Ensemble in which seven people received superior and one person received excellent. All Regional Band and Band Clinic were next on the agenda. The very last competition was Band Festival which was held April 24.

Annual Staff Strives

The Annual Staff worked extremely hard this year. There were eight members, six of whom were new. Along with new members, a new publishing company was affiliated and a new advisor, Sharon Whitaker, was added. The staff seemed to be plagued with problems, which slowed the completion of the annual. But through hard work during school, after school, and the entire summer vacation, the staff was able to complete the annual before the beginning of the next school year.

Top Left: Advisor Sharon Whitaker searched for Quad-Paks, the final drafts for a page.

Lower Left: Angie Caudill looked through pictures to choose the ones appropriate for her pages.

Top Right: Jean Forman put in many hours overtime to complete her section.

This is Mr. Brock's third year in the Rowan County school system. During these three years, he and the board have done many things to improve our school system. Mr. Brock has been instrumental in establishing many new programs in the school. One of the major accomplishments is taking the first steps toward planning a new school building, which is badly needed. The students and faculty of Rowan County would like to thank Mr. Brock and the School Board for all they have done and will continue to do for us.

PEOPLES BANK

At the Caudill family reunion in 1906, a plan was born for the PEOPLES BANK. On June 1, 1907, its doors opened in the PEOPLES HOTEL BUILDING on Railroad Street in what was then the principal business section of town. In 1937, they moved to Main Street. PEOPLES BANK has spent 70 years of remarkable growth under the guidance of the Caudill family. Many of the employees are Rowan County Graduates including Mr. James Caudill, Past President, who graduated from M.H.S. in 1931.

When Earth's last picture is painted,
and the tubes are twisted and dried,
When the oldest colours have faded,
and the youngest critic has died,
We shall rest, and faith, we shall need it—
lie down for an aeon or two,
Till the Master of All Good Workmen
shall set us to work anew.

—Kipling
