### Tree Planting Project Will Start In April

The first tree planting project to be initiated on the Cumberland National Forest is expected to be under way early in April. Three plantations of short leaf pine, including about 36,000 seedlings, will be planted in the vicinity of Morehead, Ky.

Leonard G. Barnes, who is stationed at the CCC camp at Clearfield, will be in charge of the planting work. On March 24 a school was held at which twenty-four CCC enrollees were instructed in the art of planting trees. Considerable interest was aroused among the boys and it is hoped that this first step toward reforestation of abandoned fields, which have, in some measure, lost their fertility, will become somewhat widespread, will be of interest to the public as an indication of the activities of the forest service in the direction of conservation of our land resources.

### General Assembly Enacts New Law For County Approval of Road Houses

A recent act of the State General Assembly, providing for County Court approval and licensing of road houses, tourist camps, lunch stands and other places of entertainment, will go into effect here April 15, according to County Judge C. E. Jennings.

When asked about enforcement, the judge replied, "I am going to do my duty." Under the law every proprietor is compelled to obtain a favorable action by the court on his application before he will be permitted to set up operation. In addition, a fee of twenty dollars must be paid into the county treasurer to defray expenses of recording and other items.

Permits must be renewed every year on the first day of January. Conviction may be obtained under

the law for the following infractions: To suffer or permit drunken, disorderly or boisterous persons, or persons of lewd and lascivious reputation to congregate in, near or about the premises or to permit them to use in or about the premises intoxicating liquors; to suffer or permit people to congregate there and to occupy any hidden or secreted room or place from which the view of the public is obstructed; to suffer or permit the premises to be occupied or used as a place of assembling or entertainment, at later hours than those listed in the permit.

The maximum penalty for conviction is \$200, or imprisonment in the county jail for not more than sixty days. Both penalties may be levied at the discretion of the judge.

County patrolmen will be compelled to inspect the places listed above, and may on witnessing an infraction of the law arrest the guilty parties without warrant, according to the act. The county attorney is required to give five days' notice before the action for revocation of permit is held in court.

### Trial of Inquiry Held For Shooting

John Springer Fatally Shot Saturday; Occurred On North Fork

As a result of a trial of inquiry conducted Monday by County Judge C. E. Jennings, Theodore Stone and Arthur Plank have been charged with the fatal shooting of John Springer, Saturday, in the North Fork section of Rowan county. The fight was the culmination of a feud of long standing, and County Patrolmen J. T. Jennings and Moody Alderman had gone to the scene in an effort to halt the expected fray.

As a result of the trial of inquiry, a crowd had gathered in the doorway of Harlan Stone's barn when Springer came up. A brief argument ensued, and Springer knocked Stone to the ground, according to the officer.

"I grabbed Springer by the arm," (Continued on Page 8)

### Educational Board Saves On Warrants

Approximately \$1,000 Withheld On State Notes For County

The Rowan County Board of Education has been enabled to save approximately \$1,000 since the first of the year by the sale of State warrants, issued as payment for four of the seven months of the school year, according to Treasurer H. N. Lacy and County Superintendent Roy C. Cornette.

Sale of the 5 per cent interest-bearing warrants was made through a Louisville brokerage. Part of the State paper brought \$102 1/2, and the others, \$103. In addition, accumulated interest since the issuance of the notes was added. County teachers have been paid in full, and, according to the report, sufficient funds remain in the treasury to meet the salaries of the consolidated school teachers with a balance left.

A \$12 per capita is assured for the schools of Kentucky next year, according to Mr. Lacy. As a result of the high allotment, the board is expected to increase salaries, it was declared.

### Funeral Services Held For Mrs. Hayes

Funeral services for Frances Hayes, 27, sister of Mrs. Dan Parter, were held yesterday afternoon at 2 o'clock in the Parker home on East Main street. Miss Hayes died Sunday night in Knoxville, Tenn. The services were conducted by Dr. G. H. Fern, pastor of the Morehead Christian church. She is survived by her parents, Mr. and Mrs. A. N. Hayes.

Burial was in the Hayes family cemetery at Hayes' Crossing. The Barnes-Lane Funeral Home was in charge of arrangements. Miss Hayes left Morehead approximately ten years ago. She attended school at Hazel Green High School and Transylvania College, Lexington. She was employed for several years by the Kaufman Clothing Store in Lexington. Miss Hayes has been in Knoxville for the past two years.

