Mr. Farley M. Hammond, Goddard, a former country, and Miss Alice Blanche Huff, daughter of Dr. J. P. Huff, were married at the home of the bride's father Saturday at 8 p. m. Rev. C. W. Something over a year ago his son was accidentally killed and since his death the father has practically given away the finest body of river bottom land in Southwest Texas.

UNKNOWN FRIENDS.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much towards making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble.

Sold by M. W. Armstrong, the reliable druggist, at Olive Hill.

The business men of Olive Hill met last Tuesday night and organized the Olive Hill Commercial Club.

The object of this organization is to use their efforts in promoting the welfare of Olive Hill. The motto for this enterprising organization is "A Greater Olive Hill." They will meet again next Tuesday night and all business men of this community are invited to be present.

THE VERY BEST REMEDY FOR BOWEL TROUBLE.

Mr. M. F. Borroughs, an old and well known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it. This remedy is almost sure to be needed before the trouble is over. Why not buy it now, and be prepared for such emergencies? For sale by M. W. Armstrong, the reliable druggist, Olive Hill.

Texas The Beauty Spot

A home in town and a farm in the country do you want one for \$100. In Texas. No other state in the Union shows such a variety of soil and produce as does Texas. There is nothing grown on a farm anywhere in the U. S. which is not successfully grown there. It is first in the raising of cattle, horses, mules, production of wheat and cotton in the United States; second in production of hogs.

It has more timber than Michigan.
 It has more prairie than Kansas.
 It has more Oak than West Virginia.
 It has more iron than Alabama.
 It raises more corn than Illinois.
 It raises more wheat than Dakota.
 It raises more fruit than California.
 It raises more tobacco than Virginia.
 It raises more melons than Georgia.
 It produces more oil than Pennsylvania.
 It raises more grapes than all the balance of the United States together.

It has an annual distribution of \$5,000,000,000 of merchandise, which comes for itself, in the matter of fine education of its children. There are no hazards or tornadoes or earthquakes or cyclones. It is where flowers bloom 10 months in the year. Where the farmer does not have to work hard six months in the year to raise feed to keep his stock from dying during the winter; to do so in the north and northwest and where there are no aristocrats, and people do not have to work hard to have plenty and go to the best society. Where the natives work less and have more to show for what they do than in any other country on earth.

Address: J. D. HARMAN, Olive Hill, Ky., Box 138, for particulars.

The Sunday School at this place is doing good work. Both teacher and pupils are faithful.

There will be church at Globe Sunday. Every body go and meet many of your friends and relations.

Mr. Sam Stamper still makes his usual calls at Lenor's. Suppose they will give us a wedding next soon.

Miss Ethel Rose was accompanied Sunday evening by Mr. Arthur Brickels. "Boo Hoo!" cries Lattie.

Mr. Matt Ross has made his return from Louisville. Hope his friends and relations were glad to see him.

I suppose Mr. Bob Hayes is still going to see Miss Cressie as you can see his horse hitched at the gate every Sunday.

Poetry:—
 Love is sweet, but oh, how bitter
 To love a girl and then can't get it
 "C. D."

Mr. Chester Compton's place in the heart of Miss Lula Stamper was filled by his opponent, Noah Compton. Cheer up Chester, the loss of one is the gain of two.

"Blue Bell."

HOW TO BREAK UP A COLD

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time, the first symptoms of a cold are a dry, loud cough a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition. For sale by M. W. Armstrong, the reliable druggist, Olive Hill.

A MOTHER'S DEVOTION
To her children is of the most beautiful things in life. When they are sick, the wise mother, who has taken the pains to study their best interests, promptly gives them Dr. Caldwell's (Laxative) Syrup Pepsin. It quickly relieves pain and fever, and can never do anything but good. Try it.

ORINO Laxative Fruit Syrup
Pleasant to take and does not gripe or nauseate

Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.
Orino Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not deplete the stomach, or irritate the Kidneys, Liver or bowels.

Constipation.
Orino Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.
Orino Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Billousness and Sick Headache.
Take Orino Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.
Orino Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

FOLLOWING THE FLAG

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U.S.A., of Rural Route 1, Concord, N. H., says: 'I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases.'

CARTER.

Farmers are still busy and the crops are looking fine.

Mrs. Fildes Horsley was visiting at Mrs. J. W. Rayney's on Tuesday.

Henry Cooper and wife were the pleasant guests of Geo. Worthington over Sunday.

Miss Rebecca Lyttleton was the pleasant guest of Miss Mabel Ramey over Sunday.

J. D. Everman purchased him a fine buggy Saturday. My, but they looked nice driving those pretty bays.

Pearlie Everman spent Sunday with Hettie Ramey. She says 'we just had a bustle of a time.'

Mrs. Manda Harris and Laura Everman were the pleasant guests of Jas. W. Ramey Tuesday.

We girls like to go exceedingly well; we wish them great success in their church work.

Quite a crowd gathered at the old Carter Caves Sunday. They report that they just had a jolly time.

Revs. Lord and Cossoboom, and college students of Lexington are holding a protracted meeting at Corinth at present.

