The Rowan County Fair was an institution steeped in this county's earliest history.

The fair had its beginning in 1913 when plans were made to hold a "chautauqua" in Rowan

County. (It was a type of fair)
"Chautauqua" was an Indian word meaning a ceremonial gathering. It originated at Lake Chautauqua, N.Y. in 1874 by the Methodist Episcopal church as assemblies for religious stud-

ies. The program was soon extended to include educational, musical and dramatic entertain-

A "chautauqua" soon became a generic name for programs given by traveling entertainers usually performing at rural county fairs. It became an institution in the early history of our nation. It became a popular gathering for the purpose of education and entertainment, in the form of lectures, concerts, and plays. They were usually held either outdoors or in a large tent.

Rowan farmers hold

Chautauqua
In the fall of 1913, Rowan
made plans to become the first mountain county to hold a chautauqua, and it was planned for September of that year. But Madison County jumped ahead of this county and booked all of the talent Rowan had counted on securing.

However, local leaders were not to be deterred. They held their chautauqua the following summer, closing with a grand homecoming week, and a greater Rowan County Convention. This event, spearheaded by School Superintendent Cora Wilson Stewart, was actually the forerunner for future fairs in

our county.

A fair beginning Beginning in the 1920s, county fairs sprang up throughout Kentucky. Each county tried to make their own fair the "fairest of them all." Rowan County was certainly no exception, and on the first Friday and Saturday in October of 1925, Rowan's first fair was held. It was called a Community Fair, and had a very modest beginning on the campus of Morehead State Teachers College and Normal School

It was the brainchild of Agriculture Professor Henry C. Haggan, County Extension Agent,

At C.L. Goff, School Superinten-Se dent Harlan Powers and MSC Se President Frank Button. The first fair was called a Communi-Oc ty Fair. Its purpose was to pro-Oc mote city, county, and college Oc cooperation. It was a noble pur-Oc pose and the first Community No Fair was housed in five rooms of No the college administrative build-No ing. It was declared a success by *All everyone.

Fair interests increases

Interest in, and support for the Community Fair grew rapid-ly, and by 1927 "represented a Dat Mai tremendous step forward in the Mai development of Rowan County." the farmer, merchant, parent and school. Prizes were awarded for the best examples of canning, baking, sewing, fruits and vegetables. The prizes, ribbons, and catalogs were paid for by local merchants, who reaped tremendous benefits from the thousands of people that eventu-ally attended these fairs.

Name and fair site changed With the construction in 1928 of the new, modern Morehead High School Gym and auditorium, the site of the fair was moved from the college to the new Gymnasium on Second Street and Tippett Avenue. Not only the site of the fair changed but the name of the fair but the name of the fair

changed.

Therefore, by 1930, under the leadership of new School Superintendent Lydia Messer Caudill, Rowan's Community Fair became known as the Rowan County School and Agricultural Fair. Greater emphasis was placed upon school participation emphasizing the educational importance of the fair. Added to the list of usual fair exhibits were Art, Athletics, Music, and Livestock. Not only ribbons were awarded for winners in their areas, but prize money was also provided by the local merchants.

Fair Committee appointed Roy Cornette became the Superintendent of Rowan Coun-ty Schools in 1934. Working with local community leaders, he began to enlarge and expand the Fair, with the schools taking an even more active part. Planning began with the appointment of a Fair Committee which met July, 8, 1935. Mrs. Lester Hogge was elected president of this committee. Other committee members included Henry C. Haggan, Head, Agricultural Department MSC; the Rev. B. H. Kazee, Pastor Baptist Church, Secretary; Dr. H.L. Wilson, Treasurer; Roy Cornette, Head of School Dept.; C.L. Goff, Agriculture; Mrs. C.U. Waltz, Home Department; and Austin Riddle, Athletics. This same committee served for five years, improving and enlarging the fair improving and enlarging the fair

each year.
Rowan's 1935 Fair was held
on Oct. 3, 4, and 5 in the Morehead High School Gymnasium. It was decided that because of the great number of floats, exhibitors, and participants, that an extra day (Thursday) was needed for registration, and building temporary pens to house the animal exhibits. Also, detailed plans were made for the

first School Parade.

The first teachers meeting every school year throughout the remainder of the 1930s involved primarily planning and preparation for the Fair. Very detailed planning for the fair did not include how to

get the children into town. The problem was left up to the ingenuity of the individual teachers. There were no school busses for these early fairs, and it was up to teachers and parents to bring the children into town. Some walked, and some came in cars, cattle trucks, wagons, and on horseback. Many schools held pie suppers to pay for a truck to haul the children into town. But they came to town to march in the parade and celebrate the fair. It was a great day in the life of the community.

