BASE BALL

The Olive Hill Giants crossed bats with the crack Ashland Team last Sunday afternoon. The result was one of the swiftest games that has ever been pulled off on the local diamond during the season. Ashland handed Olive Hill a neat little drubbing to the tune of 5 to 2. The game was a hummer all the way through, Sut Blankenship for Ashland, and Nickells, for the locals pitched championship ball, the bout being a pitchers scrap from start to finish. The horsehide was clouted lightly, few hits being allowed on either side.

John Tackett got into clover with the Olive Hill fans when in the ninth inning with two men out, he made a sensational steal of home and brought in two runs thus saving the local gladiators of the diamond from being goosed.

Our Woes

We wish to ask our readers, indulgence for not coming out last week, but we have had some troubles of our own—BOILS! Did you ever have them? The unfortunate, individual who is responsible for this sheet was the proud possessor of five of the finest boils that have been on earth since the days of Job, and as a result he had to seek his downy couch—if an eddy can be said to have a downy couch—and was bed-ridden for several days. However, the boils have been subdued, and now "all's quiet on the Potomac." We hope to greet you regularly from now on, and we ask you not to think too hard of us.

Raid Rumor False

A wild rumor was going the rounds Thursday morning to the effect that the posse of revenue men who went out to round up the moonshiners who had the fight with revenue officers a week or two ago had got into another fight on this raid and that a big pistol battle had taken place in which several men were killed and wounded. Steve Rose and Claude Henderson came in on the afternoon train and reported that they had had no trouble. They were in to see the Kidd boy, who was shot in the former raid, and found him improving, but were unable to capture the iron one.

On their way back, the posse captured Lorin Moore, of Christy Creek, and Charles Jones, of Elliottsville, who had been "shining in Rowan county. These prisoners were lodged in the town lock-up, and are now there awaiting the return of Commissioner Woods from Washington, D. C.

Mrs. Arthur Burroughs, who has been visiting her parents, Dr. and Mrs. C. L. Hudgins, returned to her home at Des Moines, Iowa, today.

G. M. McDavid, of Rosedale, is convalescent after a severe attack of typhoid.

Claude Patton and Herb Salyers were in town Tuesday, en route to Soldier on their motorcycles.

Mr. and Mrs. Ed Hunter made a short visit at the home of O. H. Burley. From here they went to Willard to see Mr. Hunter's brother, Clyde, who is very sick.

Mrs. Grover Harrod, formerly Minette Steger, who has been ill with typhoid fever, is convalescent. Mr. Harrod was here to see her last week, returning to their home at Frankfort Sunday.

Booming His Home County.

In Carter County, the Grayson Amusement Company, which took over the Fair grounds at Grayson last year, is preparing to have a fair this year that will eclipse any effort of the sort ever made in the Eastern End of the state. The Fair is to be held at Grayson, Aug. 27, 28, 29 and 30, and is the successor of the Reunions held annually in Carter for many years without one failure. Ashland has asked for a special day and will run a special train to Grayson on Friday with hundreds of people. The company is spending several hundred dollars in advertising. The Park has been cleaned, new grandstands and exhibition hall erected, a half mile track as true as a die and on ground as level as a floor has been built, and the Park wired throughout for electricity. A famous balloonist has been secured, and he and his wife will make a double parachute leap. The Ashland Second Regiment Band has been engaged, more than two thousand dollars will be spent in preparations. The admission will be 25 cents for adults, 10 cents for children under 12 years, children under 6 years free.

Carter County has been called a "slow" county, but the work of the Fair Company has proved that one bunch of people in its borders believe in going the limit in boosting the county, its horses stock and products.

If every county in Eastern Kentucky would wake up, like Carter has, the world would never turn up her nose at us again.

The Grayson people intend to make their track a great center for horsemen.

Home Coming Week

On September 1, 2, 3, 4, 5 and 6, Island Park, Olive Hill, will be the scene of a great Home Coming celebration. The management has made arrangements for good speakers, and the merry-go-round and plenty of other good attractions will be in evidence. There will be lots of refreshments of all kinds. A large crowd is expected.

Miss Weldon and Freeman, of Ironopolis, are visiting Miss Mary Hayes.

