Among the wearing apparel that are being made every day at these

sewing centers are children's and adults dresses; boys and men's shirts children's and ladies slaps; layettes, gowns, bloomers, pajamas, bed clothing and many others.

Bolts of material arrive here periodically and are distributed by Mrs. Claude Keeler, who is in charge of the sewing projects in this county. Under the watchful eye of floor leaders at each sewing center they are rapidly turned into neat and comfortable clothing.

CHANDLER PUTS SIGNATURE ON SALES TAX LAW

Governor O.K.'s Repeal Kentucky Tax At 6:27 Wednesday Night; Stop Collection On Sales

ONLY 1 NAY VOTE IN ASSEMBLY

At 6:27 Wednesday night Gov. Chandler signed the sales tax bill. With his signature the sales tax law was immediately void.

Kentucky's 3 per cent sales tax will be abolished late this afternoon (Wednesday) unless there is a hitch in Administration plans at Frankfort. Second reading was given the House sales tax repealer in the Senate Tuesday with nothing in sight to prevent it becoming a law after the final vote and the Governor's signature.

Governor Chandler has said he will sign the bill repealing the sales tax as soon as it is placed before him. This means that Kentucky will have no sales tax to pay after tonight (Wednesday).

In Louisville and many other parts of the state shoppers began refusing to buy the tax last week, as it became apparent that the law would be repealed.

The repealer passed both the House and Senate with but one dissenting vote. Sam Milam (D-Logan County) original drafter of the Sales Tax bill voted against it in the

THE INDEPENDENT has a complete job printing department where every branch of printing is done.

Something Needs to be Done

The strip of macadam road on U. S. 60 from the city limits of Morehead to the Clearfield road is in a deplorable condition—it needs immediate repairs.

This road, which is not good at its best, carries as much heavy traffic as do the streets of Morehead. It is torn up in spots, the paving has slipped some, and large holes are prevalent. The highway department, which maintains this road, should do something about it immediately, or it will be necessary to construct a new road instead of repairing it.

Morehead President Honored

A distinctive honor was bestowed on Prof. Harvey A. Babb, Morehead College President, last week. He was named to the Presidency of the Kentucky Association of Colleges and Secondary Schools.

Despite the fact that President Babb is the junior College President of the State, in point of years of service, he is fully deserving of the honor. President Babb is a school man—he has spent his entire life in the educational field. As President Babb is honored, so is Morehead honored. We owe a vote of thanks to other College Presidents in the State for naming Professor Babb to this important position.

Sales Tax Doomed

One of Kentucky's revenue measures—the principle of which this newspaper has always upheld, will go into the discard today (Wednesday). We speak of the 3 per cent sales tax.

The Independent has never upheld the measure of collecting this tax, but has editorially declared itself on numerous occasions as favoring a sales tax for this state. It is needless to again go through the various reasons that we have approved this form of revenue raising measure.

The majority of Kentucky people did not take kindly to the sales tax, for that reason they voted into the Governor's chair a candidate that was vitally opposed to it. At this point let us stop and commend Governor Chandler and the anti-sales tax Senators and Representatives. They have fulfilled their promise to their constituents.

It follows that the Administration will have to introduce bills at the present session of the legislature to raise money. To maintain a \$12 per capita, build more and better roads, maintain our present highways, allow sufficient appropriations for the State Teachers Colleges, one of which is located at Morehead, and help the state government going, it is necessary that money be coming in.

It will be interesting to note just what bills the Governor will have introduced in the House. A whisky tax and a luxury tax appear as probable bills. However, the Governor has not committed himself. Both whisky and luxury taxes are already heavily taxed—in many cases as high as 50 per cent. However, it is possible that they can stand additional

saxation. Governor Chandler plans to take 1 cent tax of gasoline, which will mean another three or four million dollar deficit that will have to be met.

Now, we have the damnable (the term applied by its opponents) sales tax out of the way. Let us follow closely the legislature as they submit bills to replace it.

