THE President and Directors of the Flemingsburg and Mount Sterling Turnpike Company, are now prepared to contract for the construction of a portion of the same, to be completed in 1838.

Sealed Proposals will be received at Scully's Hotel, in Flemingsburg, until Friday, the 25th day of April next, at 10 o'clock P. M. for the construction of twenty miles of said road, five miles south of Mayville, five miles north of Flemingsburg, five miles north of Mount Sterling, and five miles north of Mount Vernon, and some of its principal tributaries, and the specifications read and explained the three days previous to the letting beginning at Mayville, by C.