Schools and teachers march

in parade Each school and teacher was required to march with a banner or a float in the parade. (However, first and second grades were not required to march.) Banners, and floats carried by the children proudly represented their school and community. For instance the banner carried by the Sharkey rural school children had a picture of a shark, and the picture of a key; thus making "Sharkey." Also, the Little Brushy School carried a ban-ner with the word "Little" printed next to a pile of brush, fol-lowed by a "Y"; therefore "Little Brushy." They worked hard building banners, floats, and preparing exhibits of livestock,

cooking, canning, and sewing.

The 1935 Fair, considered on
the county's best, brought seven
thousand people into Morehead. They came from Haldeman Farmers, Elliottville, Clearfield
— and all points east, west,
north and south. They came
from schools such as: Charity,
Bull Fork, and Clark. They
came from Haldeman, Hardeman and Helly and from Dit man, and Holly, and from Ditney. Dry Creek, McKenzie, and Minor. From Mt. Hope, Oak Grove, Waltz, Wess Cox, Razor, and Perkins, and from 40 other schools. But they came and were benny to be hore. happy to be here.

Fair Day more exciting than Christmas

Fair Day was the most exciting day of the year in the life of Rowan's school children. They expected little for Christmas, and received very little. They understood their parents could not afford to buy them much for Christmas. BUT FAIR DAY that was something else. Each child in each home was up long before daylight.

They completed their chores, put on their Sunday best overall, or gingham dresses, and began the exciting journey to Morehead. There they proudly participated in the parade prizes, and other activities. It they won a blue ribbon for any activity, they were as proud as any Olympic athlete, because they understood they represented their school. Also, the athletic events were held at old Jayne Stadium, and few had such things as athletic shoes, so mos everyone took off their heavy shoes, and participated barefoot

The Rowan County Fair continued every year until 1939. That was the year of the very destructive flash flood that hit Rowan County on July 4. There were 25 people drowned on that dreadful night. Also, buildings, roads, bridges, and crops were devastated. Therefore, the Fair Committee elected not to hold the fair in 1939.

But it was resumed in 1940 and 1941, until World War II stopped it again. Although the fair resumed in 1946, there never seemed to be the enthusiasm and interest that was there before the war. The nation, as well as Rowan County, seemed The nation, as to have lost their innocence, and became too sophisticated to participate.

Fair fades slowly away Before World War II everyone looked forward to the fair and marching in the parade. Also they eagerly became involved in the events. But the post-war ear brought grumbling from teachers, children and parents. They complained that too much time was spent on the fair. Therefore, the Rowan County Schools and Agricultural Fair died a natural death in the 1950s.

In 1956 Rowan County celebrated its centennial year, and there was a major Morehead parade and other activities. But the County Fair has disappeared. It has now be replaced by the excellent Hardwood and Harvest Festivals. But these events seem to be economically based, whereas the old fair was

educationally based. Both are important, and as we approach the new millenni-- we must not forget this. Maybe we need a Rowan County Schools and Technology Fair to replace the Rowan County

Officers Welcome To Farmers,

MORE EXHIBITS, BETTER PRIZE RING Robert Bishop, Thanks OFFERED AT THIS YEAR'S FAIR MEET Merchants For Support

For the second consecutive year, | the Rowan County School and Agricultural Fair Association, wisely placed the leadership in capable hands. Mrs. Lester Hogge, of Morehand, who successfully was at the helm of the event in 1934, is again esident of the fair.

Mrs. Hogge, with the assistance be various fair officers and committees has worked out a note-wor-

rogram for this year's fairone that will allow every person in Rowan County, who so desires, to ticipate and have an active part. One of the prime requisites of a fair is that it be held so that every one may participate. It can truthfully be said of this year's event that there is a place for the entrance of exhibits from any man, woman or child in the county.

Mrs. Hogge extends a note of sincere welcome to all people in this county, not only to attend the fair, but enter exhibits in the various -ings, and take an active part.

The secretary of the fair is Rev. B. H. Kazee, Pastor of the Morehead Baptist Church. There is perhaps no one who has worked more faithfully than he to secure a successful 2 day meet. Rev. Kazee has been an assistant in every department.

Dr. H. L. Wilson, Morehead dentist, is treasurer for the second year. Mr. Wilson's high interest in the fair has been manifested on numerous occassions and he has not been found lacking in either ability or the desire to do his share of the work that is necessary for a successful 1935 fair.

