

## G.O.P. WINS IN ROWAN; CARRY 12 PRECINCTS

Swope Carries County By 371; Jennings, Ellington Pile Up Lead in County

### REPEAL CARRIES SMALL COUNT

Although defeated by a large majority in the state, Rowan Republicans pointed with pride today at the majority that they ran up for King Swope and the entire republican ticket.

Swope came out of Rowan County with a majority of 371, while 2 local Republican candidates, Mrs. Ethel Ellington for Senator and J. T. Jennings for Representative had majorities of 681 and 522 respectively.

Rowan is considered as being generally 200 to 300 Democratic.

One of the unusual features of the count here was that Swope gained but little on the cross ballots, but ran up his lead on the straight tickets. This either indicated a minimum of bolting of a swing of Rowan County from the Democratic column to the Republican column.

Warning signs that Rowan was going Republican registered in the first precinct counted. Instead of going the usual 100 to 150 Democratic, Chandler received only a 14 lead, while Jennings and Ellington carried the precinct, one of the few times that it has been carried by a Republican. Politicians recalled that this is the only precinct that Henry Frewitt carried in his race with D. B. Cannon.

and the majority by which he carried them were: Morehead No. 1, 114 votes; Wagner No. 9, 26; Dry Creek, 2 votes; Hayes, 36 votes; Lewis, 16 votes.

Swope carried the following precincts: Farmers No. 2, 115 votes; Piercey, 20 votes; Hogtown, 27 votes; Pine Grove, 12 votes; Brushy, 12 votes; Morehead No. 7, 1 vote; Haldeman, 104 votes; Morehead No. 10, 7 votes; Farmers No. 11, 25 votes; Cranston, 21 votes; McKenzie, 36 votes.

The Republican banner precinct was at Haldeman, where party

## Repeal Amendment Carries Over State

Repeal forces, seeking elimination of the State's "dry" amendments to the Constitution, pulled far in the lead during the count Thursday.

In 2,245 precincts the vote stood at 275,642 for repeal, and 222,742 against. The margin for repeal was certain to pass the 100,000 mark. The second proposed change in the constitution, the old-age pension amendment, climbed steadily during the count toward its anticipated 600,000 majority. In 2,793 precincts the vote for the amendment stood at 406,124 and 44,475 against.

Rowan County also went slightly wet, and voted overwhelmingly for old Age Pension.

## Burrows, Crisp, Win In Magistrates Race

A heavy majority in Farmers No. 11 precinct saw Russell Burrows into office of Second District Magistrate by a majority of 11 votes, although his Republican opponent, Dorsey Armstrong, carried the other three precincts.

Burrows gained a lead of 84 votes in No. 11, while Armstrong carried No. 2 precinct by 45, No. 3 by 10 votes and No. 13 by 18. Burrows, has held the magistrature position since the death of his father, Fred Burrows. He had filled out his unexpired term, being appointed by the Governor.

A sharp battle raged in the race between Clifford Stamper (Rep.)

### Carries Rowan County

King Swope, defeated candidate for the Governorship, last night congratulated Mr. Chandler on his victory. Politicians agree that Swope ran as good a race, as possibly any Republican in the state could have.

## HOLBROOK GAME SET FOR MONDAY

The Morehead College-Alfred Holbrook game scheduled for Saturday, has been postponed, and will not be played until Monday afternoon at Jayne Stadium.

The Eagles received a rest over the week-end and should be in fair condition for the Holbrook game. Scheduled as a setback for the Teachers, the Holbrook affair appears to be a tough battle. Holbrook has a team than was anticipated, while Morehead has not come near up to expectations.

Meeting with tricky plays and showing signs of power and energy, the Eastern College Maroons scored a convincing and impressive 53-0 victory over Morehead here Saturday in the 8th re-

## Chandler Winner In Elliott Over 1,000

Elliott County returned a majority of 1077 for Chandler in Tuesday's election.

Rice and Brown with 1,778 votes each were easy winners in the race for the 2 places on the county Board of Education. Shelton polled 910 votes for the office, while Sparks received 368.

Elliott voted overwhelmingly for the old age pension and the wet, and carried the county by 93.

The Representative race was much closer with Fannin getting 1167 to 1059 for Sparks. Fannin was the only Republican to win in Elliott County.