Casket-bearers were Luther Click, Roy Holbrook, Howard Hudgins, Robert Ray, Roy E. Cornette and Virgil D. Flood.

### LOCAL DRUG COMPANY PRESENTS ANNUAL SALE

The annual spring sale of the C. E. Bishop Drug Company will make its debut in this city on April 8th, 9th, 10th and 11th. This sale is sponsored by the local company each spring and fall, presenting the feature of two articles offered for the price of one with one cent added to the cost of the first article.

### Convocation Speaker

Nellie Verne Walker

Appearing here Friday morning at convocation will be Nellie Verne Walker, well known sculptor and lecturer. A lecture-demonstration, entitled "The Sculptor's Studio", will be presented at 8 o'clock.

Born in Iowa, Miss Walker came to Chicago, and after studying at the Art Institute of Chicago, became an instructor of modeling in the same institution. She is a member of numerous national art organizations, including the National Sculpture Society, also a member of the Illinois State Board of Art Advisers, a member of the Art Extension Committee of Illinois, sponsored by the State university, and was for two years president of the Gordon Club, a Chicago organization composed of women who are professionally engaged in the arts.

Miss Walker is represented in the Chicago Art Institute by a sculptural group, called "Her Son."

### Church Campaign Continues Drive

Fifth Week Total Raises Amount To \$429.13; Division No. 3 Leads

Last Sunday was another big day at First Christian church. The five divisions of the church each turned in fine reports. The total cash reported Sunday was a little short of one hundred dollars. Last Sunday marked the fifth week and the total amount raised to that date amounted to \$429.13. Division No. 3, Mrs. Lappin, leader, was in the lead Sunday with a total of \$112. Division No. 5, Mr. Patton, leader, came second with a total of \$87.49. Division No. 4, Mrs. Ernest Joyce, leader, was third with a total of \$81.92. The other two divisions were not far behind.

A large attendance was present for the Bible school hour and the preaching service. The night service at 8:30 was largely attended by the young people. Next Sunday is planned for another big day. Preparations are being made for a great day on Easter Sunday.

### ENROLLMENT INCREASES 123 AT SPRING SEMESTER

Enrollment at the Morehead State Teachers College was increased by 123 this week when teachers from Eastern Kentucky registered for the spring semester, continuing for nine weeks. At one time school authorities contemplated placing a ban on registrants from the areas under meningitis quarantine, but the diminishing number of new cases reported influenced the officials in minimizing the danger. To date, no cases of spinal meningitis have been reported in Rowan county.

### 38 CCC BOYS LEAVE

Thirty-eight boys enlisted in the Citizens Conservation Corps at Clearfield, this county, completed their terms of enlistment this week, and were discharged by Lt. Roy C. Williams. They left Tuesday by way of the Chesapeake & Ohio Railway.

### PWA Construction Of New Buildings To Begin Monday

Dormitory and Science Buildings Will Be Erected At \$273,000 Cost

WILL BE COMPLETED SOON

Construction on the new science building and dormitory, provided for a loan and grant from the Public Works Administration, will be started at the Morehead State Teachers College Monday, according to W. H. Rice, superintendent of general grounds.

The science building will be located on the Hoge-Keston tract, for the dormitory, \$118,000, at a price reputed to have been \$18,000. The dormitory will be erected on the Worley Hall land east of the college.

For the science building the government agency allotted \$255,000 for the dormitory, \$118,000. The State is required to pay the principal with 4 per cent interest in 20 years. However, 45 per cent represents an outright grant from the government.

It is estimated that seven months will be required in completing construction. Contracts have been let to Struck Construction Company, Louisville, general construction; Whitehurst Plumbing Company, Ashland, plumbing; Link Electric Company, Louisville, wiring, and Montgomery-Ward, heating. Joseph & Joseph, Louisville, architects, have designed the buildings.

### 'Holiday' To Be Given By Dramatic Club

The Revellers Dramatic Club, Morehead college organization, will present "Holiday," a comedy in three acts by Philip Barry, during the latter part of April, according to Lucille Caudill, sponsor of the club and instructor in English literature. The production is one of the finest of its kind to appear on Broadway in recent years. The "New York Post" characterizes it as "happy-go-lucky nonsense."

