JURY LISTS FOR MARCH TERM GIVEN BY CLERK

Two Murder Cases Will Come Before Jury At This Session.

CONVENES ON 2ND MONDAY

Only two murder cases appear on the docket for the March term of Rowan Circuit Court, but the docket on both felonies and misdemeanors is heavy, according to Circuit Clerk Joe McKinney.

Ed Hall, Morehead patrolman, and Mrs. Beadie Day face murder counts. Circuit Clerk Joe McKinney said this morning that the following names had been drawn from the wheel for service at the regular March term of Circuit Court:

Grand Jurors:
Jesse Lewis, E. C. Roberts, Forest Lee, Earnie Shay, Roscoe Jones, Norvell Harris, Vencil Riddle, Bud Brown, C. A. Clay, Wm. Brown, Fred Hollan, Hiram Eldridge, Mort Ellington, Charles Crawford, J. A. Tombarok, Hiram Kiser, Gus A. Arbaugh, Allen Hiden, Ernest Planery, Clema Hall.

Petit Jurors
J. C. Wells, John Barker, Ernest Lowe, O. L. Jackson, John Goodman, Basil Hamm, S. P. Wheeler, Charles D. Holbrook, Robert Starn, C. White, W. F. Kegley, Alvin Parker, Roy Parish, N. F. Brown, A. J. Williams, Steve Kiser, Charlie Wells, Cranston, Slim Owens, J. M. Rice, Ward Elam, C. W. Hook, Floyd Lambert, Willie Dehart, Ollis Swin, Ambrose Blair, Lee Hinson, Dick Lambert, Calvin Fitch, Charlie McKinley.

Politics... Business Etc.

CANDIDATES: With election time many months off the woods is full of candidates. Already four have announced intentions of seeking the office of Representative from the Bath-Rowan District, although the election will not be held until 1937. Now a candidate has named an undesignated representative. V. D. Flood will be a candidate for County Clerk in 1937.

Here's the rest of the rumors going the political rounds: Joe McKinney will run for re-election to the Circuit Clerkship, provided the Legislature passed a proposed bill that allows anyone who has served as Circuit Clerk for 12 years to practice law. . . Dr. H. L. Nickell repudiated as probable Democratic candidate for Representative. . . Legrande Jayne as candidate for County Clerk on Republican ticket. . . Art May as a candidate for that same position of Representative. . . John Parker as seeker of Sheriff's place. . . John Adams, probable candidate on G. O. P. side for same office. . . and so it goes on and on.

The rumors may be idle, but from an appearance the depression has made a political job-seeker from lots of good people. Judging from the number of candidates for Representative one would think the place pays ten thousand dollars a year—it might, at that, but not through the legitimate channels.

CAUCUS: The past few days have brought more than a little criticism at the Morehead City Council—much of it directed at that body's policy of caucusing. It seems that many taxpayers, actively interested in this City Government of ours, do not approve of things being done behind locked doors.

The open sessions of the city council are no more than a formality, because all the real business and the voting is done behind locked doors. Recently an alderman in Louisville refused to even sit at a session because it was preceded by a caucus. After all, it is the taxpayers and the citizens a group need at Morehead's City Council represents, that are putting up the money to run the government. They have a right to know what is going on, and how the business is being conducted. It should be their privilege to hear the arguments on these matters instead of listening only to anonymous votes.

New Professor Hired At Morehead College

W. C. Winsland, who has been working on his Ph.D. degree at the University of Kentucky, has been added to the staff of the department of physics and mathematics at Morehead State Teachers College. He will have charge of classes necessitated by increased enrollment this semester.

Mr. Winsland holds the degree of bachelor of science from the University of Kentucky, having the honor of graduating "with high distinction." He also holds the degree of master of science from the same institution.

Chances Slim For Redistricting Bill

Measures Not Expected to Reach Floor As Legislature Considers Other Measures.

A bill introduced in the Legislature to redistrict this section of Kentucky, so as to make Rowan, Morgan and Elliott a Judicial District has not come out of the Rules Committee. Information received today is that it is probable the bill will die. It is pushed by Montgomery, Bath and Boyd County Democrats and Lawrence County Republicans, the bill would make Montgomery, Bath, Morgan and Powell a district; Rowan, Morgan and Elliott a district; Carter and Lawrence another district, and Boyd a court of continuous session. This would make the entire judicial system in this section of the State with Democratic majorities, except in the Carter-Lawrence District. Original drafters of the bill planned to make Rowan and Carter a District in itself, but this met stiff opposition from Rowan Democrats.

Little Change Today In Temperature.

