Rev. & Mrs. Laudaet-

Dear friends.

Rec'd your card, appreciate it very much. especiaely appreciate your interest in my son. Am glad he visited your church. He wrote me about attending services there, he has been sick with a cold. Tho he writes he's O.K. now. yes I'm very proud of him. I want to come up & stay with him some. I wonder if you all might be able to help me locate a room & if its convient would like to get my noon day meal, a room & one meal a day. do you think I'll be able to get that. or would it be asking too much of you to see if you could locate the room & the price & let me know at once as I want to go up the latter part of next week. I want a nice place but not too expensive.

Thanks for your kindness.

May God bless you-

Mrs J. J. Harris
