# ...LIVING ON

The close of the 20th century is rapidly approaching. For those of us at Rowan County Senior High, the approaching millennium signals a time of looking ahead and the excitement of being on the brink of time. We are the beginning generation of the 21st century; **life**, for this class, is **...life on the edge.**

"It was the best of times,  
it was the worst of times."

# Mud Sling

## Powder Puff Game '88

Forty minutes of non-stop pouring rain didn't stop this year's Junior and Senior girls from battling it out in the annual Powder Puff Game. After a long mud slingin' game, the favored Seniors came out on top with a 14-0 win over the Juniors. Randalene Sergent scored the first touchdown with a two point conversion soon following. Alicia Stevens scored the second touchdown which sealed the Senior victory. "It was very competitive and muddy, a Powder Puff game to definitely be remembered," said Senior Becky Lytle.

# ONE SCARY NIGHT

This year's Halloween Dance was a smash hit. There were an unusual number of vampires out hunting up a good time, but that wasn't all. There was also an old couple out on the dance floor, "cuttin' a rug." That just goes to show us that not only the young can have a good time. Even better than that, a cow showed us how to do the monster mash. Though it was a tough competition, Ashleigh Lowe won for the girls in her ol' woman costume, but when it comes to the center attraction, Matt Stokes moo-ves into the winners circle in his cow costume.

# Livin' It Up

Here at Rowan County Senior High, school isn't the first thing on everyone's mind. In fact, students here will go to any length to find something in place of homework. These past-times are the highlights of many students' days. Not only do they keep students out of trouble, but most importantly, give them the spirit to get through another day.

These activities vary from one another as each of us do. While one may be out hunting, another may be inside watching wrestling. Someone may be playing basketball while another is playing piano.

The differences in past-times show character in our school. Not trying to conform to another's idea of fun gives individualism its true meaning.

# JUST A LITTLE BIT COUNTRY!

This year's Sadie Hawkins show proved itself to be so great, that it blasted last year's show right out of the gym. The bands that played were enthusiastic and kept us on the edge of our seats. The Daisy Mae and Lil' Abner competition was as vicious as ever, but in the end sophomores Kristi McClurg and Jesse Hodges came out on top.

# IT'S A SMALL WORLD...

story and layout by Heather May

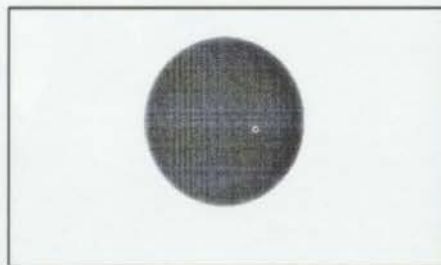

Yen-Yi Wu is a foreign exchange student here at RCSHS. She comes to us from the beautiful country of Taiwan. Yen-Yi's future plans are to stay here in Morehead and continue her education. When asked what her favorite class was Yen-Yi replied, "Art, because the expression is quite different from what I learned in Taiwan."

Andres Victoria Falla is from Buenaventura, Colombia. Colombia's flag is shown to the right. Teenagers in Buenaventura have tons of hobbies such as listening to music, dancing, and playing sports. Andres says that his future plans are, "To continue my studies in the college in my country, because my goal is to make a career that I like."

Rie Takahasi is from the wonderful land of Japan. Rie's future plans are and I quote, "To go to college in Japan because I want to study more English there." When asked what teenagers do as hobbies in Japan she replied, "Karaoke, because this is so popular back home."

