FELLOWSHIP The February Fellowship Dinner will be this Sunday immediately after the
DINNER morning worship service. Plan to come and bring your favorite foods.

302 East Second Street
Morehead, KY 40351
January 20, 1976

Dear Friends:

It is difficult to find an appropriate method to communicate to each of you, in a warm and personal way, our sincere appreciation for the Christmas gift you gave us this year. However, since we cannot write an individual letter to each of you, we would like to use this open letter to thank you individually, and as a congregation, for sharing with us in such a generous way at Christmas.

We can assure you that the washer and dryer were needed, and that they will certainly be used. Performing laundry chores are not easy, but they become much easier when they can be done in your own home!

Some of you may not have been aware of the water leakage problem in the parsonage basement which had prevented us from purchasing a washer and dryer six years ago when we moved to Morehead. We wish to extend our special thanks to the Property Committee and to the members of this committee who personally did the work to correct the problem so that we now have a dry basement.

Someone once said, "When God measures man, He puts the tape around his heart--not his head." The "heart" of this congregation--your heart--is very big! THANK YOU for your loving spirit and friendship both at Christmas and throughout the year.

With sincere gratitude,

The Robersons
The Roberson Family