The annual pow-wow of Red Men of the Ninth District of Ky., will be held in Olive Hill September 23. Hundreds of people are expected to attend, and the occasion will be a gala one. Why not get the merchants to decorate their store fronts a little and have the old town put on her best bib and tucker for company?

Russ Oliver passed through town Wednesday afternoon with fifty head of range horses for sale. The large drovy of horses created a sensation here, as the size of the drovy was unusual.

Tom McCarty is in Flemingsburg, where he was called by the death of his death of his uncle, Mace Collins.

On the Progressive Ticket, at the head of our editorial column, the name of George Bizzard appears as a candidate for Police Judge of Olive Hill. This is a mistake, as the Progressive candidate is George Cunningham.

Mrs. D. B. Fields, accompanied by Mrs. Wm. Harris, of Grayson, who has been visiting at the Fields home for several days, went to Ashland, Tuesday, to attend the camp meeting.

Emma Bledsoe Killed by Train

Emma Bledsoe, the beautiful fifteen year old daughter of Vastine Bledsoe, of Hitchins, met a horrible death under the wheels of an E. K. passenger train at that place Wednesday afternoon at 2:30.

The young woman was walking down the C. & O. track, she saw a freight approaching on the track she was on, and stepped off the C. & O. track on the E.K. track, she stepped directly in front of a fast approaching E.K. passenger train, too late for the engineer to stop his train or for any witness to save her. The train struck her, knocked her down, and in a second's time all semblance of life had been crushed beneath the wheels of the train.

The unfortunate young woman was very popular among her friends at Hitchins and her untimely death has cast quite a shadow over the junction town. The E. K. train was in charge of engineer Malcomb Partlow.

L. D. Gregory, of Cincinnati, spent Sunday here calling on friends.

Horace Beall left Thursday for his home at Frostburg, Md., to spend his vacation with relatives and old friends.

Miss Gertrude Tyree returned to her home at Grayson today, after a prolonged visit with relatives and friends here.

Mr. C. F. Harrison, of Portsmouth, has been visiting at the home of Mr. and Mrs. W. L. Evans.

Little Miss Rnby James recently visited relatives at Portsmouth Ohio.

Our old friend, Mitchel Waldrop, who played on the local ball team during the early part of the season, is rapidly making good with the hotel concern he is with. "Mitch" is now auditor for the company and his work keeps him moving.

Chas. Patton, son of Thomas Patton, came in Tuesday from Texas for a 15 days stay with parents and friends here. Charley has been railroading down there.

We hear that one of the city fathers has a nice, new, shiny pass on the C. & O. It's mighty nice to be remembered.

Dr. M. W. Armstrong is sojourning at Hot Springs, Ark., for his health.

Mr. and Mrs. John Pruller, of Portsmouth, returned to their home one day last week after a several days visit with Mrs. Pruller's sister, Mrs. Eddie James. They were accompanied to their home by Miss Hazel James, who is now in Portsmouth visiting friends and relatives.

Miss Emla Woods returned to her home Wednesday from a short visit with some of her little friends at Granth.

Judge H. L. Woods is in Washington, D. C., on legal business. Mary Cox is on the sick list.

Catarrh Cannot Be Cured

SMOKY VALLEY

The primary now being over, we hope the candidates—and some of the rest of us—will now get a rest.

Mrs. John Burchett is very ill. Mrs. Maggie Ross is visiting at the home of her father, John Burchett.

Berl Fannin is doing a good stand at the old Stamper stand at this place.

J. W. Erwing, who has been on the sick list for a week, is improving.

A. J. Clark and family called on R. P. Simer and family Sunday evening.

The Smoky Valley Base Ball Team played Buffalo Sunday. The Buffalo boys carried the day.

Mrs. Yorkie Proctor is visiting her grandmother, Mrs. York.

Shot, Taken For Squirrel

Tom, a young son of Jerry Rhoden, was seriously injured Saturday morning, while out squirrel hunting on Hendeason Branch. Accompanied by Tom Parsons, the lad set out to hunt squirrels. He was wearing a white, such as are given away to advertise chewing gum, soda paint, etc. In hunting around through the woods, Parsons and young Rhoden became separated. The Rhoden boy was hiding behind a stump watching a squirrel, when Parsons came up behind him and, seeing the white cap at the top of the stump, took it for a squirrel and shot Rhoden. The boy was shot in the head and back, one of the shot penetrating his chest. For a time his life was despaired of, but Dr. Rose, who has been treating him, says that he is now out of danger, will soon be out again.