The weatherman predicted only a slight change in temperature for Thursday. This week brought warmer weather throughout the nation and with it came almost normal resumption of business and transportation. On U. S. Highway 60, with the exception of Rowan County, ice appears in spots, with driving dangerous. Sners used on Rowan's main roads when snow first covered the highways made it possible for the sun to melt most of the ice and snow sooner than it did in neighboring counties. A shortage of coal here last week has been remedied, as trucks are able to haul it from Carter, Elliott and Boyd County mines. The Municipal Water Works yesterday began thawing out frozen water mains in many parts of the city which had prevented consumers from having water during the past two weeks or more.

RALPH HOLBROOK HURT IN BASKETBALL GAME

Ralph Holbrook, son of Mr. and Mrs. Roy E. Holbrook, of the basketball team in the Breckinridge-Ewing basketball game, is reported as recuperating as rapidly as could be expected. Young Holbrook was going under the basket for a shot when he lost his balance and threw the arm out of place.

BABB INAUGURATION MAY 5

It was erroneously stated in last week's Independent that the formal inauguration of Dr. Harvey A. Babb as President of the Morehead State Teachers College would be held May 15. This should have read May 5.

RETURN IRVIN MYNIHER ON CHARGE OF CHILD DESERTION

Irvine Myniher, indicted here on a charge of child desertion, was returned to Morehead night and protective custody. He had been held for the Rowan court. Failing to execute bond, he was remanded to the Rowan county jail.

BRECK WINS OVER EWING

Breckinridge Training School avenged an early season defeat on the college floor by taking Bruce Dorsey's Ewing High School team into camp by a six-point margin. Breckinridge's players took a most worthy lead and protectorship with a display of both good offensive and defensive basketball. The Breck team played well as a unit.

FUNERAL RITES HELD FOR S. B. CAUDILL HERE

Eighty-three-Year-Old Rowan County Pioneer Passes At Home Here.

HAD BEEN ILL FIVE YEARS

Funeral services for Samuel B. Caudill, 82-year-old Rowan County pioneer, who died at his home on Second Street Wednesday night of complications following a lingering illness, were held from the Morehead Baptist Church at 1:00 o'clock Friday afternoon with burial in the Lee Cemetery.

Mr. Caudill, by occupation a farmer, was formerly justice judge of Morehead. He was one of the earliest settlers in this section, and had been identified with Morehead civic life for fifty years. Formerly he was magistrate in this county.

Surviving are his wife, who is 75 years old; three daughters, Mary, at home, Mrs. Ida Wright, Iowa; Mrs. Cynthia Skaggs, Columbus, O.; and five sons, Lindsey, Alvin and Herbert of Morehead; Oliver Caudill, Hamilton, O.; and Frank Caudill, West Virginia.

Mr. Caudill had been in ill health for the past five years and his death was not unexpected.

Funeral services were conducted by Rev. B. H. Kazee and the arrangements were in charge of the Barnes-Jane funeral home. Mr. Caudill was a member of the Primitive Baptist Church.

Lack of space prevents the publication of a complete obituary which will be carried in these columns next week.

COUNCIL MEET POSTPONED

The regular monthly meeting of the Morehead City Council, postponed for Tuesday night, will convene for Tuesday night, February 16.

Farm Loan Group To Meet March 2

J. A. Lewis, Secretary-Treasurer, Calls Session of 45 Rowan County Members.

Secretary-Treasurer J. A. Lewis of the Morehead National Farm Loan Association has issued a call to all members of the organization who are located in Rowan county to attend the regular annual meeting of stockholders scheduled for March 2, 1936, at Morehead. The sessions will be held in the court house, beginning at 10 o'clock.

Business to come before the stockholders includes election of 5 members as directors for one-year terms. The meeting will be presided by the secretary-treasurer on the financial condition of the organization and the business transacted during the past year. Stockholders also will participate in discussion and decision concerning policies to be followed during the forthcoming year.

A representative of the Federal Land Bank of Louisville will take part in the afternoon program, and will be available for consultation with individual members on matters affecting their federal land bank loans.

Chandler Abandons Proposed System for "Pork Barrel" Measure; Move is Surprise

(By Edward Waton)

Junking his original secondary road program following attacks by newspapers, automobile clubs, county officials and highway experts, Gov. A. B. Chandler Tuesday pushed a substitute, a \$2,000,000 pork-barrel measure, in the General Assembly. The bill, introduced simultaneously in House and Senate Monday, calls for a \$2,000,000 appropriation out of State highway revenues for the reconstruction, maintenance and improvement of county roads which are not part of the State primary road system.

While there isn't so much money involved in this new plan, the first having called for possibly \$35,000,000, yet political observers regard it as more political in nature than the original.