No article concerning the fair should omit the names of 2 of its officers-in fact 2 of its most important heads. They are Superintendent Rov E. Cornette, in charge of the school department, and County Agent C. L. Goff, who will direct the important agricultural side of the fair. After all the fair is really made up of these two departments | HEAD INDEPENDENT.

with many tangents. Mr. Cornette and Mr. Goff have given hours of work toward the fair, and it is only right that they should be given full credit for the splendid exhibity that will be on display.

One of Morehead's outstanding ladies-Mrs. E. D. Patton-was selected to head the Home Department. This part of the fair will perhaps attract considerable attentionespecially so with the pleasing aroma of cakes, candies, pastries and the many other good things that only mothers can concoct.

Austin Riddle, Coach of the Morehead High School is head of the department of athletics another important feature of the fair. The athletic department has been enlarged and will include more participants this year.

The complete list of fair officers is given on page 2 of this section.

The cooking and baking department for the the 1935 Fair is practically the same as it has been for the past two years, with the exception of a few added rings and, I hope a much greater show of enthusiasm. From all indications, the women of Rowan County will this year make this department one of the outstanding sources of pride to the fair, with practically every home having an entrant of some kind. We certainly extend to everyone a cordial welcome and urge every housekeeper to take part in this the 5th annual Rowan County School and Agricultural Pair

As we draw close to the fifth annual Schoot and Agricultural Fair the fiance committee wishes to thank those people who have made it possible through their financial aid to give the people a good fain Those who have advertised were prompted to by reason of advertising and they were interested in giving to the people of Rowan County a fair of which they may well be proud. The contributors have helped make possible a successful fair, prompted solely by a feeling of pubic spirit.

The financial committee plays only a small part in financing the fair; they act only as an agent for the public spirited business firms and individuals. Every citizen in the county should consider that is their fair and work to make each year better than the previous one. The important part to the fair is the attendance, so if you do not have entries come and see what your fellow citizens have grown and made. The officers of the Fair Association have worked hard to arrange the fair so you will enjoy yourselves. Attend both days.

Successful Mountaineers.

One who chisels a natural and graceful figure out of m or molds a life-like bust of clay, or paints on canvas a fine imits tion of mortal face or sublime scene, or cultivates fruits and flowers into a state of higher perfection, may become honored and sung by all the world; but what of the one who takes a human being in helpness infancy or in childhood and develops and trains it into the fullness and perfection of human life?

Mary Coffee, a girl who earns her own living and supports a widowed mother, took a child-a little girl, helpless, destitute. starving, freezing and diseased, a most unattractive and unpromising lump of humanity, a wreck, a mere human mass with the breath of life in it, and that breath almost ready to go out. Here in a community where there is no great wealth or luxury, but at the same time where there is much comfort, and where much is cost of fruit trees for Rowan editors in the development of wasted, where furs and diamonds and feathers are worn, and carcounty citizens that is for one their country; and, perhaps, pets and pianos and portieries and lace curtains and costly things, tree, the purchaser pays one-half nothing speaks more loudly and unneces ary thinks, are indulged in by professed christians, as well as sinners, a child was starving, freezing, dying. It would have died, had not Mary Coffey given it food and shelter. - It was not pretty and winsome and fine enough bred for most of us. But, fair enough, and will enable any to reflect upon this section. A Mary Coffey took the little one into her home and her mother citizen, however poor, to start a great constructive policy seems mothered her, and Mary became big sister to her. But, when it comes to be in just her mother and herself to be a fancier. But, when it comes to be in just her mother and herself to be a fancier. Estelle is a living, rowing, happy child, with all the promise of beautiful and gloribus womanhood. Mary might reply to those who thrust the pedigree proposition at her in the words of the wisest of men that, "it's a wise shild who knows his own father;" and she might cite many instances where the best bred, or the supposedly best bred, children have been the source of bitterest disappointment to their parents, yet she does not reply at all. but goes on and does her duty by Estelle, and to Estelle the sun that shines is not so bright and fair as Mary's face.

While it may soom a digression, it is important to relate that Mary's mother advartised for a girl the other day to come and stay in their home and help with the work and go to school, and another worthy child has found a home-not a place to drudge and to wait on the idle and the thoughtless, but a place to share in the household tasks, to earn her board and keep and to be happy and to be a sister to Mary and Estelle. ADVERTISED for a girl! Is giving her a living while she worked her way through school when dozens of lity, ambitious young girls have come and trudged the streets of the town and applied in vain at the door's of other homes for work that they might earn their expenses while in school, and when hundreds are writing and begging for scholarships upon any terms and willing to do any sort of work! A widow and her daughter can afford to give a girl a chance to give he time to go to school, when in a dozen homes, at least, in the lower young girls are employed who could be spared to go to school if the housewives would simplify their household affairs, and could be content to have their spoiled darlings pampered and waited on

Fibe Thousand Or More Expected To Be In Parade Opening Fair Here Friday Morning

Five to seven thousand persons will gather in Morehead Friday morning to see the parade that officially opens the 1935 School and Agricultural Fair.