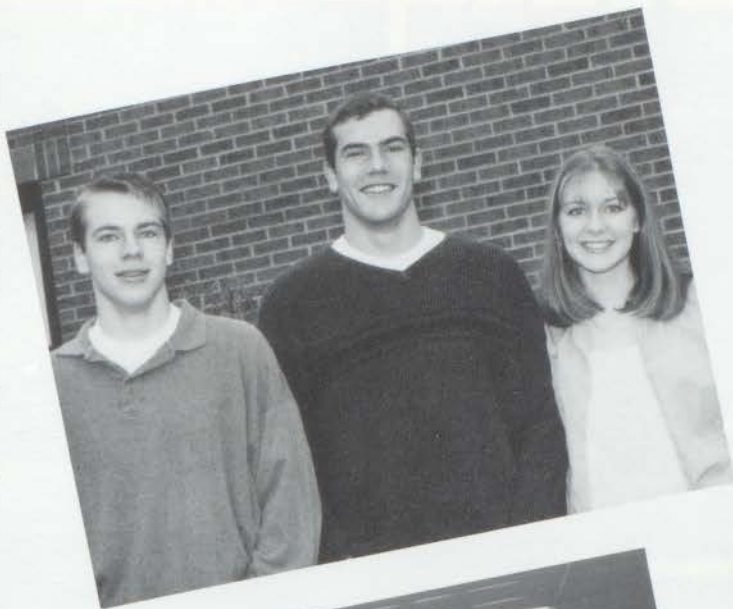

Julia Schneider is from Berlin, Germany. When asked what her school was like back in Berlin, she replied, "It's like college." Julia's school is extremely larger than RCSHS. It consists of three floors and two separate houses. If you were wondering why she speaks English so well, it's because she has practiced it now for seven years.

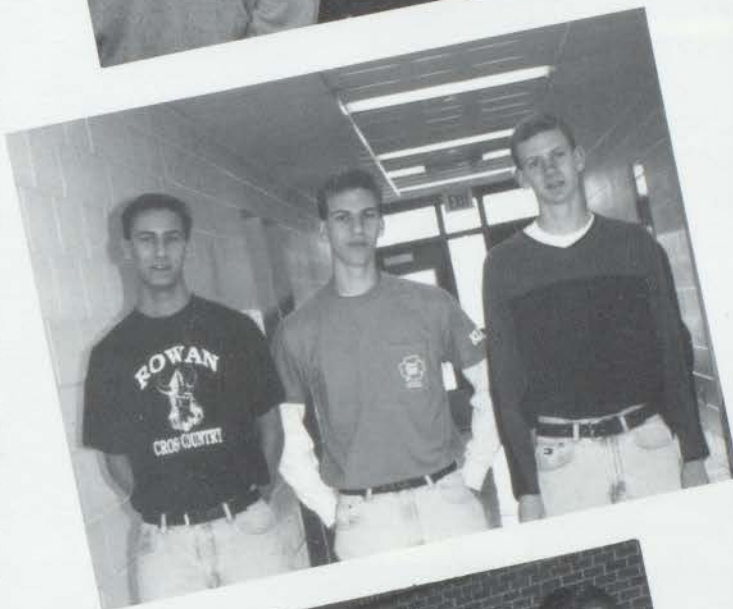

# A FAMILY AFFAIR

No one ever said living with your brother or sister was easy, but what about going to school with siblings? "Can we say 'protective'?" says sophomore Kally Kappes whose brothers, Kody and Kory, are also students at RCSHS.