The cast of characters is composed of Martha Webster, Leon Williams, Mabel Blevins, William Toran, Thelma Camichael, Earl Dean, Paul Holman, Margaret Robertson, David Stephens, Murrel Blair, Harold Pelfrey and Leora Hogue.

### PROFS ATTEND MEET

Martin E. George and Keith P. Davis of the music department of the college are in New York attending the Public School Music Educators' Conference. Accompanying them are Mrs. George and Mrs. Henry Clay Hazen. The party will attend opera and symphony concerts while in the city.

A MESSAGE TO OUR SUBSCRIBERS

This paper is conducting a subscription campaign for two very special reasons: (1) to add new subscribers to the list and thus enlarge our circulation; (2) to secure paid in advance circulation from those subscribers now in arrears. HOWEVER, we are not asking those now in arrears to pay up to date, but merely to pay in advance from this date. Therefore, from this date on, we will take the list of delinquents and cut a certain number off each week, figuring those that have been delinquent for the greatest length of time up to the present, so if you fail to get a paper in the future you will know that it was your turn to make room on the list for paid in advance subscribers.

HOW ABOUT IT, SUBSCRIBERS? Will your financial support equal your moral support? We are endeavoring to give you a paper to justify that support, so give us a chance by subscribing NOW and give your favorite in the race for the auto the credit for your subscription.

FOLK LORE AND BALLADS

The performance staged here last week by a group of Rowan County music lovers and portrayors of mountain music as it has been handed down for hundreds of years was gratifying in many respects. It is well to see that so many people are still interested in the mountain ballad, sung and played without adulteration by the people of the mountains. The turnout was marvelous, considering that the performance was given on such short notice.

The fact that 72 Rowan Countians, most of them from the rural sections, participated, is proof enough that this type of music still lives with us, and regardless of what we may consider as the best types of melody, it remains the almost sole music of the mountain people. In this respect their isolation is by no means a detriment.

RETRENCHMENT

Carried in the news accounts of last week regarding predicted enrollment at the Morehead State Teachers College for mid-semester was a statement from Dean William H. Vaughan that no new faculty members will be employed at Morehead because of the increase, but the teaching loads of the present members of the staff will be correspondingly increased.

During the present era of general retrenchment in all state affairs, it seems well that Morehead College has fallen in line. Several thousands of dollars will be saved by the local institution, which ordinarily would be paid out for additional teachers. We venture to say that the Morehead curriculum will in no wise be thrown in reverse because of the fact that the present teachers' loads will be slightly increased.

TOLL BRIDGES MAY LEAVE STATE

Prospects of freeing Kentucky's eight intra-state highway bridges of tolls this year are so bright that the Kentucky Free Bridge Association, recently organized in Paducah, will concentrate its efforts in Frankfort during the next few weeks, according to Herbert L. Wallerstein, Paducah, president of the association. Mr. Wallerstein said the association is hopeful of bringing the matter before the General Assembly at one of its special sessions this spring. Should the Assembly approve a bill abolishing the tolls, the Highway Commission could immediately free the bridges. Tolls now range from 55 cents to 80 cents for passenger cars.

The Kentucky Free Bridge Association was organized and incorporated in Paducah for the sole purpose of freeing the toll bridges, Mr. Wallerstein said. It has no political motive and when its work is completed it will be disbanded.

The eight bridges in the intra-state system are located as follows: Over the Cumberland river at Burnside, Canton and Smithland; over the Kentucky river at Boonesboro and Tyrone; over the Green river at Spottsville and over the Tennessee river at Eggners Ferry and near Paducah.

**Burley Weed Growers Oppose More Taxes**

Burley tobacco growers of 24 Central Kentucky counties, meeting at Lexington Tuesday, were lined up in opposition to further tobacco taxes.

A committee representing the growers called on citizens "to help protect our biggest income-producing industry," and passed a resolution asking Governor A. B. Chandler, senators and representatives to oppose the tax.

A sharp decrease in demand of burley tobacco was foreseen by growers in the event of the passage of the measure.