### COLLEGE ASKS FOR BIDS ON SCIENCE BLDG., DORM

Advertising for bids on the new Science Building and Dormitory at the Morehead State Teachers College was asked this week by the Board of Regents. It is planned to start construction of the 2 new buildings as soon as possible. The advertisement for bids appears on page 8 of this issue of the Independent.

## Old Council Wins 5 Places Stewart, Calvert Elected

In a race that started out as a "peaceable" affair, but developed into a more rabid state on the day of the election, the old Morehead City Council, flashed under the wire, with one exception, by a nose, with the completion of the vote tabulation in the 3 city precincts.

John E. Calvert, operator of the Model Laundry, was the only candidate on the Citizens Ticket that won a place on the council. He replaces T. J. Trumbo, who ran fourth.

The Citizens ticket elected the Police Judge, however, as Leo Stewart, former United States Commissioner, won by a substantial majority, with J. C. Wells, Peoples candidate, coming in second, Melvin Johnson 3rd, and S. B. Muters 4th. W. H. Rice, a member of the old council, moved out. E. D. Patton by only 4 votes, for the sixth position on the town Board.

The vote on police judge: Leo Stewart 299; J. C. Wells 191; Melvin Johnson 116; S. B. Muters 77. The council vote: S. P. Caudill 336; W. H. Rice 314; N. E. Kempner 244; Robert Bishop 238; W. C. Lewis 228; T. J. Trumbo 204; S. M. Caudill 289; J. L. Holbrook 249; E. D. Patton 310; Mort Roberts 275; John B. Calvert 323; S. P. Wheeler 289.

## JENNINGS WINS BY 81 MAJORITY

### Morehead Candidate Defeats J. J. Thomas In Close Race

J. Troy Jennings, of Morehead, Republican nominee for Representative, who proposed a platform that would free "old voters," provide old age pensions, and many other reform plans, overcame a normal 800 Democratic majority in Rowan and Bath Counties to win the election.

Jennings' majority in the hotly contested battle was 81 votes.

The Morehead candidate rolled up an impressive 620 lead in this county, while Thomas failed to run but hit a head of steam in Democratic ticket in his county for a 539 lead.

This race was not decided until the last Orwingsville precinct (the colored ward) was counted. With

## Fire Destroys Vencill Mine In Western Ky.

Roy B. and A. S. Vencill who were operating a small mine in Muhlenburg County lost their entire machinery and mining equipment by fire from some unknown origin Tuesday night, Nov. 5. Their loss is estimated at fifteen hundred dollars without any insurance. Roy is a well-known citizen of Morehead, who recently moved to Russellville to take up mining and coal dealing with his brother A. S. Vencill.

### FRED CAUDILL RECOVERING AFTER GOITRE OPERATION

The condition of Fred Caudill, who was operated on for 2 goitres last week at Rochester, Minn., was reported good today. Fred has left the hospital, but will remain in Rochester for treatment the remainder of the week, and will go to Alavista, Iowa, where he will visit relatives, before returning to Morehead.

## Fiscal Court Has Last Session Until April

The Rowan County Fiscal Court will not meet again until next April, it was decided at a "rump" session, called at the courthouse last night. One new member, Clifford Stamper, will be on the court when it meets again.

At last night's meeting business of the old court was transacted.

# Chandler Leads Swope 85,000 Over Kentucky

### Happy's Victory Smile

The victory smile of A. B. Chandler is apparent in one picture. "I've won sometimes and lost sometimes, so it's nothing new to me," he said.

## Swope Congratulates Democrat Nominee On Victory

Making heavy inroads into normally strong Republican party and riding on the crest of a record breaking vote of 1,100,000, A. B. "Happy" Chandler, fully called by his supporters as "The Man of Destiny," swept to an overwhelming victory over Judge King Swope for the Governorship of Kentucky.

This afternoon (Friday) with 3.49 of Kentucky's 4,319 precincts tabulated the count stood:

Chandler ..... 428,555  
Swope ..... 346,586  
This represented a majority of 82,969, and it was conservatively estimated that Chandler's majority would amount over 100,000 by the time the count is completed.

Despite a steady rain through central and eastern Kentucky, voters of the Commonwealth, goaded by two rapid-fire primaries and more outstanding issues at stake than ever before, turned out to ro above 200,000 more than any other vote that was ever taken in Kentucky. The heavy vote is believed to have been in Mr. Chandler's favor.

