FOREWORD

To those of you who want to come to school during the summer, we feel that we can offer you study under ideal conditions. Our curricular offerings will suit your needs and our climate is such that rest, so essential to a clear mind, can be had, even when neighboring towns and cities are sweltering. Located as we are in the Kentucky mountains, our nights are always cool, thus refreshing you for another day.

To the lovers of sports, we offer hiking, tennis, rowing and swimming galore.

We have planned a varied program of lyceum events, including an illustrated address on June 12th by Howard Higgins, of Emerson College, Boston, Mass., on the subject "Among The Spirits". Mr. Higgins's address is an effort to de-bunk spiritualism. He will show and explain by slides many of the so-called "psychic phenomena".

The Music Department will give a series of evening concerts on the following dates:

Tuesday, June 16
Tuesday, June 23
Tuesday, June 30
Tuesday, July 21
Tuesday, August 4

Our College Theatre will show new and current moving picture features each Friday evening.