## Subscription **WEEKLY PA** AS LARGE AS YOU WA

Now being offered by this newspaper, and at the same time  
of dollars in Prizes To Be Awarded Free in a 7 week

### PLAN IN BRIEF

The object of this big "Weekly Payroll" Drive is two-fold. Primarily, to increase the already large subscription list of this newspaper; to collect arrears and advance subscription payments from present or old subscribers, and at the same time to afford the live-wire, energetic men and women, boys and girls, of this territory an opportunity to profit in a BIG way through their spare time during the next few weeks. So, it is a plan that works both ways, and to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, the most attractive awards ever offered by any newspaper in this section have been made ready for distribution among those who participate most actively. Ambition and energy are the only requisites for success.

Let it be understood at the very outset that this is not a "beauty" nor "popularity" contest, but a strictly legitimate competitive proposition for enterprising men and women, and one into which no element of chance enters. Each active participant will receive a pay check every Saturday night. One feature of this drive is the fact that "Everybody Wins." There will be no losers.

### HOW TO ENTER—WHAT TO DO

The first thing to do is to clip the Entry Coupon appearing below; fill in your name and address and mail or deliver to this newspaper at once. This coupon entitles you, or the person whom you might wish to enter, to 5,000 free credits. These credits are given as a starter to speed you on your way to win. Only one such Entry Coupon will be accepted for each participant.

The next step is to call or write the "Weekly Payroll" Department for a free working outfit. This equipped, you have but to see your friends and acquaintances and have them subscribe to this newspaper through you. THAT'S ALL there is to it! However, you will never get anywhere unless you make the start—the earlier the better. Once started, let no one discourage you. Anything worth having is worth striving for. Six and a half short weeks and you may be riding in your own BIG automobile or otherwise several hundred dollars richer in purse.

### HOW CREDITS ARE SECURED

It takes credits to win, and they are secured in the following ways: First by clipping the Free Credit Coupons appearing in each issue of this newspaper. There is no limit to the number of these coupons you may secure. Get your friends to save them for you. They all count. Begin gathering them NOW while they are good for 100 credits each. After next week these coupons will be reduced to 50 credits each. The following week to 10 credits, and after that they will be discontinued entirely. The only restriction placed on these coupons is that they must be cast before the expiration date.

The other, and much faster way to accumulate credits in this "Weekly Payroll" Drive is by securing new and renewal subscriptions to this newspaper. On each order secured credits are issued, the number varying according to the amount paid and during which "period" same are received at the "Weekly Payroll" Department of this newspaper. (See schedule of credits below.)

### EARLY START MEANS EASY FINISH

The advantages of an early start are manifest. This "Weekly Payroll" drive is of such short duration that immediate action is necessary for success. Orders taken during the early part of the campaign carry the MAXIMUM number of credits. Then, too, the first in the field will undoubtedly get the "cream" of credits and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't lose valuable time "waiting to see what the other fellow is going to do," but pitch right in and show the "other fellow" how to do it!

### Advisory Committee

It is the sincere aim of this newspaper to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interest of the participants, and absolute honesty in all dealings is guaranteed. However, not all wisdom lies with any one man or institution. For that reason a committee or judges will be selected at the approval of the workers, whose duty shall be to assist the campaign manager in making the final count and awarding the prizes.

### RULES AND REGULATIONS

1. No salaried employee of this newspaper is eligible to enter this competition.
2. Any reputable man or woman residing in this city or surrounding territory is eligible to enter this drive and compete for awards and weekly pay checks.
3. The winners of the awards will be decided by their earned credits, said credits being represented by ballots issued on cash collections and coupons clipped from this newspaper.
4. Participants in this drive are not confined to their own town or community in which to secure subscriptions, but may take orders anywhere in this section, or, for that matter, anywhere else.
5. Credits are free. It costs the subscriber nothing extra to cast credits for a favorite participant. Credits must be asked for at the time of paying subscriptions, otherwise subscribers waive this privilege.
6. Credits are not transferable. Participants cannot withdraw in favor of another participant. Should a participant withdraw from the race, his or her credits will be cancelled. Neither will it be permissible for participants to give or transfer subscriptions to another participant. Credits on such transferred subscriptions will be subject to disqualification at the discretion of the management.
7. Any collusion on the part of participants to nullify competition, or any other combination formed to the detriment of "Weekly Payroll" participants of this newspaper will not be tolerated. Any participant taking part in such combination stands liable to forfeit all right to a prize or commission.
8. All credits issued on ballots may be held in reserve and cast at the discretion of participants or this newspaper. The free credit coupons appearing from time to time in the paper must be cast before the expiration date.
9. In event of a tie for any one of the awards, a prize identical in value will be given each tying participant.
10. Participants in this drive are authorized agents of this newspaper, but it is understood and agreed that they will be responsible for all money collected and will remit such amounts in full on regular report days to the "Weekly Payroll" Department.
11. No statement or promise made by any representative or participant varying from the rules and

statement appearing in the columns of this newspaper will be recognized by the publisher.