This is the fifth time the event has been staged here, starting back in 1930, when Mrs. Lyda Messer Caudill, County Superintendent, held the initial fair. Each year has shown a marked increase in attendance, and the number of rings added. The competition this season is expected to be closer than ever before, with probable overcrowded prize rings.

awarded this year. Included in the childr various departments are school exhibits, agricultural exhibits, and heade sewing and cooking. Most of the rurband.

More than 400 prizes will be

al schools have been preparing for months the exhibits they will have on display.

Rowar county housewives have been laying back that best jar of preserves, jam or jellies; seamstresses have put their best efforts for entries; farmers have saved that best pumpkin, corn or plan to exhibit that choice fruit; school children have entries by the hundreds and it is their interest that has kept the fair going each year.

The grand parade Friday morning will include about 4,000 school children, school and merchant floats, Parent—Teachers organizations—headed by the Morehead College band.

All Right! Come In!

Small loans are welcome at this bank.

They give us the chance to help more people, and to make new friends for the bank.

The size of your business has nothing to do with the matter. Is your business sound? That is the real question. If it is, it doesn't have to be big.

If you are interested in a lcan, we shall be glad to see you and to show you every courtesy and consideration.

Our loans to the people of this Community are now the highest in the history or this institution.

A. B. McKINNEY STORE

Morehead, Kentucky

Dear Customer,

Since our beginning in 1908, McKinney's Store has devoted its entire thrity-three years to SERVICE, COURTESY, and the retailing of the finest quality merchandise available. At that time we established a strict policy that our merchandise must meet the most rigid, exacting standards.

And now McKinney's Store is well known in Rowan County and Eastern Kentucky for its unexcelled quality, Fashion, Value and Customer Satisfaction.

To the thousands of Customers whose confidence and patronage made this Store live up to its policy, we extend Greetings, and an invitation to call upon us and make this store their headquarters during the Fair.

ADD MANY PROGRAM EVENTS

Final preparations are being made

this week for the opening of the Rowan County School and Agricultural Fair, Friday, October 4th, at the gymnasium of the Morehead City School Prospects for a great fair are encouraging, despite the fact that agricultural phases have been hampered by an adverse season. According to County Agent C. L. Gooff, great interest is being manifest over the county both among the schools and community folk. Calls

Teachers will also be given entry eards with instructions to enter all exhibits in their respective schools, thus saving a great deal of time and inconvienience in registration.

B. H. Kazee, Secretary, will be in charge of registration. There will be three departments of registrars, cor-

responding to the three departments of the fair, with assistants enough to take care of the rush and to insure registration on time, Mr. Kazee has planned a new system of paying off prizes which will eliminate much detail and misunderstanding. A prize ticket will be given the winner instead of an envelope containing the money. This ticket will be presented immediately on the fair ground, at a booth designated "OFFICE."

SOCIAL BILL IS SIGNED BY F.D.R.

President Places Signature 0 Legislation Sponsered By The Administration

President Roosevelt today signed into law a social security programme as said would "provide for the United States an economic structure of vastly greater soundness."

"This social security measure," Mr. Roosevelt added, "gives a least some protection to 30,000,001 of our citizens who will reap direct benefits through unemploymen compensation, through old age pen sions and through increased services for the protection of children and

sions and through increased services for the protection of children and the prevention of ill health."

The law sets up systems of old-

age pensions and unemployment in surance, and special care for dependent children and mothers, and contain a huge tax programme to raise the necessary funds.

About him stood Secretary Perkins, Chairman Harrison, Democrat, Mississippi, of the Senate Finance Committee; Chairman Doughton, Democrat, North Carolina, of the House Ways and Messas Committee,

and Senator Wagner, Democrat, New York, and Representative Lewis, Democrat, Maryland, who originally introduced the security bills.

Today, a hope of many, year standing as in large part fulfilled, said Mr. Roosevelt, at the onnet of his about talk. He somebook hy mying that if Congress, half does nothing the "in this long and so duous cossion... the scasion would be regarded as historic for all time."

duous cession . . . the session would be regarded so historic for all time."
"We can never insure 100 percent of the population against 100 percent of the hazards and vicissitudes of life," the President said. "But we have tried to frame a law which will give some measure of protection to the average citizen and to his family against poverty-stricken old age.

"This law, too, represents a corerstone in a structure which is