# Livin' On Love

Sweetheart 1999

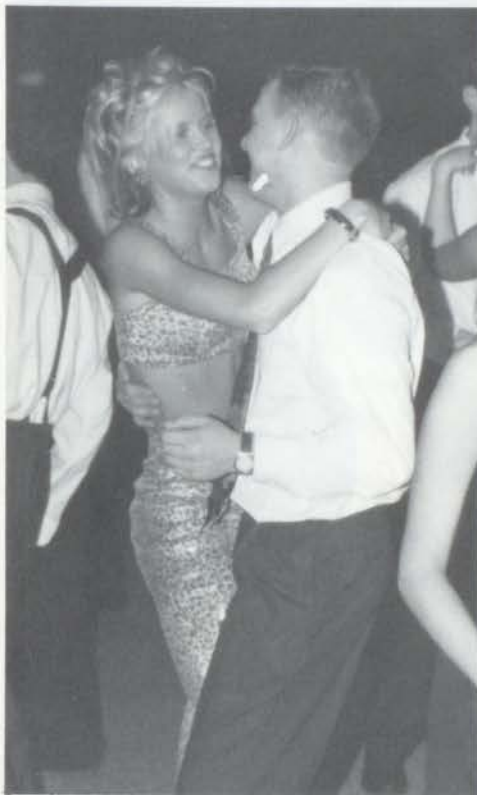

The night was magical, full of young love and romance. This year's Sweetheart Dance was unlike any other ever at RCSHS. It was a night to remember for all students, whether it was their first or their last, it will remain in our memories for all time. For the first time, we had a tie for Sweetheart of the Year. Our two Sweethearts were Abby Adams and Lisa Root. The title of Man of the Year went to Slugger Pelfrey.

# Spring Break 99'

## *Livin' for Vacation*

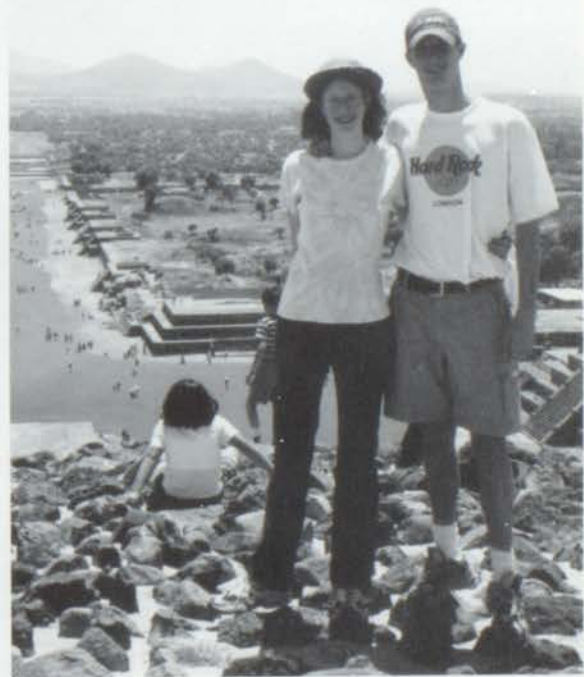

Meghan and Jenna soak up the rays on their vacation to Emerald Isle, NC.

From north to south and east to west, many students at Rowan County Senior High took vacations this spring break. Some enjoyed the warm sun in Mexico or the beach while others visited Oprah and cheered for the Bulls. Still others chose to stay close to home sweet home. With the 1999 school year at a close, students were ready for a spring break to remember.

Keri Ferguson, Rachel Martin, Lisa Root and Leslie Black visited Chicago on their spring break.

Junior Ben Franzini and freshman Laura Franzini, took a trip to Mexico for their spring break.

# The Main Event

What entertainment is hot this season? Well take a guess. They are large testosterone-filled men and women talking like trash and throwing each other around. Wrestling has entered a new age. With *Stone Cold Steve Austin*, *Shawn Michaels*, *The Rock*, *Undertaker*, and *Cain*, who wouldn't be curious? This soap opera has sent everyone in a frenzy. Buying t-shirts, hats, and even mocking the wrestlers have caused quite a stir. As the new wave sweeps the U.S., sellout crowds and sky-high ratings have been produced. The questions to be answered are, Why does everyone view these make-believe events and who would they choose to be if they were a wrestler? These people had this to say!

"It's fake and I don't like the women"  
-Miranda Johnson

Adam Day likes to see "Goldberg whip up on people."

"You mean it's make believe, it can't be make believe it's too real!"  
- Anthony Kidd

"You never know what Val Venus is going to say next."  
-Kelly Sergent

"It's fun to watch Stone Cold Steve Austin show off his muscles."  
- Deanna Ramey and Nikki Campbell

"My favorite wrestler is Stone Cold because everyone is afraid of him."  
-Sheena Lacy

"The Godfather gets the job done, with a smile."  
-Blake Jones

"I like Goldberg because he is bad like me." - Brent Salyers

"Hulk Hogan is the greatest. That is his name isn't it?"  
- Mr. Blair

Shawna Barnett

Shawna,  
Thanks so much for the wonderful years you have given us. Always hold on to what you have and make the sky the limit. Good Luck and God Bless.  
Love, Dad, Mom, and Crystal

Matt Holbrook

A mere 18 years have passed; when you were this little bundle of joy, you crawled, walked and ran. We've been with you every step of the way and now it's time for you to continue the race of life away from us. We are very proud of you, Matt, and love you very much. Always laugh, be yourself, run smart and have fun. "Take delight in the Lord, and He will give you the desires of your heart." Psalm 37:4.

