To Prospective Students. It is strongly urged that all who contemplate entering school do so on or before the opening day of the term. With enlarged facilities and an increasing corps of teachers, the Morehead Normal School again presents its claims to your attention. The present year is the best in its history. The prospects are bright for thoroughly successful work. Everything possible will be done for the student's pleasure and profit. We have no iron-clad regulations. We expect our students to conduct themselves like ladies and gentlemen. We invite all to visit the school and examine our work. A cordial welcome will be given to all new students.