Dr. W. G. Ramey returned home from Louisville Tuesday, where he has been attending the medical college. May success be his lot.

Owing to the rain Tuesday the Anti-Gossip Social club did not convene. Am sorry that they were so badly disappointed.

Life Bush and Henry Kiser were calling on J. D. Everman Sunday evening. J. D. has sold his farm on Tygart and got a good price for it.

Miss Mabel Ramey was calling on her uncle, Dr. Ramey, Tuesday. She says he is just looking fine, if his girl did get married while he was gone.

Edgar Everman returned home from Owsley county last Friday where he has been visiting his sister, Mrs. Mollie Harris. He reports that he just had an extraordinary fine time.

A bad odor from a person's breath may be caused by many different forms of dyspepsia. It may be due to stomach catarrh, biliousness, constipation, or a case of ordinary indigestion. Whatever may be the cause, there is just one reliable cure, and that is Dr. Caldwell's (Laxative) Syrup Pepsin. It clears all the impurities out of the system and makes your breath as sweet as the June morning. Safe, pleasant and effective.

Mrs. James Ramey is contemplating a visit to Ironton soon, where she has many friends and relatives living. We wish her a safe and happy journey.

All report a fine time was had at the Children's Day at Carter Sunday. George, what was the attraction for you up there Sunday? Oh yes, I believe Miss English is visiting at Carter.

Rev. Claire will preach at Iron Hill at the new church Sunday. I am quite sure he will have a large congregation as people will go miles and miles to hear him preach.

Melva and Tom went all smiles at Iron Hill Sunday, but not so sweetly at Corinth Sunday night as Henry had gotten to hear a treat. Had no serious quarrels I presume.

Girls, how did you enjoy your walk to church Sunday evening? I believe, though, you said that you just enjoyed it fine, and never got one bit tired and of course that looks very reasonable as you all got to ride if you did start walking.

Oh, the basket meeting at the Baptist church just above Iron Hill was a perfect success. Rebecca, who was that fellow that you got struck on as soon as you saw him because he looked like some one whom you know in Rowan county? Ha, ha.

FORGET-ME-NOT.

DEADLY STRIPENT BITES

As is common in India as are stomach and liver disorders with us. For the latter however there is a sure remedy, medicine of which S. A. Brown, of Bonnettville, S. D., says: 'I've restored my wife to perfect health after years of suffering with dyspepsia and chronically torpid liver.' Elected by thousands of children and fever, malarial biliousness, lame back, kidney trouble and bladder disorders. Guaranteed by Dr. M. W. Armstrong, Drug Store, etc.

I wish to state to the public and also recommend Kennard's Insurance Agency, of Olive Hill, for their quick settlement of my loss which occurred May 22. I feel safe in recommending them and any one wanting to be insured in a good company can depend upon them.

The Two Vanrevels

By BOOTH TARKINGTON, Author of "The Gentleman from Indiana" and "Monsieur Beaucaire" Copyright, 1907, by S. S. McClure Co.

She ran toward the door with a frightened cry. But he got between it and her, manacled her with his upraised open hands, shaking them over her.

"You're a lovely daughter, aren't you?" he shouted hoarsely. "You know perfectly well who was on that roof and you want. Didn't you go? Answer me that! If I'd had arms about me when I got there I'd have shot that man dead. He was on my property giving orders, the black hound! And when I looked him out by told me if I interfered with his work before it was done he'd have the throat cut out of me. That woman the whole place and that was a man that would send me a pistol. He's gone. You'd better remember from me, you young ladies, for I'll not let him. I will! I'll kill that dog, and he knows it. He can bluster in a crowd, but he'll hold his own."

"He came home with me. He brought me home last night." He rose wrathfully in the room like that of some other person, and she hardly knew that it was herself who spoke.

"You did!" he roared, and fell back upon her, his face working as though under the domination of some physical disorder, the flesh of it purple, beyond conception, so that she cried out and covered her face with her arms. "You're a new girl of the house with that Gray, though you thought I didn't. What do you want to do with that for? Vanrevel died, over a week ago. You're a coward!"

He choked upon the words. A sickening cough shook him from head to foot. He staggered back and dropped upon the floor, his head striking the table in front of him, his head jerking spasmodically backward and forward as he gasped for breath.

"Bring the water," he panted thickly, with an hysterical gesture. "Neelson knows! He's here!"

"Neelson doesn't know. He's never seen me, and water from the sideboard with no staining hand, and within ten minutes Mr. Carven was in his acceptance hall, occupied in finishing his breakfast."

For Miss Betty had had to her own way, and had looked the poor. She lay on the floor, her head against the wall, her eyes closed, and her hands clasped in prayer.

"I am a lonely daughter, aren't you?" she said, her eyes staring unseeingly at the ceiling, her hands clasped in prayer. The deep shadows of each broken sleep were still upon her face, and the clink of silver upon the floor, "Missy."

"What is it?" she asked, her eyes staring unseeingly at the ceiling, her hands clasped in prayer. The deep shadows of each broken sleep were still upon her face, and the clink of silver upon the floor, "Missy."
