Dr. Smith's Pills are free from the objections to which other Pills are liable, and are the best mel-icine that I have yet seen. J. GREENE.

And that they be referred to the children of the sent we cherrilly state that we visited the offer of the Smith in September last, while in New York, and found him carrying on a very extensive basies with the Indian Vegetable Fills. The extension the sublishment would astoniah any one not initiated in the Mysteries of the Fill trade-Louisvilla Jow.

Dr. G. Benj. Smith's Sugar Coated Pills are all the rage in Boston now. Children cry for them. Boston Post. Easton Post. Very much so in Rochester. The dear little "r-sponsibilities" won't believe they are medicine, so how.—Rochester Daily Advertise.

They sell well at Carbondale-and so they ought in. Purchase them of Sweet & Ensign, or of Dr. A. P. Gardner, who are duly authorized agents for the sale of Dr. G. Benj. Smith's Sugar Coated Fills. Give them a trial and they must stand as high in your estimation as they now do in ours—Carbonder (Pa.). Reporter.

the American policy and law, and neither rotestant nor Catholic, either at home or abroad, should be compelled to submit to any course, which his conscience does not ove. Our attention has been called to bject by several per sons and while we deprecate religious controversies, we have no hesitation in expressing our opin-ions upon them when brought about by State policy or by individuals who are in public employment, so far as they are thus made matters of public concern.

THE TRUE GROUND .--- The Boston Ad udes a sensible article on the question of the next Presidency, by the folwing pertinent and expressive remark ill of true, Whig-like, national sentiment full of

"If the Whigs of Massachusetts vot against Taylor, it will not be because h is a slaveholder; if they vote for him, i will not be because he is a General."

Of the members elected to the nex Congress, the Whigs have a majority over all others of 20. The probability as to the remainder is, that the Democrats will have 41, and the Whigs 20, which will still leave the Whigs a majority of 8. Last winter the Democratic majority was near 70-and yet told the war is popular !! !!
