Dear Friends in Christ,

Please accept my sincere thanks for all the courtesies extended our son David. He wrote us that you were so very nice to him and made him feel welcome. He enjoyed your service and I'm sure has been with you again. He has attended the various denominations since he has been in service and enjoys all of them.

Thank you for the nice things you write of him. He has been

a wonderful son to us, so dependable, and always a christian. He has always had a host of friends and of course we are proud of him and his brother, Sammy, who will finish high school and enter the Naval branch of the service in mid. January.

I know you folks are busy with your regular church activities and those brought on by the present conflict. It's a pleasure tho to feel that you have the privilege to serve, isn't it?

We should so much like to meet all of you who have been so nice to David, and really hope to go there with him when peace reigns again, and see the beautiful country he describes to us.

Again accept our heartfelt appreciation for all the kindness you've shown David.

Sincerely yours.

Mr & Mrs Sam Ross

Bx 24, Levy, Arkansas.