Love, Mom, Dad, Joe, and Brandon

Helen Sexton

Helen,  
Our graduation wish for you:  
May you fight a good fight, finish your course,  
and keep the faith.

We love you,

Mom and Dad

Ashley Brown

Ashley-  
You have taken the road less traveled and that has made all the difference. We are so proud of you.

We love you-

Mom and Dad

Tiffanie Price

Seems like just yesterday we were so proud of you taking your first steps. Now look, mama and daddy's little girl has grown up still making us very proud. Keep working hard and your dreams will come true. Remember to always keep your faith in God. Love ya always, Mom, Dad, and Chase

# THE BEGINNING OF THE END

The Class of 1999 finally made it! It was a beautiful evening with the sun setting behind the hills of Rowan County. The football field was bursting with green and white as 190 students marched with pride. Validictorian Erica Lafferty advised her fellow classmates to accept the challenge of entering the 21st century. Salutatorian Carina Crofts looked forward to what might be in store for the graduates of 1999.

THE BEGINNING...**

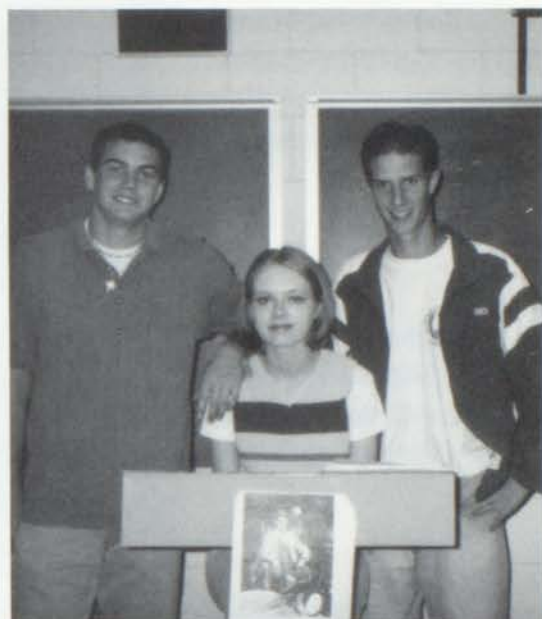

# To Ashland in Lexington

With all other students back at RCSHS testing, seniors took a trip to Lexington to visit Ashland, the home of Henry Clay. Even though this wasn't the senior trip we had in mind, we had a great day. First was the stop at Ashland where we toured the beautiful home and scenic gardens. We also learned a bit of history in spite of ourselves. Lunch and shopping at Fayette Mall made our day complete. All in all, we enjoyed our day together, relaxing, getting reacquainted with those we've been with for the past four years.

Changes. They happen all the time. This year three changes affected us all.

What do you think of the grading scale change????

yes  
no  
maybe

“

Jon Sanning - "It's helped everyone because it has raised their grades."

Mike Craft - "It made a great influence on my life. It's turned my life around."

Mandy Glover - "I really like it because it helped bring my grades up."

”

### DO WE REALLY NEED AN AFTERNOON BREAK?

We are still sleepy in the morning and don't talk to our friends but we talk in class in the afternoons. I think we need an afternoon break for talking, then we wouldn't have to talk in class.

Melissa Hunt

Kids need more time to hang out.

Ben Franzini

We need a break in the afternoon to use the restroom. Some teachers won't let us go during class.

Cheryl Cooper

I like it just as long as I get the first one.

Bill Wheeler

Three lunches is a good idea so lunch isn't overcrowded.