The entire Democratic ticket was a sweep into office. Chandler led the ticket, and his running mate, Keen Johnson, Richmond publisher, was second. Other Democratic candidates did not have so imposing a lead, but they were safe by 50,000 upwards.

The defeated candidate, Judge King Swope, Thursday night sent

## BRADLEY, CAUDILL GET BOARD PLACES

Impressive majorities in Precincts 15, 16 and 17 enabled Sam C. Caudill to win one of the 2 berths on the Board of Education in this county in Tuesday's balloting.

Caudill, behind O. J. Clay, coming into the plank precinct, jumped into the lead and stayed there to win by 143 votes. Clay ran second, polling 1460 to Caudill's 1593.

Herbert Bradley was an easy winner in the same race getting a total of 2051 votes. Bradley demonstrated strength in every precinct in the county, and as the count neared the halfway mark his election was virtually assured.

Robert Cornette ran fourth with 1381, 95 more than Oscar Hall received.

## RECEPTION FOR BABB MONDAY

President Harvey A. Babb will entertain students, faculty members, and friends of the Morehead State Teachers College at a President's reception in the gymnasium Monday evening, starting at 8:00 o'clock.

This will be the first opportunity to make acquaintance with the new Morehead president, and several new members of the faculty.

The President's ball will be held immediately after the reception with music by the King's Jesters.

The President's reception is held each year in the fall and the opening of the second semester.

## ELLINGTON LOSES BY 300 UPWARDS

### Crockett Runs Behind Chandler But Has Sufficient Lead

Walter Allen Crockett, Maysville, Democratic nominee for State Senator, apparently had defeated Mrs. Ethel Ellington, Republican-Morehead, for the Senatorial post from the 31st district on almost complete returns.

Crockett held a 300 lead in the 6 counties, and his majority may go as high as 600.

Mrs. Ellington ran a better race than was generally considered, since the Republican District, does not have a Republican county, and is normally between 4,000 and 6,000 Democratic.

At the start of the count, Mrs.

A Quiet Election

Troops guarded a part of Rowan County's voting places on Tuesday. The vote taking was marked by an unusually quiet and orderly election, made partially possible by the presence of the patrolmen in Morehead, Haldeman and Hayes precincts.

No matter what may be said for or against the use of the police, it must be admitted that their presence with one possible exception in the Morehead precinct, had a quieting influence over any possible trouble that might have been brewing.

New Features

Inasmuch as the majority of the readers of the Independent do not receive a daily newspaper to keep up with the every day happenings throughout the country, the Independent has purchased additional feature service, which will begin in the next issue.

This feature contains cartoons and other interesting material that will help you to keep posted on what is going on. This newspaper is proud of the fact that it will be about the only weekly publication in eastern Kentucky that will carry them.

well worth seeing again and again. Miss Shearer, who has an undisputed claim to being the First lady of the cinema, has given us such striking recent portrayals as the sophisticated heroine of "Riptide" and the unforgettable Elizabeth Barrett of "The Barretts of Wimpole Street," but not even in these two distinguished pictures has she surpassed her stirring work in the dual roles of Mooneyen and Kathleen in "Smilin' Through."

The Raimaker Show At The College Sunday

Spice heavily with the tobacco of Bert Wheeler and Robert Woolsey, garnish with the vivacity and charm of Dorothy Lee, and you'll always get a motion picture dinner de luxe.

That recipe is followed to the letter in their latest RKO Radio comedy feature, "The Raimakers." From the viewpoint of pure entertainment, suspense, subtle wit and sheer nonsense, it leaps to a new peak in Wheeler and Woolsey fun-making.

The picture has as its background the drama of the recent Midwest droughts. The locale is moved here to a bean-growing community in California.

As the story opens, the bean farmers are facing ruin because of lack of rain. The local banker wires to "Roscoe the Raimaker" (Bob Woolsey), who motors cross country to the scene of depression with a

Bert Wheeler as his assistant. At "Lima Junction" the two "scientists" run into trouble and competition. Dust storms, rain storms, snow storms and brain storms (eyes, and a love storm for Bert) follow. But the good of rain-making machine finally works to perfection, and the picture closes with a side-splitting climax.

Viewed as a combination of thrills suspense and comedy, there is one scene in the picture which is said to top anything brought to the screen in years—the crash of two runaway locomotives laden with dynamite and with Wheeler and Woolsey in the engine cabs.

UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

Lesson for November 10

EZEKIEL TEACHES PERSONAL RESPONSIBILITY

LESSON TEXT—Ezekiel 18:1-18. GOLDEN TEXT—So then every one of you shall give account of himself to God.—Romans 14:12. PRIMARY TOPIC—A Prophet Encourages His People. JUNIOR TOPIC—A Watchman on Duty. INTERMEDIATE AND SENIOR TOPIC—Does God Hold Men and Young People and Adults Responsible? Individuals Accountable to God.

Ezekiel prophesied in the land of the captivity. The purpose of his ministry was twofold: (1) To show the heathen that they were in captivity because of their sins (14:22). (2) To show that God is righteous in his visitation of judgment upon them (7:8, 9). (3) To sustain their faith by assuring them of a national restoration, the punishment of their enemies and their final exaltation among the nations when Messiah shall reign.

I. God's Sovereign Right to the Souls of Men (18:1-4). Every man is personally responsible to God.

II. The Moral Obligation of Sons to Their Father (Ezek. 18:14-20). While the law of heredity gives the child a sinful nature and when the child arrives at the age of moral responsibility it begins that God holds each responsible for their deeds.

III. Ezekiel's Responsibility (Ezek. 18:1-9). As a prophet of God certain responsibilities were imposed upon him. There is a sense in which every disciple of Christ is a witness for him and therefore is responsible for the giving of his testimony to sinners. His responsibility is set forth under the figure of a watchman. Two things were required of a watchman.

1. To hear the words of God's word (v. 7). The source of the message of every minister and Sunday School teacher is God's Holy Word. Just as the prophet did not originate his message but received it of God's mouth, so it should be with every minister and Sunday School teacher.

2. To sound the warning (v. 7). After hearing God's message he was to speak it out and proclaim it to the people. A watchman today is both a seer and a speaker. The seer is to be warned of the impending danger. Preachers to sound the alarm make the watchman guilty of the blood of the sinner.

IV. God's Attitude Toward the Sinner (v. 10, 11). God has declared in His Word that unrepentance on the part of his people will cause the death of the heathen, that they would "pine away in their iniquity" (Lev. 26:28, 29). In view of this pronouncement some are disposed to believe that the case is hopeless. To meet this attitude of despair the prophet assured them that God had no pleasure in the death of the wicked, but that his sincere desire was for the wicked to turn from their way and live. Regardless of what their past had been, they were given the assurance that the future was bright if they heeded God's command and sin. No one need to despair because of sin, for God's grace is greater than human sin.

V. The Sinner's Personal Responsibility (v. 12-20). God created the members of the race personal beings, giving them freedom of choice. They have moral discernment enabling them to distinguish between the right and the wrong. They choose, therefore, according to the quality of their being.

The following principles govern the sinner:

1. Past righteousness will not avail for present sin (v. 12). When a righteous man turns to iniquity, his past seeming righteousness will be of no avail.

2. Past sin does not make impossible present acceptance with God (v. 12-15). By virtue of the operation of the law of habit, every sinful act makes it harder for the sinner to repent, but God's grace is such that if the sinner repents God will forgive and restore.

3. Restitution required (v. 18, 19). The proof of penitence is that, so far as possible, the sinner makes amends for wrongs done.

4. God's wars are equal (v. 17-20). God holds man responsible for his own deeds. The child is not condemned because of the deeds of his father, nor can it be said that the fathers have eaten sour grapes and the children's teeth are set on edge. This does not do away with the law of heredity. Regardless of what one's past life has been, God's grace in Jesus Christ blots out his record and he stands accepted in the beloved.

Friends Friends are companions of a journey, who ought to aid each other, as preservers on the road to a happier life.—Pythagoras.

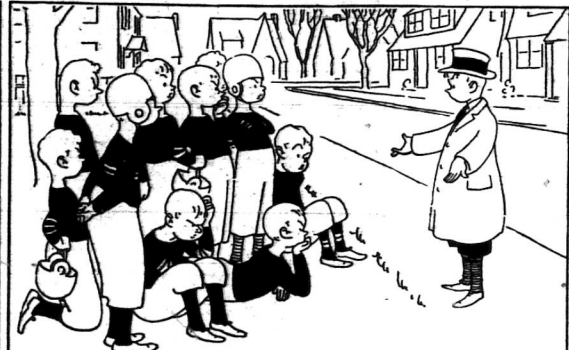

A Mother's Love If there be aught surpassing human deed or word or thought, it is a mother's love.—De Spardaro.