Len Maddix is laid up with a big boil on his jaw. You have our sympathy, Len.

E. S. Hitchins and family left Monday on an auto trip to Frostburg, Maryland.

It may be that the famous Bloomer Girl Ball Team will cross bats with the local knights of the diamond at some early date. Manager Erwin, of the Giants, had a letter from their manager but no definite arrangements have as yet been made.

FOR SALE

I will have for sale at Grayson, Ky., August 27, 28, 29 and 30, 50 head Renge Horses. These horses run from 1 to 5 years old. it RUSS OLIVER.

At a meeting held by the directors of the Grayson Fair Wednesday night an extra \$1000 was raised for prizes on the horse races. This Fair promises to be one of the best ever held in the county and will no doubt be well attended by Olive Hill people.

Miss Minnie Harris is the victim of a serious case of typhoid fever. Miss Jess Cox is filling her place on the night desk at the local newspaper.

The Giants will go to Mt. Sterling Sunday to play ball with the Mt. Sterling boys who were up here several Sundays ago. This will be a warm game, and no doubt there will be quite a crowd of Olive Hill fans all the way to cheer the Giants to victory.

Wonder what became of that crossing gate? Wonder what became of that ordinance before the City Council to require the C. & O. to place a gate or a crossing at the Cross Street watchman? Does our town board need a "lobby investigation?"

Mrs. J. H. Mobley is seriously ill with typhoid fever.

Boone, the young son of Mr. and Mrs. Jot Jarvis, was seriously burned a few days ago by carbolic acid that was in a bottle the child found in an alley. People should be very careful about poisons and should never throw away a bottle containing poisons in such a place that children playing around may find it.

THE NOVEMBER CONTEST WITH THE TWO OLD PARTIES.

A survey of the figures of Saturday's primary clearly shows how the Progressives have been "flimflammed" by the old boss stand-patters. It has fully proven that the warning given the Progressives was timely and should have been heeded.

The stand-pat ticket has polled something over 1500 votes in Carter County at this election; the Democrats about 1350, and the Progressives about 400, thus placing the "stand-patters" first in the number of votes cast.

Now, Mr. Progressive, where did you get these votes? They got them from you. Where would they have stood if you had voted your ticket as you should have done, and as you will in November. Without you there would not have been enough of them in the primary to have made a quorum. How did they get them? By bribing out your relations as candidates on their ticket, advising you that you had no contest in your party and asking you to come over and help them, and then vote for your nominees in November. They fooled you into going over with them, as you supposed, temporarily and as a favor. After they had you all lined up in the Republican primary, and during the last few days of the campaign, they proceeded to hold secret caucuses in the same old manner made the necessary trades, and defeated the candidates that they had urged to make the race and lined up by nominating candidates favorable to the same old gang that has wrecked the Republican party in Carter County.

After you did the work for them, they traded you off. You are now getting what is coming to you. They are already laughing how they fooled you and crowing around that your party is dead, and trying in every way to discourage the faithful ones who refused to be fooled, and to entirely destroy your party in this county. We suppose that you had to have one more lesson of their duplicity and trickery to open your eyes to the fact that you can never depend on anything they say or do except that they hate you with a bitter hatred and desire nothing except to destroy you and secure all emoluments, offices and advantages for themselves. They are now yelling with joy that they have fooled you into this small vote. The Democratic party attempted the same thing, which succeeded in several instances, but who fully failed in the Clerk's and Sheriff's races, and also in the Assessor's race.

After all this trickery, and so presuming upon your intelligence they are going over the country in automobiles, on horse and on foot trying to heal the wounds so unfairly inflicted. Had the election been held before the truce, what would have been the will of the people? Answer that question. Then where will the 1200 voters who did not vote at all in the primary go this fall? The natural place for them is the Progressive party, and that is where they will go.

The Progressive party, born of the nation's awakened sense of justice, has been called into being, not for one small affray but during the entire war, and has dedicated itself to the fulfillment of the duty laid upon us by our fathers to maintain that government of the people, by the people and for the people whose foundations they laid. This county and this country belongs to the people who inhabit it. The conscience of the people has called this new party into existence. It is time to set the public welfare in the first place.

