2. Officer Reports
   a. Director of Committees
      i. Tyler states that AHSAA named the basement the Crystal Love Memorial Study Lounge
   b. Acting Vice Director of Committees
      i. Jonathan states that the November issue of Honour Watch is in progress, and editors from it will be needing information from members of the Executive Board
   c. Vice Director of Committees
      i. Max shows the Executive Board his new puppy, and states that he will probably feed it to the alligators upon his departure from Costa Rica, which Zoe thinks is the best option
d. **Chairwoman of Programming and Public Relations**
   i. Allison states that she wants to do a White Elephant with gifts around $5–$10 during the Christmas Party

e. **Chairwoman of Finance and Membership**
   i. Zoe asks Kathryn about food for the Halloween Party and supplies for the game, and Kathryn says she can reimburse Zoe

   [7:43pm: *Max displays his puppy, distracting everyone*]

f. **Chairwoman of Philanthropy and Community Service**

g. **Chairwoman of Academic Research and Overseas Experiences**
   i. Zoe states that she emailed professors for Between a Tweet and a Blog, and has acquired supplies needed for the Halloween Party

3. **Old Business**

4. **New Business**

   a. **Thanksgiving**
      i. Zoe states that the Thanksgiving dinner will be occurring on November 15 from 6:00pm to 8:30pm, adding that Dr. Krummrich will be making turkey and Vanessa will be making cream candy

      ii. It's agreed that an email should be sent out asking students to bring in sides, as they usually do; Allison recalls the “disgusting” cookies which Max and Hunter brought in a previous year

   b. **Christmas Party**
      i. Zoe states that the only time to do the Christmas Party would be during Dead Week; Tyler suggests decorating for Christmas after the Thanksgiving dinner, which Allison points out would end at 8:30pm

      ii. Allison suggests doing the party on Monday, while Zoe says Friday, since most people won't go home the weekend before Finals Week; Allison suggests setting up a poll to see when the most people are available, but Zoe notes that that doesn't help the *Honour Watch*
announcement, and Max suggests getting it decided now, favoring the Friday before Finals Week, November 2
iii. Zoe asks what else will be there, and all decide upon an ugly sweater contest, hot cocoa, the gift exchange, and a holiday movie
iv. Jonathan asks about the time, and Allison suggests 6:00pm
c. Food Drive
   i. Taryn states that she contacted the soup kitchen and got a list from them of their desired items; she points out that they really need canned ham, and money donations could be used to buy some
   ii. Zoe asks about dates, and Taryn states that the food will be delivered to them on November 18
d. Between a Tweet and a Blog
   i. Zoe states that, for Between a Tweet and a Blog, she has contacted Dr. Payton, Dr. Engle, Dr. Couch, Dr. Ecklund, Dr. Krummrich, Dr. Skaggs, and will contact Dr. Scott; she initially proposed November 7, but, due to a scheduling conflict, will instead try November 14 at 6:30pm
e. Dr. Luckey
   i. Tyler states that Dr. George Lucky wants students to visit him, and this could be done in late January or early February
   ii. Zoe asks who would go, and Tyler says he will send out an email to gauge interest while Allison watches a video on her phone of unrelated content

5. Discussion
   a. Kathryn asks what's needed for the Halloween Party, and Zoe suggests a few food items

   [8:09pm: Allison berates Max due to the latter believing the former to have purposefully pronounced his surname incorrectly, despite everyone in the room but Allison having been the ones to do so. Struggles such as these are elucidating factors in
times of crises, and awaken us to the knowledge that some matters are better left thrown to the winds of oblivion and the rivers of time.]