No one likes to pay taxes. Because the sales tax was collected directly and generally many times a day, it goes down as possibly the most unpopular tax the state has. However, ever, taxes must be paid and it is with interest that we keep our eyes on Frankfort to see just who is going to do the paying for the next four years.

Your Start Girls

There is no intention of viewing with alarm or drawing a moral but when girls win all but one of the 125 major awards in the essay contest arranged by the Chamber of Commerce of the state of New York, it is possible at least to wonder whether we are drifting.

It becomes even more significant when it is realized that the subject for consideration was, "Why Am I Being given an Education?" Obviously the boys were stumped for an answer. But the girls, not that they knew perfectly well. One right after another, three young misses got up in the main hall of the Chamber of Commerce and comely and with appropriate gestures told why. First and second were 17 years old and the third was only 13.

Ninety one and two-thirds per cent of the total credits go to the girls. Of course, he male alibi must have been that writing compositions was, after all, a simplified pursuit. Still, it must have been a blow to the male also-rans who no doubt felt secretly that they were mentally superior to their rivals of the opposite sex.

'WAY DOWN EAST' TO SHOW AT COZY

If a woman pays the price of her sin in remorse and suffering, has she won the right to love and happiness again?

An endless conflict between stern rockbound morality and the spirit of liberality and forgiveness, becomes a living issue again in the dramatic conflict of "Way Down East," the Winfield Sheehan picture which comes Friday and Saturday to the Cozy Theatre.

Adapted from the play which through years has grown to the position of America's greatest melodrama, the picture stars Rochelle Hudson and Henry Fonda, with Slim Summerville, Edward Trevor, Margaret Hamilton and Andy Devine in the chief supporting roles.

The story revolves about the character played by Miss Hudson. Appearing from nowhere, she applies for work on Russell Simpson's farm, soon wins the love of his son, played by Henry Fonda, but for some mysterious reason fails to reciprocate his affection.

The reason becomes apparent with time, however, as malicious gossip brings tales of the girl's dubious past to the Squire's ears.

The drama races to its thrilling close as Simpson reveals the story of the girl's shame, then relents in his judgment before his son's fury, his wife's plea for mercy.

In one of the most thrilling climaxes ever filmed, Miss Hudson is rescued from an ice jam onto which she had ventured in her agony, and the man who had wronged her pays his debt with his life in a moment of remorse and gallantry.

Henry King directed "Way Down East" from a screen play by Howard Eastbrook and William Harbit.

FANG AND CLAW COLLEGE SHOW FRI.

On Friday, January 17th the College brings to the screen Frank Buck's wild animal picture "Fang and Claw" depicting scenes of wild animal collecting in the Asiatic Jungles. Interesting scenes show Buck capturing large pythons. In one of these Buck's number one man is shown being attacked by a python, which though not poisonous, is able to kill a man by coiling itself around him and breaking his back. Buck and his men, however successfully free the man from the python and add the snake to their collection. Buck is also shown capturing the

kind of pythons in an interesting manner. These are the usual comedy scenes with the monkeys. Show suitable for all ages. The short subjects are excellent.

Sunday, January 19th the College features "Two in the Dark" with Walter Abel and Margot Graham. This is a thrilling mystery melodrama holding the spectator's attention throughout because of the mystery surrounding the murder of a theatrical producer, and of the fact that from amnesia, is in some way connected with it, although he does not know how. Ong is held in suspense in the scenes where Abel is greeted by different persons who know him and through them he tries to find out who he is. Several comic situations arise out of Abel's loss of memory. The closing scenes, in which he regains his memory and traps the murderer held one in suspense. There, is a pleasant love interest involved.

Eagles Topple Union In Hard Fought Struggle By 28-26 For First K.I.A.C. Win

With 12 seconds of play remaining in the game between Morehead and Union Colleges here Monday night, Parsley, Morehead forward, turned loose a shot from near the center of the big gymnasium that dropped neatly through to toenale the Eagles to take their first S. I. A. A. match 28-26.

