FIRST SEMESTER

1932-33

READ THIS BEFORE REGISTERING

1. If you are a Freshman and are interested in a certificate, you should plan your course to meet the requirements for the College Elementary certificate.
2. If you are a Freshman and are not interested in a certificate, you should follow the suggested course for a degree without a certificate. See page 59 of the catalog.
3. If you are working for the Standard certificate, you should follow the suggested two-year course found on pages 59 and 60 of the catalog.
4. If you are working for a degree, you should consult your major professor as early as the sophomore year in planning your course.
5. Read the catalog section relating to chapel absences.
6. Read the catalog section relating to class absences.
7. If you change your schedule, you run the risk of not getting the required courses for the certificate for which you are an applicant.