Force The power that is supported by force alone will have cause often to flee.—Kosch.

Use Baby Talk

Elders Should Set Right Copy in Wholesome Language and Conversation.

By EMMA GARY WALLACE National Kindergarten Association. Baby talk, on the part of older persons may at times sound cunning and even amusing when imitated by the youngest of the family, but it isn't fair to the child. Why deliberately set a faulty example which will continue to follow and eventually have to unlearn?

A little child has a great deal to learn in this big and complex world into which he has come, and we must admit that he learns an amazing number of things in the first few months and years. Why complicate matters for him?

Among other things, he has to learn the use of lips and tongue and teeth and throat muscles in making sounds. And he has to learn combinations of sounds and connect them with objects and actions and emotions of different kinds. You would expect that all persons who profess devotion to him would faithfully watch for the syllables and letters over which his unaccustomed articulation struggles, and give him a clearly and slowly enunciated sample of the right sound to be used.

If it were noted, for example, that little Billy could say "kitty" but when in the habit of saying "thitcheen" for kitchen, his mother, you would expect, would several times pronounce the word "kitchen" distinctly, using such sentences afterwards as "kitty is in the kitchen." This would give Billy an association of sounds to guide him. He would never ask him not to say "thitcheen," but it would probably be noticeable that in a few days he would drop the faulty pronunciation.

If, instead, this mother should do a good deal of talking about "thitcheen" being wrong, or should repeat the pronunciation in the form of baby talk, the error would be more and more deeply engraved on his mind, and it would be correspondingly difficult for him to drop the incorrect syllable.

Similarly, it is often wiser not to take much notice of undesirable "echo words" which the children pick up from others, but instead of that to set the right copy and example in wholesome language and conversation and in kindly mental attitudes.

A wise man said, "I am the sum total of all I have ever met." Our characters are made up of our reactions to the influences with which we have made contact. So it is very important and vital that the best examples and the best influences be given our children, in order that these may far outweigh those less desirable ones which they will inevitably meet.

A business man speaks of losses as represented by figures "in the red." Baby talk and faulty conduct copy belong "in the red."

Without Talent What is the good of having "personality" and no talent?

Except for a few trucks, motor cars have been prohibited in Bermuda since 1908, after a series of petitions from residents had brought about the ban. One of these, signed by 112 American hotel guests, bore the signatures of Woodrow Wilson, Samuel L. Clemens (Mark Twain) and Rear Admiral Upham, U. S. N. Woodrow Wilson worded the petition.

Now Science Explains Why So Many People Past 40

Feel That They're Slipping Losing Their "Grip" on Things

Many people "round 40 think they're 'growing old.' They feel tired a lot. 'Weak.' Have headaches, dizziness, stomach upsets.

Well, scientists say the cause of all this, in a great many cases, is simply an acid condition of the stomach. Nothing more.

All you have to do is to neutralize the excess stomach acidity.

When you have one of these acid stomach upsets, take Phillips' Milk of Magnesia after meals and before going to bed. That's all!

Try this. Soon you'll feel like another person! Take either the familiar liquid "PHILLIPS' Milk of Magnesia Tablets."

## NOTICE TO CONTRACTORS

Sealed bids for the construction of a Science Building and Dormitory will be received at the offices of Joseph & Joseph, Architects and Engineers, 404 Breslin Building, Louisville, Kentucky, by the Board of Regents, Morehead State Teachers College, Morehead, Kentucky until 1:00 p. m. November 22, 1935 at which time they will be opened and tabulated.

Contractors may bid on either one or both buildings and make a corresponding reduction in price should contracts for both buildings be awarded him.

The project in general comprises the following principle items:

- 1—Buildings for Science and dormitory
- 2—Heating for Science Building and Dormitory
- 3—Plumbing for Science Building and Dormitory
- 4—Electric wiring for Science Building and Dormitory.

Owners reserve the option of awarding the contracts on the Science Building separately from the Dormitory, also the mechanical trades separately on either building.

1. Bids will be received and contracts let on any project financed in whole or in part by the Public Works Administration, subject to Relief Appropriation Act of 1935. Attention is called to the fact that not less than the minimum rates as proscribed in the Construction Regulations must be paid on this project.