Both Morehead and Union served notice that they are to be reckoned with in state college circles as they looked much improved over last year. The play was slightly ragged at times probably due to the fact that it was the first major game for both fives.

Union overcame a 9 point Morehead lead in the second half and with three minutes to play jumped into the lead 25-22. Leslie and Carter followed with baskets for the teachers and Hornall dropped in a free throw for Union to tie the score. Parsley's winning shot followed on the next play.

Gaines, Union forward, was perhaps the best man on either team. He accounted for 8 points and played a near-perfect passing game. Lawrence Carter, Morehead's high scoring center, never quite got into his stride, but nevertheless, managed to

sink four foul points and four field goals for 12 points and individual scoring honors.

Union appeared to have an edge in passing and handling the ball, but Morehead was clearly superior in taking it from the bankboards. Catron and Hornall, Union substitutes, not only managed to account for their share of the Bulldogs' points, but their injection into the game apparently turned the tilt from an easy victory for the Eagles into a nip and tuck affair.

Rosson and Parsley, Morehead forwards, were adept at retrieving shots and kept the Union defense worried throughout. Shuey wasn't up to standard with his shots, being hurt mid-way of the third quarter in a melee under the Morehead basket and it was necessary to take him from the game a few plays later. Francis turned in a good game.

William Ryan, veteran on the Morehead team, did not play, and Coach Downing said he may be out during the most of the remainder of the campaign from an injured arm.

At the half Morehead was leading 15-8 and had much the better of the

argument. Carter ran the lead to 9 points with a crisp on the first play of the second half, but from then on out until the last 3 minutes of play, Union managed to control the ball most of the time, and the Eagles shooting was, for the most part erratic.

The summary:

Eagles 28	Pos	26 Union

Centre Defeats Eagles 37-34; Eagles Victor

The Centre College varsity basketball team defeated Morehead State Teachers College by 37-34 here Saturday night in a rough and free-scoring contest. A total of thirty-seven personal fouls was called and three Colonels and a pair of Eagles were personally escorted by officials to the showers for excessive fouling.

Fitzpatrick forward; May, guard and Smith, substitute, went out for Centre and Leslie and Shuey, forward and guard, fouled out for the hosts. All went out in the second half.

Morehead jumped to an early 7 to 2 lead, but the Colonels spurred to 'not the count at 7-0. The lead handed six times before the half ended, at which time the Danville boys were ahead at 14-13.

In the second half the Colonels were never headed, but the largest margin separating the two was at 32-25. The Eagles came within a point of tying the count at 32 11 and would have tied the score if Leslie had not missed a free throw. The rival centers then sunk free throws. Bartlett of Centre tossed in a field goal and Parsley of Morehead tipped in a fielder to bring the count to 35 to 34 in favor of the visitors. Cooper and Campbell, both of Centre, cashed in free throws to end the scoring.

Lack of capable reserves hurt the Eagles' chances in the last part of the game as two Morehead players went out on the personal route.

The lineup:

Centre 37	Pos.	34 Eagles
Fitzpatrick, 7	F	5, Rosson
Campbell, 6	F	4, Leslie

All Morehead Teams Will Be Busy In Games This Week; Eastern Here Saturday

Morehead basketball teams will be busy during the remainder of this week, engaging 4 foes. All but 2 of the games are to be played on foreign courts.

The schedule:
Thursday, January 16
7:30 Morehead Freshmen vs. Transylvania Freshmen at N. Broadway gymnasium, Lexington.
8:00 Morehead Varsity vs. Transylvania, following freshman preliminary.

Friday, January 17
6:30 Morehead High at Cattlettsburg High.
Saturday, January 18
3:00 Morehead High vs. Boyd County High at Morehead High gymnasium.
7:30 Eastern Teachers vs. Morehead Teachers at Morehead College gymnasium.
7:30 Breckinridge High at Grayson High.