The \$16,000,000 average allotment per county would not take care of many roads, these critics say, but would be of great benefit to a po-

Ray Smith's Famous Oversea Street Marionettes of Los Angeles, will give two performances of "Huck Finn and Tom Sawyer," one at 8 o'clock and an evening show at 8 o'clock. At the matinee, which is especially planned for children, a "Marionette Circus" will be given as an added attraction. A sensational "Contest of the Show" will be presented as the added attraction at the evening performance. The Beaux Arts Club of the college is sponsoring this showing here of America's largest Marionette company.

He was taken to the College Hospital, and moved to Williamson Tuesday afternoon after his condition had become critical.

Parsley's Goal Wins Over Eastern 47-45

A field goal by Parsley in the last ten seconds of play gave the Morehead Eagles a 47-45 decision over eastern at Richmond Saturday in a K. I. A. C. battle. The Maroons took the lead at the start and increased it to 23-13 at half time, mainly on their ability to hit free throws. As the second period opened, the Eagles began whittling away at the lead and with six minutes left, tied the score at 11.

LEGISLATURE TO ADJOURN "SINE DIE" SATURDAY

More Than 650 Bills To Die In Rules Committee This Week.

REVENUE MEASURES EYED

Approximately 650 bills will die in the Rules Committee of Kentucky's General Assembly, as the regular session will close sine die Saturday. There are only four more working days of the session, while more than 1,000 bills have been introduced.

So far, only measures backed by the Administration have been able to clear both Houses. Governor Chandler is expected to call the Assembly back in session at least once, and possibly as many as three times in order to enact legislation to provide revenue, depleted through the repeal of the sales tax.

The only business that can be taken up at a special session is that specified in the Governor's call—in this case for the raising of revenue. Appropriations for the State Teachers College, including Morehead, will not be taken up for some time—possibly several weeks.

Legislative action on bills to reduce the cost of passenger automobile licenses to \$4.50 and to provide for State-wide registration of voters was completed Tuesday at the Senate passed House Corby bill on the subject and sent them to Gov. A. B. Chandler for the approval he has indicated would be forthcoming.

In a working mood Tuesday, the Senate passed the bill of Senator John T. Murphy, Covington, to establish a Housing Board. Morehead power generated at Government House, particularly that of the Tennessee Valley Authority, approved ten bills sponsored by the Louisville City Administration, gave first priority to a Housing bill enabling the State to carry its own insurance, and refused to take action on a bill to make it unlawful for deputy sheriffs or deputy constables to be paid from private funds.

Passage of the T. V. A. bill by the Senate was effected with the vote of Lieut. Gov. Keen Johnson, presiding officer, who broke a 17 to 17 deadlock on the roll-call.

H. A. Spurlock Has Bonus Applications

The U. S. Veterans Bureau, Louisville, Ky., has announced that H. A. Spurlock, Commander Corby Election Post No. 13, American Legion, Morehead, Ky., has begun applying with application forms for filing for payment of the Adjusted Service Certificates (bonus) and will file these applications for all ex-servicemen without cost, besides giving you any information that you may ask for in connection with your claims.

Mr. Spurlock has asked that you bring with you your army discharge and bonus certificates or pink slip. He will be located at Midland Trail Garage for the next few days.

Work Started On Choral Club Play

"Trial by Jury," the delightful farce by Gilbert and Sullivan, is the cantata that the Poster Choral Club is rehearsing and which will be offered soon.

The choral club has been augmented for the occasion, and will be accompanied by the symphony orchestra. Lewis H. Horton will conduct both the club and the orchestra in the parts.

The witty amusing rhymes of W. S. Gilbert, the hilarious situations into which they lead, and the bits and pieces of Arthur Sullivan make "Trial by Jury" one of the most enjoyable works that these two Englishmen have ever written. It is a comedy-satire of the law court system in general and divorce proceedings in particular, with the judge himself coming out on the winning side.

MASONS MEET TONIGHT

At the request of the Grand Master of Kentucky, the local Masonic lodge will meet tonight (Thursday). Guests have been invited from neighboring cities to the meeting.

Hell Freezes Over at Last

You've often heard the expression "when hell freezes over," but this time it's literally true. Buried under six inches of snow is the little settlement of Hell, Mich., a name given by one of the early settlers who was arrested for not paying his taxes on whisky he was distilling there. He christened the town Hell, and Hell it has been ever since. The photograph shows a dam at Hell frozen over. Although the little river is not named, it presumably is the River Stiz.

