

A close-up photograph of the base of a blue metal lantern. The base is a rounded, dome-like shape with a wide, flat bottom. The words "NO. 100" are embossed in a simple, sans-serif font on the upper part of the dome. The metal has a slightly weathered appearance with some minor rust spots. Above the base, a red glass globe is visible, held in place by a metal cage. A blue metal handle is attached to the sides of the lantern.

NO. 100