The Morehead Freshmen are doing to win their game from Transylvania, but past performances do not indicate a win for the varsity. Transylvania after getting off to a bad start defeated Eastern, a team which topped Centre. The Colonels whipped Morehead by 3 points. However, Union defeated Transylvania

ever. Union defeated Transylvania while Morehead scored a 2 point win over the Barboursville lads.

Paul Comis' winless Morehead High School team, buffeted about for 2 years, and loser to Haldeman, a county five last week, have little hopes of doing better than holding the score down in the Cattlettsburg melee. The Vikings stand a chance of topping Boyd County High, for a first victory in more than 20 games as the Cannonsburg school also has a weak team this year.

Booby Laughlin has built a strong team at Morehead Breckinridge High. Breck will be favored in the game with Grayson, an Ekay Conference five.

An old rivalry will be renewed here Saturday when Morehead's Eagles and Eastern tie up. Eastern will be seeking revenge for the defeat Morehead handed them in the state K. I. A. C. tournament. Last year Morehead won 44-20 from the maroons in the game played here, but Eastern won at home. The maroons appear the strongest team this year, although an upset in this battle is very likely, judging from past meetings of the Eagles and Maroons.

GEORGETOWN AND MOREHEAD DIVIDE

The Morehead and Georgetown basketball teams split a twin bill engagement at Georgetown Thursday evening, the Scott County eagles taking the varsity match 29-24 while the Morehead freshmen triumphed 32-22.

Georgetown led during most of the main go, but with two minutes to play the Eagles pulled up with 2 points at 26-24. Green cashed a free throw and Turner a field goal to sew up the game for Georgetown.

Carter was outstanding for the night with fourteen points. Lusk collected eleven points to lead the winners.

The lineup:

Georgetown (29)	Pos.	(24) Eagles
Green, 1	F	2, Lawson
Turner, 9	G	1, Shuey
Clark, 7	G	3, Francis
Lusk, 11	C	14, Carter
Smith, 2	G	8, Schaff

Substitutes: Georgetown—Bridges, Robinson, 3; Shields, Risen, Morgan. Morehead—Leslie, 4.

Officials—Mohney, Kentucky; Freshmen

Armen, 10	F	9, McLaughlin
Ihmmel, 6	F	Hudson
Kaiser, 7	C	5, Guinlan
Horton, 5	G	1, Neale
Smith, 2	G	8, Schaff

Substitutes: Morehead—Lacey, 7; Green, 1; Jackson, Thornton, George, Blanton, 2; Hackett.

Officials: Patrick and Edner, Georgetown.

Brooks were united in marriage recently.

Mr. Tip James and Mr. Emery Fouch visited Morehead Public school Monday Jan. 6.

Miss Nadine Porter of Elliottville entertained some of her friends at home.

Those present were Misses Ann Hamilton, Faye James, Clara Porter, Roba Dehart, Mr. Edward and Elihu Wilson, Jess Eldridge, Bernard Scaggs and Disa Cox.

Every one reported a nice time.

All of the students of Elliottville are studying very hard for examinations for this semester.

Miss Faye James spent Tuesday night with Miss Irene Praley of Elliottville.

HALDEMAN TOPS VIKINGS EASILY

Lawrence Praley's Haldeman Hi School Leopards did not have a great deal of difficulty in topping Morehead High 27-14 at the local gymnasium last Friday.

M. Jones led the Haldeman attack, accounting for 9 points. Hayes was high point man for the Vikings with 6.

The lineup and summary:
Haldeman 27 Pos. 14 Morehead
F. Danner 5 F Brown
Jones, 9 F Turner
S. Cox, 6 C 6, Hayes
Hogge, 2 G 2, Caudill
E. Cox, 5 G 5 Goodin

Substitutes: Haldeman—Parker, Shuman, J. Danner, Morehead—Justice, 1; Riddle, Wilson.