Literally putting her head in the lion's mouth is this pussy, but she knows it's all right with her big pal. Kitten and dog, raised together, are inseparable, and even eat out of the same dish. IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

By REV. P. B. FITZWATER, D. D., Editor, Moody Bible Institute of Chicago.

Lesson for February 16 JESUS' REPLY TO JOHN THE BAPTIST'S QUESTION

LESSON TEXT—Luke 7:19-23. GOLDEN TEXT—I believe, help thou mine unbelief, Matt. 9:24. PRIMARY TOPIC—Jesus Answers John's Question.

INTERMEDIATE AND SENIOR TOPIC—Meeting Doubts With Facts. YOUNG PEOPLE AND ADULT TOPIC—How Jesus Answers Honest Doubts.

The title, "Jesus Helps a Doubter," given by the lesson committee, is not a good one. John was not a doubter, though somewhat perplexed. Jesus specifically defends him against such a charge (see Matt. 11:7-11 as well as the present text). It is to be hoped that no teacher will perpetuate this error. John was a great man. In announcing his birth the angel said, "He shall be great in the sight of the Lord." He was great, also, when measured by the standards of men. In teaching this lesson a survey should be made of John's life and work.

I. John's Birth and Ministry Foretold (Isa. 40:3; cf. Matt. 3:3).

He was thought about and his work planned long before he was born. He came as God's messenger.

1. John's Character. I. Humble (Luke 3:4). He did not seek honors, praise and commendation, but shrank from them. His supreme concern was to proclaim Christ.

2. Courageous (Luke 3:7). He faced a great multitude and struck hard at their sins. He did not trim his message to suit the crowd.

11. John's Preaching (Luke 3:3-8). John sounded forth a ringing call to repentance (rv. 3:6). Suddenly emerging from his seclusion, he came into the region of the Jordan as a messenger of the Messiah.

2. He demanded proofs of penitence. He insisted that their false prophets had to be abandoned, their sinful hearts had to be renovated, showing them that the vile practices of their hearts must be uprooted. The turning of a soul from sin to God, was necessary.

IV. John Sent a Deputation to Jesus (Luke 7:19-23).

1. Their question (v. 19, 20). "Art thou he that should come? or look we for another?" Because John did not see the interval between the sufferings of Christ and the glory that should follow—between the cross of Christ and his second coming—he was perplexed as to what things ye have seen and heard."

2. Jesus' answer to them, "Go your way, and tell John what things ye have seen and heard."

V. Jesus' Defense of John (Luke 7:24-25).

1. He declared that John was not vacillating like a reed swayed by the wind (v. 24).

2. John was not doubting because of the hardship of prison life (v. 25).

3. John was not a mistaken prophet (rv. 25:28). He makes John equal to the greatest of the Old Testament prophets by declaring that among those born of women there hath not arisen a greater prophet than John.

4. The response of the people (v. 29). The people who heard this defense, even the publicans, accepted it as a vindication of John. They justified God. They not only accepted the vindication, but were baptized with the baptism of John.

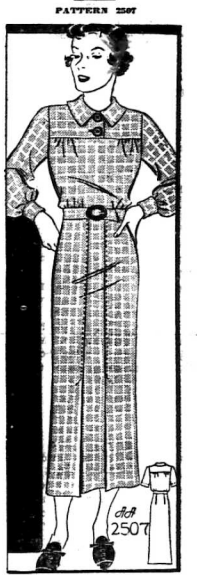

VI. John's Martyrdom (Mark 6:14-29).

While John was in prison Herod had frequent interviews with him. John boldly told him that it was unlawful for him to have his brother's wife. He did not mince matters even with a king. This so enraged the licentious Herodias that she caused his death.

Love and Faith. As love is deepest in the being of God, so faith is the mightiest principle in the soul of man. Let us distinguish their several essences. Love is the essence of duty, faith is the essence of humanity which constitute it what it is.

Humility and Pride. Humility is the true proof of Christian virtues. Without it, we retain all our faults, and they are only hidden by pride, which conceals them from others, and often from ourselves.

SHIRTMAKER FROCK IS INDISPENSABLE

A budget-wardrobe is a limited wardrobe one in which each separate item must play more than one role. The shirtmaker is a very good example of this type of frock, for it's just as smart for touring an town, and can go any place during daylight hours and feel well dressed. It's right for classroom-and office, too, so includes both school and business girls among its wearers. So simple the veriest beginner could make it. Wool or wool-appearing cotton are excellent fabric choices.

Pattern 2507 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40 and 42. Size 16 takes 2 1/2 yards 54 inch fabric. Illustrated step-by-step instructions included.

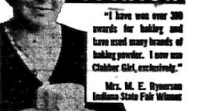

SEND FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE.