2. Plans, specifications, and contract documents may be examined at Morehead, Kentucky or the offices of the Architects, or may be obtained from Joseph & Joseph, Breslin Bldg., Louisville, Kentucky, upon deposit of \$30. The deposit of contractors making legal bids will be returned upon receipt of documents in good condition within one week after bids are opened.

3. The award of this contract is contingent upon the approval of the State Director, P. W. A. and the securing of funds from the Government. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof. After the tabulation of bids has been made and the lowest acceptable bidder determined and approved, all other certified checks will be returned.

4. The award of this contract is contingent upon the securing of an acceptable bid which will fall within the amount of funds available for the construction of the project.

Board of Regents, Morehead State Teachers College reserves the right to make such changes in the design and the extent of the works as may be necessary to reduce the cost of the project to within the limit of the funds available provided such reduction does not affect the total estimate more than 20 per cent.

The right is reserved by the Owner to reject any and all bids and to waive informalities.

Each bid must be accompanied by bidders bond or certified check drawn on a responsible bank, and made payable to the Secretary of Board of Regents, Morehead State Teachers College for a sum of not less than 5 per cent of the bid.

Contractors will be required to furnish Performance Bond in amount of 100 per cent of the contract price.

Both magistrates races were marked by a large amount of crossing over and ballot scratching. Many Democrats voted Republican in the magistrate's race while a large number of Republicans, especially in Farmers No. 11 voted for Burrows.

## ELLINGTON LOSES

(Continued From Page One)

Ellington appeared to have the inside edge, but a heavy vote for Crockett in Mason, and failure of Powell to come through for the Morehead woman caused her defeat.

Complete returns from Fleming county gave Mrs. Ellington a majority of 643. This is a Democratic county. She carried Rowan by 643, but lost Mason 1008, Powell 75, Menifee about 250, and Bath around 450 to 500.

**MRS. ELLINGTON EXPRESSES THANKS TO SUPPORTERS**

I desire to express my appreciation for the confidence and loyalty of my supporters, in Rowan County and the 31st Senatorial District and I wish to assure the people of this district that I shall always retain a warm interest in their welfare.

Sincerely yours,  
**MRS. ETHEL ELLINGTON**

Mrs. Ellington sent the following telegram to Mr. Crockett tonight: Mr. Waller Allen Crockett, Maysville, Ky.

Congratulations on your victory. It is my earnest wish that you give this district the representation it deserves.

Mrs. Ethel Ellington

## CHANDLER LEADS

the following message to Mr. Chandler:

"Please accept my cordial congratulations on your victory."  
Mr. Chandler replied: "I appreciate the spirit behind

your message and thank you for your congratulations."

The evidence of the Larmon-Rhea split in party ranks made itself felt in certain sections, principally the Second District which is Mr. Rhea's home district. Logan County, normally five to six thousand Democratic swung into the Republican column for the first time in history. In other sections of the state, the bolt of the present governor and Mr. Rhea probably had the effect of swinging votes to Chandler. This was especially true in the Ninth District of which Harlan is one of the counties. Harlan went Democratic, although it is normally 15,000 Republican. The sending of troops into the county on numerous occasions is believed responsible for Chandler instead of Swope, whom Democrats claimed had formed a bi-partisan combine with Rhea and LaFoon.

President Roosevelt told reporters that he was "pleased" over the victory of Mr. Chandler.

The Democrats also elected the majority of the Senators and Representatives. However, many of these were Rhea Democrats, and it is possible that there may be bolting within the two houses when they are called in session, Republicans scored more victories, however, in House than was generally anticipated.

## NOTICE TO CONTRACTORS

Sealed bids for the construction of a Science Building and Dormitory will be received at the offices of Joseph & Joseph, Architects and Engineers, 404 Breslin Building, Louisville, Kentucky, by the Board of Regents, Morehead State Teachers College, Morehead, Kentucky until 1:00 p. m. November 22, 1933 at which time they will be opened and tabulated.

Contractors may bid on either one or both buildings and make a corresponding reduction in price should contracts for both buildings be awarded him.

The project in general comprises the following principle items:

- 1.—Buildings for Science and-or Dormitory
- 2.—Heating for Science Building and-or Dormitory
- 3.—Plumbing for Science Building and-or Dormitory
- 4.—Electric wiring for Science Building and-or Dormitory.

Owners reserve the option of awarding the contracts on the Science Building separately from the Dormitory, also the mechanical trades separately on either building.

