SUBJECT: Award of Silver Star.  
THRU : CO, 6th F. A. Group.  
TO : Sergeant Lunda (NMI) Potter, Headquarters Battery,  
59th Armored Field Artillery Battalion.

You are hereby awarded a Silver Star under the provisions of Army Regulations 600-45, for services indicated:

LUNDA (NMI) POTTER, 15041456, Sergeant, Headquarters Battery, 59th Armored Field Artillery Battalion, for gallantry in action on 6 December 1943. While Sergeant Potter was leading his forward observation section across a ledge of Mt Camino, he was attacked by enemy snipers. Two members were wounded. Mindless of his own safety, Sergeant Potter organized the remainder of the section, helped the wounded, and led his section to safety without further loss. His gallant and heroic conduct, under fire and in danger, bring him great credit, as exemplary of the highest traditions of the military service. Entered service from Huntington, West Virginia.

By command of Major General KEYES:

F. W. ZIES,  
Lt. Col., A.G.D.,
