

# Bandana Quilt No. 2

SPECIAL COLLECTION

Wash and iron bandanas - 12 red and 12 blue about 2 1/2 in. square.

Sew together as shown in diagram.

Line with desired color.

Baste batting between top and back and machine quilt with white thread, following design on bandanas. If some areas are too intricate to do on machine, you may hand quilt these.

You may quilt as few or as many lines as you wish.

The picture shows quite close quilting and it looks beautiful.

When quilting is finished, trim edges and bind with white bias tape.