1. Bids will be received and contracts let on any project financed in whole or in part by the Public Works Administration, subject to Relief Appropriation Act of 1933. Attention is called to the fact that not less than the minimum rate as proscribed in the Construction Regulations must be paid on this project.

2. Plans, specifications, and contract documents may be examined at Morehead, Kentucky or the offices of the Architects, or may be obtained from Joseph & Joseph, Breslin Bldg., Louisville, Kentucky, upon deposit of \$30. The deposit of contractors making legal bids will be returned upon receipt of documents in good condition within one week after bids are opened.

3. The award of this contract is contingent upon the approval of the States Director, P. W. A. and the securing of funds from the Government. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof. After the tabulation of bids has been made and the lowest acceptable bidder determined and approved, all other certified checks will be returned.

4. The award of this contract is contingent upon the securing of an acceptable bid which will fall within the amount of funds available for the construction of this project.

Board of Regents, Morehead State Teachers College reserves the right to make such changes in the design and the extent of the works as may be necessary to reduce the cost of the project to within the limit of the funds available provided such reduction does not affect the total estimate more than 20 per cent.

The right is reserved by the Owner to reject any and all bids and to waive informalities.

Each bid must be accompanied by bidders bond or certified check drawn on a responsible bank, and made payable to the Secretary of Board of Regents, Morehead State Teachers College for a sum of not less than 5 per cent of the bid.

Contractors will be required to furnish Performance Bond in amount of 100 per cent of the contract price.

For further information address Joseph & Joseph Architects and Engineers.

in the county was counted. Crisp was ahead 3 votes as the count started in Lewis precinct, but Stamper carried it 32 votes to his race.

Both magistrates races were marked by a large amount of casting over and ballot scratching. Many Democrats voted Republican in the magistrate's race while a large number of Republicans, especially in Farmers No. 11 voted for Burrows.

all of Rowan counted and this precinct in Bath not tabulated Jennings held a lead of 8 votes, and appeared probable that Thomas would be elected. However, the negro ward, voted heavy for the republican ticket, and gave Jennings a 73 advantage.

Towards the last of the counting in both counties, the Governor's race was forgotten as interest centered on the Representatives fight.

This will make the second time that Jennings has been elected Representative. In 1922 he was victorious, carrying both Rowan and Bath Counties.

## ELLINGTON LOSES

(Continued From Page One)

Ellington appeared to have the inside edge, but a heavy vote for Crockett in Mason, and failure of Powell to come through for the Morehead woman caused her defeat.

Complete returns from Fleming county gave Mrs. Ellington a majority of 643. This is a Democratic county. She carried Rowan by 843, but lost Mason 1008, Powell 75, Menifee about 250, and Bath around 450 to 500.

**MRS. ELLINGTON EXPRESSES THANKS TO SUPPORTERS**

I desire to express my appreciation for the confidence and loyalty of my supporters in Rowan County and the 31st Senatorial District and I wish to assure the people of this district that I shall always retain a warm interest in their welfare.

Sincerely yours,  
**MRS. ETHEL ELLINGTON**

Mrs. Ellington sent the following telegram to Mr. Crockett tonight: Mr. Walter Allen Crockett, Mayville, Ky.

Congratulations on your victory. It is my earnest wish that you give this district the representation it deserves.

**CHANDLER LEADS**  
the following message to Mr. Chandler:

"Please accept my cordial congratulations on your victory." Mr. Chandler replied: "I appreciate the spirit behind

your message and thank you for your congratulations."

The evidence of the Laffoon-Rhea split in party ranks made itself felt in certain sections, principally the Second District which is Mr. Rhea's home district. Logan County, normally five to six thousand and Democratic swung into the republican column for the first time in history. In other sections of the state, the bolt of the present governor and Mr. Rhea probably had the two huxtinians way as Chandler. This was especially true in the Ninth District of which Harlan is one of the counties. Harlan went Democratic, although it is normally 15,000 Republican. The sending of troops into the county on numerous occasions is believed responsible for the Republican voting for Chandler instead of for Swope, whom Democrats claimed had formed a bi-partisan combine with Rhea and Laffoon.

President Roosevelt told reporters that he was "elated" over the victory of Mr. Chandler.

The Democrats also elected the majority of the Senators and Representatives. However, many of these were Rhes Democrats, and it is possible that there may be bolting with the two huxtinians way as called in session. Republicans scored more victories, however, in House than was generally anticipated.
