Dear Rev Arthur,

Received your card and was sorry I could not answer at once.

I have been ill and am just able to get around now. I was indeed glad to know my son Kenneth attended your church on Sunday. I know he is a fine boy and I am so proud of him. It was when he was a youngster he was an altar boy and was so proud when he was picked out for one. I know he will not forget to attend ~~church~~ church cause it is a nice feeling to know we can go without any one watching to see

I will close now wishing you
luck. May God bless you & yours

if we go to church & then giving
us a beating for going. We should
all thank God we can go to him in
our need. I have not heard from
Kenneth in some time now and I
know he is busy. I just wrote
to him and I did speak to him
about going to church. I know he
will when I ask him to attend on
Sundays. I have six younger children
and I send them to mass every Sunday
& Holy days. It will never hurt them
to live up to their church. I am strict
about that. Of course when they are
older they will remember their
training when they were young & won't
forget so quick. Glad to have heard
from you Rev. and let me know
if you can how my boy is doing