Political parties exist to secure responsible government and to execute the will of the people. From these great tasks both of the old parties have turned aside. Instead of instruments to promote the general welfare, they have become the tools of corrupt interests which use them impartially their selfish purposes.

The deliberate betrayal of Carter County at the primary, by certain candidates, has further compelled the people to believe more firmly in the right and justice of the new instrument of government, namely, the Progressive party. In this party let us build a new, better and nobler county, free from the abuses of the old parties, unhampered by tradition, uncorrupted by power and undismayed by the magnitude of the task.

Let us put on our fighting clothes for November. Do not be misled again. Any man is worthy to be a member of the Progressive party, and to share in its glorious future, can be counted on in this fight. Let us all join hands in the campaign and begin now.

Like Lincoln, we urge all Progressives to stand and fight to the end. If you are sincere in your principles, and we know you are, there is nothing else to do. Lincoln himself in his first

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Household.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst.

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my household work.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I lattered up, and grew so much stronger in three months, I felt like another person altogether." Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 30 years. It will surely do for you, what it has done for them. Try Cardui today.

KENTUCKIANS' HOME-COMING

ONE MILLION FORMER RESIDENTS INVITED TO ATTEND GREAT CELEBRATION.

RAILROADS OFFER LOW RATES

Perry's Victory on Lake Erie, Battle of Thames and Massacre of River Raisin To Be Reproduced in Fireworks and Sham Battles.

One million expatriated Kentuckians and their children, even to the fourth and fifth generations, have been invited to return to Louisville to participate in the Perry's Victory Centennial Celebration, to be held in that city seven days, beginning September 29. Those particularly invited are the descendants of Kentucky soldiers and sailors of the War of 1812, and it is estimated that 75 per cent of native born Kentuckians and the descendants of those born in Kentucky in the past century are eligible to participate in such a celebration. Approximately one million people now living in other states are included in the "list of those invited."

The purpose of the Louisville celebration is to commemorate not only Perry's victory on Lake Erie but all other events of the war of 1812. However, in particular honor of

GOVERNOR ISAAC SHELBY, OF KENTUCKY
Who in person led the victorious forces in the Battle of the Thames.

here Perry a special attraction in the Louisville celebration will be the reunion of the Perry family, regardless of kinship. Everybody by the name of "Perry" will be invited to this special entertainment and those who expect to attend are requested to notify Edwin Perry at the Louisville headquarters.

The Kentucky Association, which has in charge the Louisville celebration, has given an order for a quarter of a million ancestry certificates to be handsomely engraved and which will be filled in and given away as souvenirs to descendants of Kentucky soldiers and sailors of the War of 1812. Another entertainment in their honor or will be a banquet at which refreshments will be served and opportunity provided for public addresses. For the few remaining actual sons and daughters a banquet will be given. A great ball will be given in the First Regiment Armory, which has a capacity of 20,000 for them.

Ferry per cent of the white male population of Kentucky engaged in the War of 1812, consequently forty per cent of the succeeding generation were really sons and daughters of that war, and, estimating that one-half of them intermarried with families which did not participate in the war, sixty per cent of the third generation were grandchildren of the war and in similar manner at least seventy-five per cent and probably as high as ninety per cent of the fourth and incoming fifth generations are descendants of Kentuckians who fought in that war.

It is estimated that in the state of Kentucky alone one million men, women and children are eligible to participate in the proposed reunion, and it is estimated that another million now living outside of Kentucky are eligible to participate.

During the week of the celebration in Louisville spectacular free events, including features on a mammoth scale not heretofore given with any American celebration, will be provided every afternoon and evening. Pilgrimages to notable historic scenes of interest may be made during the mornings, in addition to free attractions of the night will be scores of the highest priced amusement concessions that can be secured on the American continent.

The railroads in a radius of 500 miles of Louisville have been asked to make a rate for the celebration week and immediately preceding and following that week of one cent a mile. Railroads running out of Louisville probably will give low rates to other points in Kentucky, so that former Kentuckians who live a great distance may visit their old homes as well as attend the Louisville celebration.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They find it to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists.