Referee: Kufahl, (Morehead Col.)

Leopard's Have 11 More Games To Play

The Haldeman High School basketball team which has won 2 games and lost 3 has seven more tilts to play. So far this season Haldeman has lost 15-17 to Salt Lick; lost 9 to 11 to Sandy Hook; defeated Owensville 11-5; lost to Soldier 9-22; and beat Morehead 27-14.

Lawrence Praley, Haldeman Coach says the prospects are none too bright during the remainder of the year, as the Haldeman team has had little experience and the boys are small.

The balance of Haldeman's schedule:
Jan. 17—Hitskins at Haldeman.
Jan. 24—Camargo at Haldeman.
Jan. 29—Vikings at Haldeman.
Jan. 29—Soldier at Soldier.
Feb. 5—Hitskins at Hitskins.
Feb. 7—Camargo at Camargo.
Feb. 21—S. Hook at Sandy Hook.
Dates for 9 games with Breckinridge Training School and West Liberty have not been set.

Misses Paul Caudill and Hazel Riddle will spend Sunday afternoon with Miss Ann Hamilton of Ch. st. v.

City S-ved

(Continued From Page One)

Cost to city at rate of one dollar per day each prisoner if present jail had not been established.

\$1,176.00

From this it will be seen that the actual saving, including the cost of the cells is \$236. However, the cells are being practically as much as they were when first installed, and they will be used in the new city jail which will be constructed through PWA funds.

Police court records show that 241 \$5 were collected in fines during the year. Chief Adams said he believed the more severe treatment habitual criminals were receiving in the city jail was a factor in better

collection of fines.

An average of 16 2-3 per cent of prisoner a day was the total expenditure of the city for feeding. This does not mean that the total cost of 3 meals was this amount, since many prisoners were fed only once, twice, or maybe nothing, because they were released, possibly on bond, a few hours after they were arrested.

Sewing Center

(Continued From Page One)

are stressed at the sewing schools. It is said that a "stitch in time saves nine". In Rowan County's sewing centers stitches in times are actually saving hundreds of Rowan Countians, who are in destitute circumstances from going cold through the winter. It has been made possible for many children to attend school this year by providing them with proper clothing. The heart of many an expectant mother will be relieved as she receives proper clothing for herself and her youngster.

The women are working in clean and comfortable surroundings. Tidiness and neat dress are prevalent in these working centers. It is in these spots that they learn through experience.

The government pays each woman \$21 a month for their work. The 4 floor-leaders receive \$30. This payroll of approximately \$800 a month goes into Rowan County homes that are really in need.

A typical example of the earnestness which these women go about their work and hardships that many of them endure is exemplified by Mrs. Clara Craig, floor-leader at the Farmers sewing center. Mrs. Craig walks 6 miles to work every day. Since the women go to work at 7:00 o'clock it is necessary that she leave home before daylight. She carries a 3 months old baby to and from work every day. She receives \$30 a month and actually saves \$10.

The sewing centers are located at Morehead, Farmers, Ediston and Brushy. The women work four days a week.

These women are doing good work. They are deserving and the fruits of their labor will be found in keeping poor men and women of this county warm and in decent clothing. One thing to any sewing center is enough to counter anyone that may be tempted to invest in any activity.

WPA Payroll

Mr. Goodman also pointed out that the Works Program Administration had fulfilled its mission in Kentucky by now actually employing 68,224 heads of families.

Judgeship against three other candidates on the platform that would assess stiff fines against every law violator, and especially against the habitual petty criminal that came before the court practically every Monday morning.

Besides being assessed heavy fines the prisoners will have to work out jail sentences repairing the city streets, according to the Morehead judge. Mr. Stewart said that the policy of releasing prisoners on good behavior after they had served a portion of their sentence, would no longer be followed, and that hereafter no one would be released until they had served their full time.