12. In case of typographical or other errors it is understood that neither the publisher nor "Weekly Payroll" manager shall be held responsible except to make the necessary correction upon discovery of same.
13. ACTIVE participants will be paid a twenty per cent cash commission (\$1.00 out of every \$5.00 collected) on all subscription money turned in to their account each week. It is distinctly understood, however, that in the event any participant becomes INACTIVE, failing to make a regular cash report, he or she will, at the discretion of the management, become disqualified and thereby forfeit all right to an award or an extra commission.
14. It is understood and agreed that the winners of major awards will consider their weekly pay checks in the light of an "advance," which is refundable upon presentation of prize.
15. To insure absolute fairness in the awarding of prizes, the race will be brought to a close with a sealed ballot box. During the entire last "period" of the drive a ballot box—locked and sealed—will repose in the vaults of a local bank, whose participants and their friends may deposit their final collections and reserve credits. In this way, no one—the actual strength of the various participants, which precludes any possibility of favoritism and insures fairness to the minutest degree.
16. A subscription once turned in can be extended at any time giving a like value as though included in first payment.
17. Should two or more workers result a subscriber's extension either one of which builds his subscription up to the total term length allowed, said workers will each receive an equal number of extension votes.
18. Five thousand extra credits will be given to each participant who makes a cash report each Tuesday, Thursday and Saturday nights.
19. This newspaper guarantees fair and impartial treatment to all participants, but should any question arise, the decision of the management will be absolute and final.
20. In becoming a member of this "Weekly Payroll" Campaign participants agree to abide by the above conditions.

## THE EASTERN KENTUCKY SPORTSMAN SPEAKS...

### On Fishing

The Licking Valley Fish and Game Protective Association will hold its regular monthly meeting Tuesday night, according to W. C. Lappin, president. After a short business session, a bait-casting contest will be conducted for members. A fee of five cents will be required for entrance. The money will be used to defray the cost of the prizes to be awarded the most proficient operators of the lure.

W. D. Scroggins, erstwhile freshman football and basketball coach at the college, claims the early season record for bass. Recently he hooked and landed a 17-inch small-mouth somewhere in Triplett Creek. He refused to divulge the location, anticipating other large catches there later in the season. When queried about the weight, he said, "I didn't have scales big enough to weigh him." Coach Downing, who was a bystander, made certain disparaging remarks concerning the validity of the story.

Other fishermen, including Jack Helwig and G. D. Downing, excused their lack of early-season trophies by citing the bad weather of the past month. J. M. Clayton, one of the most successful fishermen in the county, is expected to make his initial attempt in the near future.

"Dazzy" Vance, former Brooklyn pitcher, who received approximately \$40,000 yearly for nearly a decade, was entertained by J. M. Clayton at the Eagles' Nest Monday night. Mr. Vance is associated at Ashland with G. C. Alexander, former Cardinal pitcher and world-series hero, in a promotion of baseball training camps. When asked if he would play this year, "Dazzy" replied that he would not. His active participation ended about three years ago.

It pays to advertise in the independent. Ask the man who has tried.

## 35 Candidates Begin Spring Grid Practice At M. C.

### Head Coach Downing Expects Improvement In Squad With New Material

Improved weather conditions permitted approximately 35 candidates for the 1936 Morehead varsity football team to begin practice this week under the direction of Head Coach G. D. Downing and Freshman Coach W. D. Scroggins, who are determined to lift the Eagles from the Southern Intercollegiate Athletic Association football "cellar," which they have occupied for the past two years.

Due to excellent material from the 1935 freshman team, the varsity is expected to be considerably improved. Coach Downing is making every preparation to discover the best material this spring, in order that drill in the fall will not be interrupted by the necessity of placing unknown talent.