Ashley Stamper

I don't like having three lunches because it takes our breaks away.

Ryan Brown

I would like to have as many lunches as possible.

Pete Weigel

“

I LIKE HAVING THREE LUNCHES ...

I WISH WE HAD JUST TWO LUNCH PERIODS...

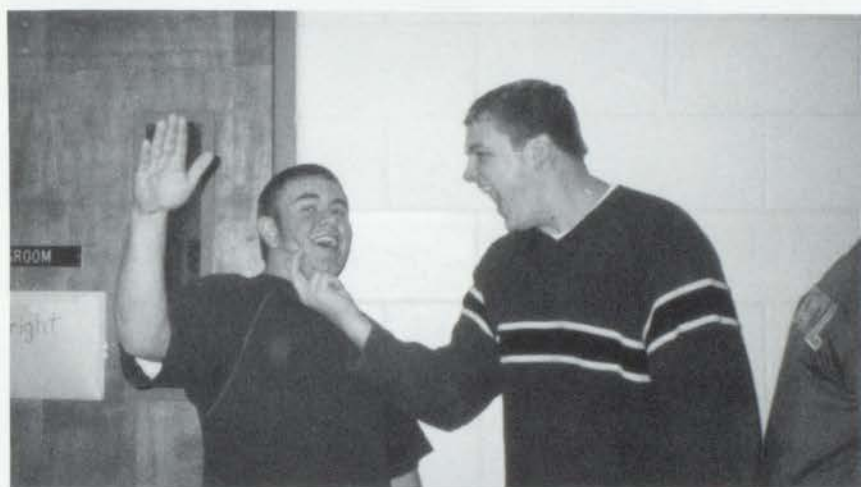

I WANT TO LEAVE SCHOOL TO EAT LUNCH...

# Are You Living Your Dream?

Even though teaching at Rowan County Senior High School is everything a person could ask for in a career, there are some teachers who, believe it or not, had other ideas for their dream jobs. But fortunately for the students of Rowan County Senior High School the teachers sacrificed their hopes and dreams just to further educate the students.

- Steve Walters** - This outstanding teacher wanted to play professional baseball.
- Brenda Ballard** - Would give up her job to become a member of the the F.B.I
- Chad Stanfield** - "I would want to be in WCW as a member of the 4-Horsemen and be tag team champions with Ric Flair."
- Nancy Lane** - Would love to be a member of the crew at Sea World.
- Denton Blair** - Mr. Blair sees himself as a professional fisherman on all the outdoor channels.
- Portia Suttle** - Mrs. Suttle would love to be a supermodel and show up Cindy Crawford.

# Rowan County's Viking Voice

The 1998-1999 Viking Voice Staff has been hard at work all year trying to make the best school paper possible. Using several new techniques and strategies, they have created more papers this year than any other remembered. The class consisted of mostly juniors and seniors. In the beginning of the year they made a long four-page paper. Then to get more papers out sooner they decided to try copied issues. Now they have reverted back to eight-page papers once a month, doing the articles a month ahead of the events. Like all Viking Voice staffs before, they wanted the school newspaper to be the best.

# Viking Independent Bank

The Viking Independent Bank is in the fourth year of operation under the direction of teachers Mrs. Sorrell and Mrs. Rhodes. The Viking Independent Bank offers many services to the students, faculty and staff such as lunch loans, regular loans, and payroll deduction for faculty and staff. Besides providing services, the bank teaches the students the various operations of banking. The Viking Independent bank is located in the back of the student center and is open during all three lunches.

# IN THE WORK ATMOSPHERE

Before getting out into the real world, these students, in the Work Experience Class, are getting a taste of what will be expected by their future employers. These students are learning responsibility and knowledge from going out and working real jobs. The only difference is that they do not get paid in money, but in credit hours. From day care centers to car shops, these students are able to determine which occupation would interest them the most.

# We're Really Cookin'

Who's really cookin'? Students in Mrs. Jones' Food Service class, that's who. Every day they go out to restaurants in Morehead and use their culinary skills. Instead of the classroom and books, these students earn their grades by working part-time jobs for three hours a day and receiving three credits. By working during school, these students not only receive a much-needed credit, but also a headstart into the real world. Talk about your real world application!

