1 dark per unit
16 dark per block

1 lt per unit
16 lt per block

Each unit is 6" sq. which
makes the entire block
24" sq. 6 to 8 blocks
will be plenty for
your quilt.

one way to
arrange blocks
is shown above

If you wish to
set the blocks
straight you
will need 12
blocks for a

quilt 72" X 96" (no border allowed). approximate
usage for this quilt with 12 blocks would be
6 yds. light, 3 yds dark for top only.