The chance of the Eagles this fall will be better than last, it is believed by the mentors.

### JUNIOR HIGH GIRLS TO GIVE OPERETTA

#### Amateur Hour For Training School In Connection With Operatta.

The Junior high girls' chorus of the Breckinridge Training School will give an operatta called "The Middle Maids," in the college auditorium on April 14, 1936, at 7:30 p. m. under the direction of Keith Davis. An amateur hour for training school students is to be given in connection with the operatta. The plot of this operatta is centered around the Middle Academy for Girls. This consists of a chorus of 18 girls, who will furnish plenty of dancing and singing.

The cast is as follows:  
Molly Malloy—Josephine Francis  
Captain—Helen Dorothy Crosley  
Admiral—Patty Caudill  
Author—Mary Adkins  
Engineer—Mildred Randall  
Mme. Pom Pom—Thelma Hall  
English Instructors—Marie Falls

Clumby Clara—Elvira Caudill  
Snyapatistic Susan—Mary Sue Pervis  
Careless Carrie—Edna Baker.

### Debate Team Loses By Judges' Decision

Morehead State Teachers College's strong debate team lost a judges' decision to the University of Chattanooga at convocation Monday morning. Earl Dean and Elijah Hogge, of Morehead, opposed John Harris and Robert Shinbaum, of Chattanooga, on the question: "Resolved that Congress should be empowered by a two-thirds majority vote to override decisions of the Supreme Court, declaring an act of Congress unconstitutional."

Judges of the debate were Jack Wilson, editor of the "Rowan County News"; H. L. Moore, pastor of the Morehead Methodist church, and W. J. Sammie, editor of the "Morehead Independent."

## Soldier High Noses Out "Breck" High In Benefit Game

Allie Holbrook's strong Soldier basketball team nosed out Robert Laughlin's Breckinridge Eagles, 24 to 22, here Saturday night in a charity game, sponsored by the Morehead Christian Church.

Soldier forged into an early lead, going ahead at the quarter 5 to 0. At the half Breckinridge was trailing 11 to 0. But when the second stanza opened, Frayley with eight and Allen with six points were best for Breckinridge. The game marked the close of the season for both teams. Soldier was a finalist in the Eighth Regional Basketball Tournament, losing to Russell by a narrow margin for the privilege of entering the State tournament at Lexington.

## Lack of Enthusiasm May Halt Baseball

### Larger Portion of Student Body Is Represented By Soft Ball

Head Coach G. D. Downing advised this week that the Morehead State Teachers College would probably not be represented by a baseball team this year. As reasons, the coach gave the lack of playing room, inability to schedule sufficient teams, and the lack of local enthusiasm.

In its place, soft-ball is expected to be substituted again this year. The coach was of the opinion that this game served a larger portion of the student body, as a league, composed of eight teams, permitted many more men to participate.

When queried in regard to a tennis team, the varsity mentor stated that due to lack of courts a squad was not probable. However, he remarked that he had the matter under advisement with President H. A. Babb and E. K. Senff.

### NEW OFFICERS ELECTED FOR CAMPUS CLUB

The Campus Club, Morehead College social organization, elected Earl Dean to succeed Watt Prichard, Jr., as president at a meeting last week. Officers are John Rosson, vice president; Howard Hadden, secretary-treasurer; and Gordon Kernher, sergeant-at-arms. Dr. A. Y. Lloyd, history department head, was recently elected club sponsor to succeed Neville Finzel, of the sociology department.

# Trial of Inquiry Held for Shooting

(Continued from page one)

but before I could take a step Arthur Plank started shooting, and could feel the bullets passing within a few inches of me," Jennings stated. Eye-witnesses stated that after Springer fell to the ground approximately a dozen more bullets were fired into his body. Whether he was dead before he fell, or not, will be decided at the examining trial scheduled this week.

It was not determined whether Plank fired all of the fatal shots, or if he was aided by Stone. However, eye-witnesses were of the opinion that the former did the shooting.

The immediate cause of the fight, according to witnesses, was a threat made by Springer to "beat up" Harlan Stone, brother of the man charged with the killing.

Ernest Jones, Edgerton, will be tried in Rowan county court today on a charge of having stolen chickens in his possession, according to Justice C. E. Jennings. The action is being brought by Mrs. Corna Hlyns of Edgerton.