This year's yearbook staff has worked long and hard to make this book better than the rest. Whether it's working or goofing off, we still have managed to "Put it all Together." We wanted to make this book different, not only because it's the last one before the new Millenium, but this will be the one the seniors will remember most--the 1999 RCSHS yearbook.

# Golf

The 1998 R.C. Girls Golf Team consisted of three newcomers and one veteran. Despite this group of inexperienced golfers, they fought hard all year long improving with every round. Led by junior Brandi Bowling and sophomore Krista Buckler, the team successfully defeated the teams it should have-Morgan Co. and Bath Co. And with the improved play of freshmen Amy Stevens and Angie Brown, played close to Fleming and Paintsville. The team was able to finish strongly, placing 5th in Regionals. The Lady Vikings return all golfers next year and hope to build on the success of the past season.

## it into the next century

After their winning season of 23-10, these Lady Vikings know what it's like to live life on the edge. By having a senior dominated team, these girls lost none of their spirit through the years. Giving other schools a dose of Viking fever was what they did best. Although the Regional Tournament sent the girls home sweaty and heartbroken, these girls know true fun lies in the heart of Viking Volleyball.

The squad then prepared for the upcoming football and basketball seasons by practicing long hours on sidelines and floor cheers. The girls finished the year by returning victoriously from the Bahamas Cruise Festival Competition where the squad received a superior trophy and a gold medal. And, as always, the girls ended their season with a bright smile on their faces and the love of cheerleading in their hearts.

# Assault 1998!!!!!!

## Rowan County Football

The 1998 Rowan County Football team had a new theme for the season as they do every year. ASSAULT 1998!!! This word has many different meanings. To the football players it meant attack, to attack anyone who stood in their way of going to the playoffs for the third straight year.

Rowan County finished the season with a winning season of 6-4. They went to the playoffs and were unfortunately defeated in the first round by Covington Catholic. That loss ended a year of many memories for everyone involved with Rowan County Senior High School football.

With a team full of seniors and four district titles under Coach Don Daniel, the Vikings looked to capture a regional title. As we all know the season was cut short by the regional rival Ashland. A senior - led Viking squad had a specific job to do and each individual knew their role and did it. When asked about outstanding players, Coach Daniel replied, "We had a team full of outstanding players, but the most improved player was towering 6'6" senior Joey Mirus." Not to be left out is another senior, King College-bound 6'5" center Matt Stokes.

Coach Daniel was thrilled with the performance of his seniors this year. Coach Daniel said that Robby Keeys and Matt Stokes were part of every district championship while dressing varsity as freshmen. "These seniors are a diversified group," Coach Daniel said. On the outlook for next year's varsity group, the Viking skipper is going to rebuild his squad around young players and veteran coaching. All of the coaches are optimistic about the J.V. and freshman teams. After losing 92% of the scoring the Viking coaches will have to depend on hard work and determination to win next season.

# Lady Viking Hoops

This year the Lady Vikings came out of the woodwork with great expectations. The team was pulled together with the strength of the upper classmen and lead to a rough season of 7/20. They were in it heart and soul through every game no matter what the outcome. The season brought the team closer than ever before. Like sisters they performed to the best of their abilities. Their season came to a heartbreaking end in the first round of the Regional Tournament with a loss to the Boyd County Lady Lions.

# Viking Softball

With new attitudes and a dedicated team, these Lady Vikings have grown closer than ever before. Having five seniors to lead them to a victorious season and only 16 girls to compete for the JV and Varsity team, they have stuck together through it all. This year the seniors, Becky Lytle, Brandis Lowe, Alicia Stevens, Emily Whitt, and Jessica Messer have demonstrated great leadership. "This has been a good season for us", boasts their coaches Mr. Slone and Mrs. Jones. After a tough loss in the district, the Lady Vikings advanced to the Regional Tournament with a record of 18-6.
